Entrance to All Souls' Episcopal Church

The Rev. Robert M. Shaw

Dedicated to

The memory of the Right **Reverend Thomas A. Casady, D.D.**
who guided us **during** our **founding** years

The Right Reverend Chilton Powell, D.D., **Bishop** of Oklahoma
who has urged us ever forward

Especially to

The Reverend **Robert M. Shaw**, Rector of All Souls', 1968
whose **leadership** and **devotion** to All Souls' Church
saw to the writing of this, its first history

To the other ministers mentioned in this book, who helped guide
us on our way . . . and to all the faithful members, living and
dead, named and unnamed in this book, whose faith helped to
create and build our beautiful House of God.

PATTY GRASS

FOREWORD TO MEMBERS OF ALL SOULS' PARISH

In searching for records for this book, both oral and written, I have found many conflicting stories. It was decided by the Rev. Robert M. Shaw that it would be best to record events that were recorded in the Minutes of the Vestry and the Women's Auxiliary, to make sure these events were authentic.

I regretted I could not go into detail on the work of devoted church members. I had to constantly remind myself this was not a history of persons in the church but rather the history of All Souls' Parish, and its progress during the "silver years". Too, I had to be brief due to publishing costs.

It has been a thrilling experience to record how the Spirit of God has led us ever onward. In the face of obstacles and staggering debts, we . . . as a family in God, were united in our struggle to go forward. Those of us who have been privileged to experience this struggle realize that we have been richly rewarded for our work. It is my hope that as you read this book you, too, will feel the blessing that has been ours.

I wish to acknowledge and thank those who have helped with this book. Especially Barney Stewart, Jr., who found some records of the early church for me, and Helene Rogers, who recovered the lost Minutes of the Women's Auxiliary. Also, Jean Walters who helped by compiling the vital records in the back of the book; all those who helped me patiently hunt for errors; and the Rev. Robert M. Shaw for his counseling me in time of trouble. I admit that no book is perfect, but every effort has been made to make this one as nearly perfect as possible.

ALL SOULS' EPISCOPAL CHURCH HISTORY
THE CHILDREN'S CHAPEL

The Original All Souls' Chapel

All Souls' Episcopal Church came into being in the year of our Lord nineteen hundred and forty-four. Its beginning was prompted by the gasoline rationing that was forced upon the United States at the beginning of World War II. This rationing prevented the residents of the town of Nichols Hills from transporting their children into town for Sunday School and Church services.

A letter dated April 20, 1944, from the Right Reverend Thomas Casady, Bishop of Oklahoma, to Mr. Henry S. Griffing reveals that the vestry of St. Paul's Cathedral had unanimously approved the organization of a Sunday School in the Nichols Hills area. The Bishop authorized Mr. Griffing, Mrs. C. L. Frates, and Mr. Roy Lytle, to proceed with this project enclosing a check for \$200.00, to get it "under way". He suggested Mrs. Frates act as Treasurer.

He further stated that he was convinced that the organization of this Sunday School was the most pressing need of the Episcopal Church in the Oklahoma City area at that time. "It will not only be of benefit to the children of our church families in that locality, but will lead to developments of value both to the individuals concerned and to the church as a whole."

He further noted that in June of that year he would have two young Seminarians available to give constructive help with this project. They were the Rev. Mr. Howard Mann, and the Rev. Mr. Harwood Bowman, (who later became the son-in-law of the Harry Opels, one of the founding members).

Later, in May of that year, correspondence of Henry S. Griffing reveals that when this church was first thought of, it was planned that they would use the log cabin built for the Boy Scouts on the Nichols Hills Parkway. This cabin had not been used for some time. It was built by Mr. John W. Coyle, son-in-law of G. A. Nichols, for whom Nichols Hills was named. Mr. Coyle agreed for the church to use this building provided that the Scouts could have their meetings there, also, if they ever so desired.

The building, if used, was to be improved with air-conditioning, carpets, pews, and probably a steeple and walks. It was understood, too, that this was to be a children's church, with all plans to come under the approval of Bishop Thomas Casady. The Sunday School was to be open to children of all faiths, and the building was to be used as a community center for the area, as well as the church.

Just what happened to these original plans is not known. But by June 12, 1944 the Extension Committee of the Layman's Council gave a report recorded in St. Paul's Cathedral Vestry Minutes. It stated that it resolved to establish a Nichols Hills Mission to conduct Sunday School or Junior Church work among children residing in the area. They further resolved to construct a suitable building for such Junior Church, authorizing a committee to proceed with plans. The final plans were to be submitted to the Vestry of St. Paul's and the Bishop.

It was noted that if the building was placed on ground not purchased for the structure, that a legal document was to be executed by the Episcopal Cathedral Foundation of the Diocese of Oklahoma, evidencing the ownership of the building and improvements, with the permission to conduct a Junior Church in it. They also reserved the right to remove the building and improvements at any time, protecting it against land owners or tax deeds.

Under this agreement, it was clearly pointed out to Henry S. Griffing, Roy C. Lytle, and Barney Stewart, Jr., who were to have charge of erecting the Junior Church, in the town of Nichols Hills, that it was not to become a church for adults, since Dean Mills of St. Paul's Cathedral protested the establishment of another church, fearing he would lose many of his members living in this area.

The location for this structure, to be built with non-critical materials, due to the war, was on Huntington Avenue on the Grand Boulevard Parkway. This land was owned by the City of Oklahoma City, and was under the supervision of the Park Board. It was understood by this committee, that the Park Board had no objection to such a structure, but wanted it plainly understood that it was to be only a temporary structure. The land could never become a church property. That the church would be moved from the park property on short notice, if that ever became necessary.

By June 27, 1944, a plan for the church had been drawn and a Form WPB-617 filled out to be sent to the United States of America War Production Board. This form called for a permit to construct a small frame building with asbestos siding, approximately 20x40 feet in size. There were to be two small portable buildings 10x16 feet on the grounds. The main building was to be heated by thermostatically controlled floor furnaces and ventilated by two used cooling fans. Low grade lumber was to be used because of the conservation of lumber due to the war.

This petition had a letter to accompany it, which stated that, "The religious training and service, which this junior church will provide for the children of Nichols Hills, is very urgently needed at the present time. There are no churches within a radius of several miles, except a small church recently built in West Nichols Hills. This church is quite small and is already taxed to more than its capacity.

With the restrictions that now exist on passenger travel, it is impossible for many of these children to attend a Sunday School. There is no other method for them to use to get to other Sunday Schools, except the existing bus transportation. This transportation is not very adequate and, even if it were so, small children could not be trusted to travel on this by themselves. The reason that these children do not have the necessary quarters for them to carry on their religious training and instruction is that they are being deprived of this which is one of the freedoms for which we are now fighting a war.

The attached list of the residents of the community, who are interested in this church building, is only a portion of the population who have expressed a desire that this building be constructed as quickly as possible. The town of Nichols Hills is a community of approximately one thousand people. Recently there have been approved and built in a nearby city, Midwest City, five churches where the population is approximately four or five thousand. On this basis of these approvals, we believe our application is certainly entitled to approval."

Names attached to this application are: J. Steve Anderson, Jr., Mrs. R. O. Bailey, Vernon Beals, M. M. Bishop, H. B. Bogart, John Orin Brittain, Paul Brown, Harold G. Chestnut, C. M. Cooper, Dr. Tullos O. Coston, John W. Coyle, Mrs. J. J. Culbertson, Jr., H. L. Douglass, C. L. Frates, K. K. Fruit, Henry S. Griffing, W. D. Grisso, V. V. Harris, Jr., D. T. Hayward, Barron C. Rogers; Mrs. Ward Shaffer and Sidney; Mrs. Barney Stewart, Barney III and Sharon; Harold and Ann Stephens; Mr. and Mrs. Harry Thomas and Betty; Barbara Van Zandt; Alice and Janet Williams; and Nancy Woods.

By July 19, Henry Griffing wrote Barney Stewart that he was enclosing a list of prospective contributors which he was to see. Mr. Griffing advised him that the Junior Church would cost approximately five thousand dollars. "If a total of two thousand, five hundred dollars can be raised by this Saturday in cash, the construction can commence through an underwriting plan for the balance. In September we can then put on a campaign to raise the balance. If we are unable to raise the two thousand, five hundred this week, there is a possibility that we may lose our priority granted by the War Production Board, and the whole project may be delayed until November."

By August 5, Lois Chambers, secretary to Mr. Griffing, wrote to Barney Stewart that pursuant to his request that she had opened a bank account for the "Nichols Hills Episcopal Junior Church." She deposited sums from various people, and enclosed the pass book, suggesting that two people sign the signature cards who were to be authorized to withdraw funds from the account. The deposit slips show the following gifts from August 4, 1944 to February 1, 1945; Bishop's Discretionary Fund, \$200.00; Roy C. Lytle, \$100.00; L. C. McHenry \$100.00; Barney Stewart \$250.00; Vernon Beals \$50.00; W. M. Eberle \$250.00; Al Harmon \$50.00; St. Paul's Cathedral \$500.00; J. J. Culbertson, Jr. \$500.00; Henry S. Griffing \$150.00; Dr. D. H. O'Donoghue \$100.00; Harry Thomas \$100.00; F. M. Porter \$100.00; James F. Anderson \$100.00; Thomas Casady \$2,500.00; R. E. Lynn \$25.00; Dr. Ward Shaffer \$25.00.

The actual construction on this church began August 17, 1944, but on August 15, Bruce McClelland, Jr., Senior Warden of St. Paul's Cathedral wrote Barney Stewart, Jr., that he was sending him a contract covering the construction of the Junior Church. It was August 24 when the final contract was signed by Ben C. Wileman, who was to construct the church, along with Thomas Casady, Rector, and Bruce McClelland, Jr., Senior Warden of St. Paul's Cathedral. This contract did not include the pews, furniture, and equipment which were to be added later.

Bishop Casady wrote Henry Griffing on September 15, 1955, that he sent his sincere appreciation to him and his committee of Barney Stewart, Jr., Chairman, Roy Lytle, Vernon Beals, J. J. Culbertson, Jr., and Mrs. C. L. Frates, for taking charge of the operation and maintenance of the Nichols Hills Junior Church. A letter sent out a little later to the parents of the children attending Sunday School reveals that Mrs. H. L. Douglass was also on this committee.

Sunday School in the Chapel

Barney Stewart, Jr.

The Church opened its doors on September 17, 1944. In a few weeks they had over one hundred children enrolled in classes. Needless to say, this church born of necessity already had growing pains. But it was blessed with a bank account instead of the usual loan from a bank.

It was Bishop Thomas Casady who changed the church's name from the Nichols Hills Episcopal Junior Church to All Souls' Mission. He did this in memory of his own consecration as Bishop which took place on All Souls' Day.

All Souls' was an exact representation of this first young congregation. For in it's beginning the congregation was a melting pot of people and children from all churches . . . Baptists, Methodists, Presbyterians, and many other denominations, as well as, many Episcopalians. This, too, was one of its weaknesses, if it had one, for the voting in the early church tended to reflect each person's own doctrine in determining how the church school should be run.

To steady the course of this young church, Bishop Casady called upon the older members of St. Paul's Cathedral, who lived in the area, to help out. Mrs. Guy Rogers was one of these members, she was the first organist. She not only played the organ but she directed the children in their singing, and when this was done she taught Sunday School. Mrs. Leonard Newcomb was the Altar Guild, caring for the Altar Sunday after Sunday. It is regrettable that we do not know all the others who were guided by the Rev. Mr. Bowman and the Rev. Mr. Mann, in their work in the Junior Church.

The first christening took place on December 10, 1944, when Guy James Willcox was baptized. By the end of 1944 the older people became so interested in the little church they urged the Bishop to turn it into a Mission where adults could attend church, also.

ALL SOULS' MISSION UNDER THE REV. ARTHUR H. MANN

1945

One lone news clipping, saved by Mrs. Guy Rogers, gives the activities of the church for the spring of 1945. This clipping states that the Mission celebrated the beginning of its second year of organization by enlarging its program. The first adult service is said to have been held in March of 1945, though official records show it was held Palm Sunday, April 29, 1945.

The Rev. Arthur Howard Mann, was released from his duties at St. Paul's Cathedral to serve as full time minister to the new Mission, but he continued as director of religious education to the Diocese.

A chapel committee was formed to assist the new Vicar. They were Barney Stewart, Jr., President; Mrs. Benjamin C. Adams, Secretary; Mr. Roy C. Lytle, Treasurer; Dr. Leonard A. Newcomb; and Mrs. Mary H. Barnes.

That spring the women of the church formed an Auxiliary at the home of Mrs. Guy Rogers. Mrs. W. D. Grisso was elected President; Mrs. Barney Stewart, Jr., Vice-President; Mrs. Howard Van Zandt, Secretary; and Mrs. Henry Griffing, Treasurer.

The newspaper clipping stated that even though the church was only one year old that the church school grew from thirty-one children to more than one hundred and twenty-five children the first year. It revealed the Junior Church had thought of moving into a new \$100,000.00 building on the northern boundary of Nichols Hills, the gift of Frank Johnson Hightower, as a memorial to his family. The new church was to house the activities of the Junior Church and become a part of a new Diocesan center. (At this time it was even rumored that All Souls' might become the Cathedral of the Diocese in lieu of St. Paul's.)

Just what happened to these plans is not known, but this center became Casady School and St. Edward's Chapel.

The first confirmation class was held April 29, 1945, with the Right Rev. Thomas Casady officiating, assisted by Dean James Mills, and the Rev. Arthur H. Mann. The eight who were confirmed were, Barbara and Dorothy Bulkley, Dorothy K. Elizabeth Grisso, Susan Hayward, Leonard Webb Newcomb,, Joan Nichols, Elizabeth Thomas, and Jean Weaver.

The Rev. Arthur H. Mann, Bishop Thomas Casady, and the first Confirmation Class. Left to right, Webb Newcomb, Joan Nichols, Dorothy Buckley, Betty Thomas, Susan Hayward, Elizabeth Grisso, Jean Weaver, and Barbara Buckley.

The first marriage took place June 10, 1945, when Gloria Mae Seabrook married Charles Robert Prescott, with the Rev. Arthur H. Mann officiating. The first funeral was that of Ralph Brawley Kendall on August 27, 1945.

A letter which Henry Griffing wrote to Bishop Casady on August 30, 1945 reveals that All Souls' had been in operation a year at that time and that Henry Griffing felt the future of the church "was bright". He stated that members in the vicinity were very cooperative, and he asked to be relieved of all responsibility to the church except as a member of the congregation, and not as an officer.

It was at this time that members of the congregation were about to petition the Bishop to make the church an official Mission of the Diocese. On September 17, 1945 Bishop Casady wrote the Rev. Alvin S. Hock of Stillwater that he enclosed an application from the communicants of All Souls' Mission to be organized as a Diocesan Mission. He noted that this group had been connected with the Cathedral as a parochial mission but that it was mutually agreed that the status now be changed and he wished his Standing Committee to give this prompt attention. Members who signed this petition were, Guy and Helene Rogers, Emily and Barney Stewart, Jr., Roy E. Lytle, Marilyn M. Massey, Mary Ann Ledbetter, Verna Van Zandt, Elizabeth Adams, Mary H.

Barnes, Mrs. Risk Thompson, Mr. and Mrs. H. E. Opel; and Harold Jenkins.

The Standing Committee approved this document September 20, 1945 at Ponca City. Signing it were the Rev. Hock, J. A. Klein, O. B. Lloyd and T. D. Hanus.

In October All Souls' Mission began to operate as a Mission of the Diocese, officially separated from St. Paul's Cathedral. Dean James Mills did have cause to worry about losing his members. But those worries were short lived for he himself moved to Philadelphia at the end of the year leaving a void in many Episcopalian hearts.

The only other record of this year's work is dated October 15, 1945. It lists the Vestry as Barney Stewart, Chairman; Roy Lytle, Leonard Newcomb, Harold Jenkins, Mrs. Mary H. Barnes, and Mrs. Ben C. Adams, Jr.

At this Vestry meeting a budget was submitted for 1946. The minister was to receive nine hundred dollars a year; the Diocesan fee was one hundred dollars; and furniture, fixtures, and equipment, discussed was estimated at three thousand dollars.

It was proposed that a Music Director and two singers be employed at six hundred dollars a year; that they pay Barney Stewart his lumber bill of \$322.19; and recondition the grounds, providing storage for tools, to cost two hundred dollars. This made a grand total of \$4,500.00 for their budget for 1946.

The Vestry also discussed, then decided to order a Hammond organ from Jenkins Music Store. This replaced an antiquated electric organ, which shorted now and then, bringing the services to a quick halt. When given a swift kick the organ responded and the choir proceeded with their hymn.

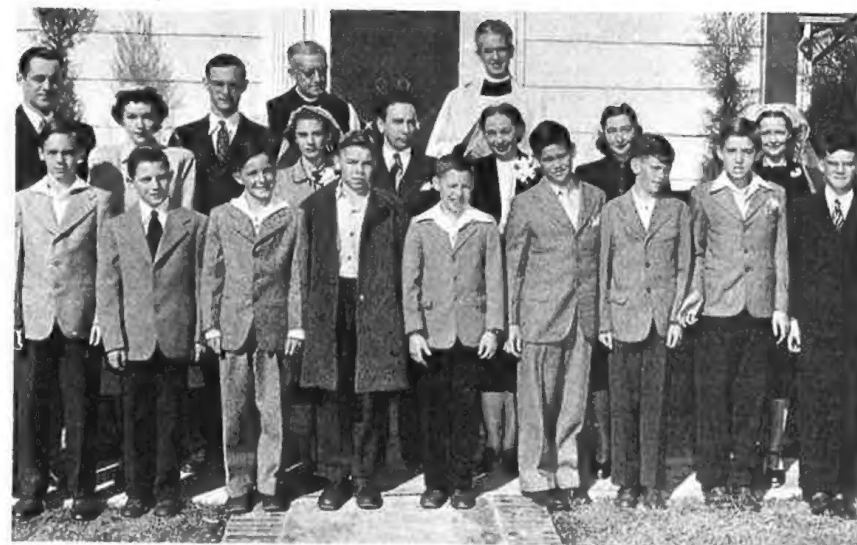

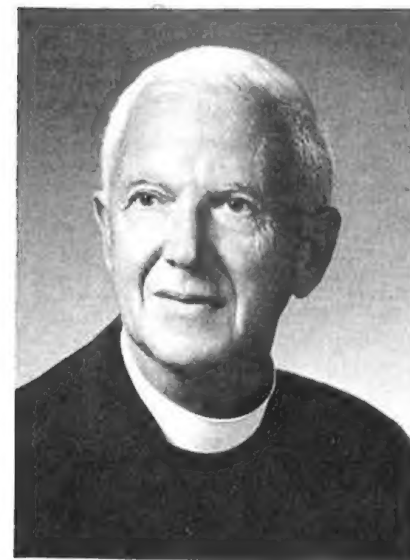

Mr. Mann suggested an Every Member Canvass to take place as soon as possible, with Mrs. Mary H. Barnes acting as Chairman.

The Vestry voted to inform all residents of Nichols Hills, and West Nichols Hills, that the Junior church had been made a Mission and now had its own resident minister, the Rev. Mr. Mann.

Before the next meeting the Rev. Mr. Mann, due to ill health, left the active ministry. The minutes from that date until March 1946 are missing and presumed to be lost.

Chapter III

THE REV. GILBERT P. PRINCE

1946 to July 1947

The first church record in 1946 was the recording of the confirmation of Charlotte Lena H. Prewitt and Howard Van Zandt, who were confirmed on January fifteenth. This was a hurried affair so that Mr. Van Zandt could become a member of the church before leaving for army duty in Japan.

On February 3, 1946, the Rev. Gilbert P. Prince became the second Vicar of All Souls' Mission. He came from St. Alban's Church, Westwood, California. He was the son-in-law of the Bishop of that area, who was a friend of Bishop Casady.

Minutes of the Vestry in March reveal that Barney Stewart, Jr., was Warden; Roy C. Lytle, Treasurer; and Mrs. Adams, Clerk. Other members were Leonard Newcomb and Harold Jenkins.

The church Treasurer reported a balance of \$1,307.18. The Vestry discussed a Public Liability Insurance policy; the need for additional Sunday School Room; and the living quarters for the new Vicar, who was temporarily housed in the headmaster's house on the Casady school grounds.

At the Women's Auxiliary meeting in March, Mrs. Grisso appointed Mrs. Harry Opel and Mrs. Vernon Beals to draw up a set of By-Laws for women's meetings. The women discussed the need of a Parish House, voting to investigate securing one; the need of new Altar linens, since the old ones were discards from St. Paul's; and their bank balance of \$157.60.

By April the Vestry had purchased two prefabricated buildings for additional Sunday School rooms, costing fifteen hundred dollars. They ordered potted plants to give each child attending Sunday School on Easter Day, and planned a picnic for them in May.

In May the Auxiliary held their election of new officers. Mrs. Barney Stewart was elected President; Mrs. Risk Thompson, Vice-President; Mrs. R. T. Austin, Treasurer; and Mrs. W. K. Denison, Secretary. Mrs. Leonard Newcomb headed the Altar Guild. At this meeting several women were appointed to take turns caring for small children during Sunday Services for the summer months.

Members of All Souls' were already missionary minded. They sent twenty dollars to the American Bible Society for New Testaments, which were to be sent to the Japanese, and the German people.

By the fall of 1946 three new Sunday School teachers were needed. The Vestry hired Katherine Stevenson, at twenty dollars a month, to be organist. They discussed hiring a music teacher to form children and adult choirs.

A November report on the Every Member Canvass reveals that \$9,514.00 had been pledged. The Vestry expected to reach their goal by January 1, 1947.

New signs were made directing people to the church, as well as ones listing the services. These were placed in front of the church, and on the parkway.

Minutes of the fall meeting of the Women's Auxiliary state that Mrs. Barney Stewart and Mrs. Risk Thompson, resigned their offices in the Auxiliary. The women discussed changing their election date to late winter so it would coincide with the Annual Parish election.

In November they elected Mrs. Thomas Hayward, President; Mrs. Benjamin Adams, Vice-President; Mrs. H. L. Douglass, Treasurer; and Mrs. W. K. Dennison, Secretary.

The Rev. Mr. Prince not only conducted the services at All Souls' that year, he helped out on Sunday afternoons at St. James Church, in Capitol Hill, when it had no minister.

The big news of late winter was that the Vestry of All Souls' Mission had requested a Parish rating from the Bishop. This request was to be voted on at the Parish Meeting of All Souls' Mission, which had to take place in the first ten days of January of 1947. The meeting was set for January 7, 1947, at 6:30 p.m. at the Oklahoma City Golf and Country Club.

Records show at the end of the year that the church had received several gifts. Two seven branched candelabra for the Altar were given by Dr. and Mrs. W. K. Dennison; a marble baptismal font was given by Dr. and Mrs. D. H. O'Donoghue; and two fifteenth century tapestries were given by Mr. and Mrs. Vernon Beals.

1947

The Parish Meeting, held on January seventh was well attended. The enthusiastic congregation did not hesitate to vote asking for a Parish rating in the Diocese of Oklahoma. They also held their annual election. Henry S. Griffing was elected Senior Warden; Dr. D. H. O'Donoghue, Junior Warden; Vernon Beals, Clerk; and Roy C. Lytle, Treasurer. Messrs. H. E. Opel, D. Thomas Hayward, and Charles McCrae were elected to the Vestry.

On January 9, 1947, the following members of the Bishop's Committee of All Souls' Chapel Mission of Nichols Hills, applied to organize the Parish of All Souls' in Nichols Hills: Gilbert Prince, Barney Stewart, Jr., Elizabeth Adams, Leonard Newcomb, and Harold Jenkins. The petition was passed on in Lawton during the Diocesan Convention held in late January 1947.

Problems that faced the Vestry at their February meeting were the need of new chairs for the Sunday School rooms; establishing a play school; how to enlarge the present church

and finance it; and foremost, how to house the Rector with his family of seven children. (Bishop Casady had sent word that the new Headmaster would be arriving by summer and he had need of the house loaned the Rector.)

As Lent neared the Vestry mailed letters to all residents of Nichols Hills, and West Nichols Hills inviting them to affiliate with All Souls' Church, or attend the Lenten Services. To help promote this project the women set up evening round table discussion groups, so that visitors could learn about the church and feel free to ask questions.

In March the housing of the Rector had become a major concern, but the Vestry had no money to buy a house. They discussed the outside speakers for the Easter Services, so that those who were unable to be seated in the small church, could listen in folding chairs outside it. They appointed the Rev. Mr. Prince to hire a suitable supervisor and open a play school the following week, voting to purchase rest room facilities for the children to cost no more than \$350.00. They ended their meeting with another discussion on how to house the Rector.

During March, the women turned their attention to vesting the choir, buying eight new robes. They bought veils for the Fleur de Lis, (directed by Mrs. Lichtenheld); gave \$50.00 to Mrs. Newcomb for Altar supplies; and later gave a \$100.00 scholarship to Casady School. The Auxiliary membership totaled 55 members at this time.

The Easter Services offering was reported to be over six hundred dollars. The children's Sunday School offering for the year was divided between the Tornado Relief Fund for Woodward, Oklahoma, and the Presiding Bishop's Fund for World Relief, teaching the children they must give as well as receive. Another gift that was recorded was from Messrs. Hayward and McCrae to the Boy Scouts. They gave one hundred dollars each, to rehabilitate the Cabin in the Parkway.

At the next meeting the Vestry discussed the need of more room to house the church school. They voted to drop this action indefinitely due to lack of funds. And, not being able to cope with a house for the Rector, they granted him permission to rent his own living quarters, not to exceed one hundred dollars a month.

At the June Vestry meeting the Rector was absent, having gone to California on vacation. Dr. W. K. Dennison was appointed to fill the unexpired term of Mr. Thomas Hayward, who was moving out of the city.

The Vestry listened to a report on the play school. which showed it was doing well. But before the end of the month it had closed. This is believed due to water collecting around the church buildings when it rained. The Vestry voted that month to move the buildings to higher ground when they had \$750.00 available.

With permission from the Vestry the Oklahoma City Library system established a small library in one of the side rooms to

the church. The library was used by numerous residents of Nichols Hills, which was good publicity for the church.

Reports show that 53 people attended the Annual Church supper; there were 119 communicants; 36 had been confirmed; 26 had been baptized; and All Souls' Parish rated fourth in newly confirmed members in the Diocese.

A special meeting was called July 27, 1947, to read a letter from the Rev. Gilbert P. Prince. He stated in the letter that he was resigning from All Souls' Church to take another pulpit in California. The stunned Vestry were not too surprised. They accepted his resignation, glad they were relieved from the job of housing his family.

The Senior Warden appointed a new Committee to look for a Rector, pointing out that they should make sure the next Rector had a very small family. Mr. Opel volunteered his service to write various Bishops to help secure leads on a new minister. It was suggested they invite the Rev. Michael Martin, new Headmaster at Casady School, to take charge of services, when possible, during August and September.

Members listed at the end of this year are perhaps what one could call the founding members of the church. They included . . . Mrs. Benjamin C. Adams Jr. from Trinity Church, Tulsa; Mr. and Mrs. Harold Jenkins and son Walter D. Jenkins from Emmanuel Church, Shawnee; Mrs. Mary H. Barnes, William D. Grisso, Mr. and Mrs. Henry Griffing, Mrs. Max Frates, Tom Slick Frates, Dr. and Mrs. Leonard A. Newcomb, Mr. and Mrs. Guy E. Rogers and sons Guy Arnold and Carl, Mr. and Mrs. Barney Stewart, Jr., Mrs. Risk Thompson and children Jerry and Risk Jr., Mrs. Lillian Phelps, Mr. and Mrs. Charles J. Bulkey, Mrs. A. B. Potter, Frank Johnson Hightower, Mr. and Mrs. Roy Cobb Lytle, and daughter Dorothy Camilla, Mrs. Phillip A. Thompson, Mr. and Mrs. Vernon Beals and daughter Joan, Mr. and Mrs. James Leonard, Mr. and Mrs. Fred A. Lichtenheld, and daughter Elizabeth, Suzanne Adams, Mrs. J. J. Culbertson Jr., Mrs. J. B. Frederickson, Mr. and Mrs. Harry C. Thomas, all from St. Paul's Cathedral in 1945, followed in 1946 by Dr. and Mrs. Don H. O'Donoghue, Dr. and Mrs. Ward Schaffer, Dr. and Mrs. Embry Barnes, Mr. and Mrs. D. Thomas Hayward, Charles B. Lutz, Mrs. William K. Denison, Mr. and Mrs. Charles W. Harrison, Mrs. H. L. Douglas, Mr. and Mrs. Frank Grass, and Mr. and Mrs. L. M. Hardy, also from St. Paul's Cathedral.

Mrs. Richard T. Austin came from St. John's Church, Oklahoma City; one communicant was listed "From Register", Mrs. Ezekiel S. Candler; Mr. and Mrs. James Lee Willard were listed from St. John's Church, Boulder, Colorado, and their daughter Carol from St. Christopher's, Hobbs, New Mexico; John Hassler is listed as from St. Andrew's of Stillwater and Mr. and Mrs. Henry Kraft, Jr., from St. Barnabas, Omaha, Nebraska. These people are listed in the official register of All Souls' Church as being its members through the year 1947.

Communion in All Souls' Mission

Chapter IV

The Reverend Walton W. Davis

October 1947 - September 1956

During July and August, Mr. Henry Kraft conducted the services at All Souls' Church. He was followed in September by the Rev. Michael Martin. Mrs. George Forsythe of St. Paul's Cathedral played the organ, with Mr. H. E. Opel conducting the choir. Mr. Opel was assisted by Mr. and Mrs. J. J. Leonard.

At the September Vestry meeting they were concerned with hiring a new Rector; finding a Scout Master for the church troop; and hiring a trained choir director.

During October a special meeting was called at the home of Dr. Leonard Newcomb, to interview the Rev. Walton Davis of Lawton, as possible minister for the church. The Vestry discussed their future plans for the church with him, and he in turn, outlined his background and training, proving his ability to fulfill these plans. But he asked for one week to consider the position. No formal offer was made to him when he departed.

After he had gone the Vestry voted unanimously to approve calling him. That was, providing the salary of \$3,500.00 a year, a car allowance of \$50.00 a month, and a rectory bought or rented, but furnished by him, would be acceptable.

This meeting ended with a discussion on hiring a baby sitter at \$50.00 a month for Church services; and the establishing of a building fund for a large church in the future. Both were passed unanimously.

The Rev. Mr. Davis was still considering the minister's job in October. He wanted moving expenses paid, thirty days vacation a year, and a renting allowance of \$75.00 per month for a rectory, or until one was purchased. (He had two small daughters.)

A lengthy discussion followed the reading of his letter. Mr. Kraft was appointed to reply to the letter, giving him a formal call. He was instructed to include in it, the form of Communion Service the Vestry wished used, as they didn't plan on having "High Church" services.

The Rev. Mr. Davis accepted the call. Before he came in November the Vestry had another big discussion on building, buying, or renting a Rectory. No decisions were made on this subject, but they did vote to have the Women's Auxiliary make plans for a reception for the Davis family when they arrived. They then turned their attention to the Every Member Canvass, deciding it should start right away.

At the November meeting of the Auxiliary the women planned the reception and had their yearly election. Mrs. Leonard Newcomb was elected President; Mrs. Harry Thomas, Vice-President; Mrs. Embury Barnes, Secretary; and Mrs. Russell Carlson, Treasurer.

A report in December on the Every Member Canvass revealed \$5,000.00 had been pledged. It was pointed out at the Vestry meeting, that month, that the Sunday School still needed more room for pupils. Mr. Stewart and Mr. McCrae were appointed to investigate the possibility of purchasing a war surplus building, being sold at nearby army camps.

The Rev. Mr. Davis held his first service at All Souls' Church December 1, 1947. At the Vestry meeting which followed that week, he asked about the future building plans of the church, and where they planned to locate it. Mr. Griffing told him they planned to stay where they were, but did plan additional facilities to be built as they could afford them. Dr. O'Donoghue, not agreeing with this, moved that the Rector appoint a committee to form a long range plan for the growth and development of the church. The Vestry approved this.

The Rev. Mr. Davis also pointed out the need for by-laws in conducting church meetings, producing samples to go by in drawing up By-Laws. The Christmas Services were discussed, and the Annual Parish Meeting date was set for January 6, 1948. The food and place was left for the women to decide on.

Henry Kraft, who had been training the Acolytes, announced they would be ready to serve at the Christmas services.

Two men were welcomed for the holidays. They were Howard Van Zandt from Japan, and Frank J. Hightower from Russia.

Gifts given that year were: Prayer books from the Frates; a desk and chair for the Rector's study from the Prewitts; candles from Mrs. J. P. Hess; and hymnals from the Stewarts. Mrs. Charles McCrae made choir robes and cottas to be worn on Christmas Eve for the first time.

1948

The Second Annual Parish Meeting was held at the Oklahoma City Golf and Country Club, January Sixth. Fifty members were present, and Walton Davis, (as he liked to be called), presided. He reviewed the needs of the church and its future as he saw it. He asked that the Vestry be authorized to draw up a Constitution with By-Laws, to guide the church work, stating it should be presented at the next Parish meeting for approval. He planned two such meetings during 1948. He noted, also, that he would publish a monthly Bulletin, giving church news.

At the election that night, Dr. D. H. O'Donoghue was elected Senior Warden; H. L. Douglass, Junior Warden; and Messrs. Harry Thomas, Guy Rogers, and C. Harry Mee, were elected to the Vestry.

At the January meeting Vernon Beals was elected Secretary to the Vestry, and Roy Lytle, Treasurer. Other business concerned the purchase of a war surplus building, at Lawton, costing \$550.00. It was 16x48 feet and was to be placed on the South side of the church. It was to become the Parish House that the women had wanted. Moving costs were estimated at \$175.00 as it was to be moved intact and placed on a foundation, to be ready on arrival.

When Mr. Davis announced this news to the Auxiliary, the women immediately made plans to raise money. They had bake sales, rummage sales, church breakfasts, and made handmade articles which they sold. All of these projects helped furnish the Parish House.

In February the weather permitted the pouring of the foundation for the Parish House. When the old barracks house arrived, the Functional Committee reported that it needed asbestos siding and roof repairs. The Vestry had this done.

When Lent started the Vestry turned their thoughts, again, to the Easter services. They voted to repair the outside sound system so it would work better for those who had to sit outside that day. They discussed the purchase of a Rectory, which was bought in April. It was located at 1725 N.W. Sixty-Third Street. (Records do not state the expense involved on this purchase.)

At this time Mrs. H. L. Douglass was President of the Altar Guild, and Miss Virginia Hopper played the church organ. Miss Hopper later married Walter Campbell, Jr., of All Souls', who became an ordained Episcopal minister.

During April the Vestry took a closer look at the Parish House, voting to repair the buckled floors and refinish them. This was the start of constant upkeep on this old building, that never did prove to be satisfactory.

The kitchen was placed at the back end of the new building, where it joined onto one of the pre-fabricated nursery school rooms. Through this room was the only exit to the garbage can. None the less, the Auxiliary proceeded to furnish it. They bought a gas stove for \$85.25. Mrs. Leonard Newcomb gave them an icebox. Someone donated two kitchen sinks, and the Fleur de Lis girls gave them \$25.00 to help out. Mrs. McCrae was assigned the job of buying china at a wholesale house to cost \$170.00. This included six dozen glasses, plates, and cups and saucers.

To show off their work and to replenish their bank account, the Auxiliary gave a Parish House dinner in May. They planned Bingo, along with a raffle, hoping they would not be raided, as there was some doubt that this was within the new gambling law. The dinner netted \$142.00 and was enjoyed by this close knit Parish family.

In the late spring Mr. John Hassler was appointed chairman of the Ushers, and Mrs. McCrae chairman of the Sunday School picnic, set for June sixth, on the Casady school grounds.

The Vestry voted to keep a church attendance record each week, to see just how well the church was progressing.

At the June Vestry meeting the Warden announced they owed \$2,800.00 on the Parish House. The Vestry voted to sign a note at the bank rather than use up their \$2,000.00 expense account. They sent letters to members explaining their need for additional money.

Keeping the church cool during summer months came up for discussion. This small church was not just hot . . . it was steaming hot, when filled with perspiring people. It stayed that way the

whole summer long. Only the Holy Spirit could have led people to return Sunday after Sunday. Messrs. Kraft, Douglass, and Stewart offered the use of electric fans, which was quickly accepted by the Vestry.

Other business included mothproofing the rugs which had been bought and given to the church. (The heat had helped to hatch out moths, which were fluttering about the church.) They discussed establishing a Men's club within the church; a fence for the Rectory to cost \$100.00; the Rector's vacation, with the Rev. Mr. Boyd from Holdenville, taking over his services; and moving the Rector's office into the now vacated Library room. The Vestry told the Rector he would have to discuss this move with the Auxiliary, getting their permission.

Mr. Douglass was appointed chairman of the Every Member Canvass during July. At this time the Vestry borrowed \$3,000.00 to pay off all debts, since only \$100.00 had been sent in by a member, to pay on the Parish House debt.

July business included thanking Mr. Kraft for an additional fan to be used to try to cool the still hot church. Mr. Beals was thanked for "Welcome" cards. A boy was hired to mow the church lawn, and Dr. Embry Barnes was appointed representative to the Boy Scout Troop. The Vestry voted to lock the church doors at night since there was evidence that it was being entered.

The August Vestry meeting was held in the cool home of Dr. O'Donoghue. They discussed raising the church insurance to \$15,000.00. Mr. McCrae resigned as Sunday School Superintendent, and Charles H. Mee was elected as assistant Secretary.

By September the church was so short on money the Vestry voted to send out monthly statements to remind members about their pledges. Barney Stewart offered the use of his addressograph for this work and it was accepted. The other business was to order gas steam radiators for the Parish house.

The Rector reported one of the communicants had offered \$1,000.00 if All Souls' members, as a group, would match this amount of money, to be used to purchase land for a permanent location for the church. He pointed out that the present church was built on City owned land. This offer was to expire January 1, 1949. The Senior Warden appointed Messrs. McCrae and Stewart to investigate available land and prices.

A special meeting was called in late September to discuss with Bishop Casady the Vestry's concern over a chapel being erected on the Casady school grounds. This was too close if it did not include All Souls' Parish. Bishop Casady informed the Vestry the board of Governors of Casady did not feel anything satisfactory to the school and All Souls' Church could be worked out. He suggested that All Souls' Church plan to match the \$1,000.00 offered, with the idea that it would not locate on Casady School grounds.

In November the Vestry set a goal of \$10,000.00 for their 1949 budget.

The Women's Auxiliary, now too large a group to meet in

anyone's home, decided to divide into smaller units. Some young women rebelled at being parted from friends, but the Rector pointed out that this was best for the welfare of the church. It kept cliques from being formed within it. It was promised these groups would be reshuffled every two years.

Mrs. Guy Rogers was elected President of the Auxiliary; Mrs. Fred Lichtenheld, Vice-President; Mrs. John Hassler, Secretary; and Mrs. Russell Carlson, Treasurer.

The women had a bank balance of \$30.30 part of which they voted to spend on a coffee urn for the parish house. Mr. Davis requested they also spend some of their money to build him a cabinet to hold his vestments, but they took no action on this.

1949

The Third Annual Parish Meeting was held at 6:30 p.m. January fourth, in All Souls' Parish House. Sixty-five people attended the dinner served by the Women's Auxiliary. It was an uncomfortable affair, in the poorly ventilated room. Windows were opened to let out gas fumes and smoke from cigarettes, that burned everyone's eyes. Then they were closed quickly to try to keep the room warm.

Mr. Davis reported to the group that the anonymous donor who was trying to get the members interested in a permanent location for the church, had raised the offer to \$5,000.00 providing the congregation would also raise this amount, as a group, making a total of \$10,000.00 to work with. The congregation had until January 31, 1949, to accept this final offer.

Many strange remarks came from the heated discussion that followed. One Vestryman suggested the money could be from bootleggers who didn't want it known. He suggested they not accept the offer. Others wanted the donor to make himself known. (The donor, who had recently lost her father, had planned this as a memorial gift. She sat too stunned to make any remark.)

Some members stated they loved the little church and wanted to stay where it was, be exclusive, and small. Others argued it should grow and expand like a normal church. It was the latter group who wanted to buy a permanent location, and build a church. In confusion the congregation voted to refuse the offer. Many times later they regretted this vote.

Mr. H. L. Douglass was elected Senior Warden, that night; Mr. Henry Kraft, Junior Warden; and Messrs. John J. Hassler, Fred A. Lichtenheld, Dr. E. R. Barnes, and Frank Grass were elected to the Vestry.

Mr. Frank Grass was appointed Key Man of the Parish; Mr. Henry Kraft, Chairman of Education; Mr. Barney Stewart, Jr., to take charge of the young people; and Mr. Harry Mee, Chairman of the Every Member Canvass.

At the February meeting Mr. John J. Hassler was appointed Treasurer, and Vernon Beals, Secretary to the Vestry.

Mr. Davis reported a phone had been installed in the Parish House, and he asked permission to have his typewriter overhauled.

The location for a new permanent church came up again at the February meeting. Messrs. Thomas and Douglass were appointed to investigate locations.

At the March meeting Mr. Davis announced that Roy Lytle had been appointed to the Bishop's Council at the State Convention. He, too, had been honored, by being voted one of the three most liked and respected priests in Oklahoma.

The vestry discussed lots near the Methodist church that could be bought for \$10,000.00 but took no action. Mr. Douglass discussed investigating a valid lease on the church parkway site, but found there was a reverter clause to the original owners in the deed, if it was commercially used.

The Auxiliary planned an Easter Egg hunt for the small children; and a County Fair to be held later in the spring.

The young people's group which had grown from 14 to 26 people, was given a record player to use, which also played recorded chimes on Sunday morning, over the outside loud speaker system. This gift was from the Frates.

Confirmation took place in June, followed by a Bible School.

In the continual attempt to cool the church the Vestry had an evaporating cooler installed. It made the church so humid, despite an exhaust fan, given by Dr. Barnes, that the Vestry voted to sell it before the following summer.

Mr. Davis tried to discuss adding on an additional small rector's office to the church but this was not favorably received by the Vestry.

During the summer Mr. Davis' mother became critically ill. Bishop Casady suggested he take an early vacation and go to her since she was not expected to recover, which he did.

In late summer 45 children were reported attending the Church school. To accommodate the fall enrollment, additional lighting was installed in the Parish House. Messrs. Kraft, Birdseye, Walter Campbell, Jr., and Clyde Norman painted the nursery room, and cabinets, to make it more presentable.

The Rev. John Wright conducted summer services, in the absence of Mr. Davis, for which the Vestry gave him \$40.00.

At an early fall meeting Mr. McCrae told the Vestry that St. John's Parish House could be had for the moving charge of \$800.00. He estimated it would cost \$3,000.00 to reassemble. The Vestry declined the offer.

In late September Mr. Davis attended the General Convention in San Francisco, and the Rev. Mr. Martin conducted services.

At the October meeting of the Auxiliary it was reported that the Fair had netted \$1,143.00. The women voted to give \$1,000.00 to the Vestry to apply on the Parish House loan, and \$50.00 to Mrs. Frank Grass, President of the Altar Guild, to buy altar supplies.

The United Thank Offering report showed 30 women had contributed \$89.90. There were 52 active women in the church at that time and 3 inactive women.

At the October Vestry meeting Mr. Davis reported the church

office had been robbed of \$29.00 in stamps. He stated that the Sunday School attendance was averaging 55 persons, and the Young People's group 29 on Sunday evenings. A November report showed this had grown to 64 children in Sunday School.

A committee was appointed to form an overall plan for the Youth Group, and the expansion of the church. They were to report at the Annual Parish meeting.

The Vestry turned their attention to land, again. They priced land at Dorchester and Nichols Road for \$15,000 and a piece near Britton Road for \$1,250.00 — an acre. The Vestry voted for Mr. Douglass to negotiate for a plot 330x300 near Pennsylvania and Britton Road.

There was concern in December, over the slow progress of the Canvass. Only \$2,510.00 had been pledged. The Vestry voted to go to work on it themselves. They also voted not to hold the Parish meeting in the Parish House, due to the ventilation.

When the women held their annual election Mrs. Harry Thomas was elected President; Mrs. Benjamin Adams, Vice-President; Mrs. Fred Lichtenheld, Secretary, and Mrs. Gene Stockwell, Treasurer.

1950

The Fourth Annual Parish Meeting was held at the Oklahoma City Golf and Country Club at 6:30 p.m., January 10, 1950. Mr. Davis was the main speaker, discussing the need for a permanent church. He said they had 172 communicants.

Mr. Henry Kraft, Jr., was elected Senior Warden; Mr. Charles M. McCrae, Junior Warden; and Messrs. Clifford L. Frates, Frank J. Hightower, and Rollin B. Smith, to the Vestry.

At the January Vestry meeting the need for enlarging the present church was discussed. The Vestry voted to add 12 feet onto the back end; to make a chancel, sanctuary, and two office rooms. This would increase the seating in the church to accommodate 130 people. (The side rooms often took care of the overflow crowd.)

The Treasurer, John Hassler, reported a bank balance of \$1,813.18 with \$10,173.60 in pledges and thirteen cards still out.

Mr. Davis set a goal that year of "Fifty Confirmations in 1950." Other business included thanking Mr. McCrae for crushed rock for the parking area, and hiring Mrs. George Renshaw as choir director at \$25.00 a month.

In February, Embury Barnes, Secretary, noted that the "Diocesan Messenger" was being sent to all members. He stated that an Elliott Addressing machine had been bought and a Parish Register Minute book.

Reports on land in Casady Heights were discussed, followed by a report from Mr. McCrae on remodeling the church. He estimated the cost at \$4,500.00. The price would include (besides the building) red carpets, floor and railings stained to match existing woodwork, a white marbleized wood altar, trimmed with gold; and a much needed attic fan. The Vestry voted to have this work done.

The Auxiliary was busy that month, also. Unit Three gave \$42.00 towards sanding the floors and refinished and decorated a room by themselves in the Parish House. Mrs. Howard Gettler, President of the Altar Guild, was given \$60.00 for supplies.

Easter plans included a breakfast for the large children, and an Egg Hunt for the smaller ones. A luncheon was held that month for the Episcopal Church Women of Oklahoma City. Mrs. Guy Rogers, chairman, invited a boys quartet from Harding Junior Highschool to sing, and Congressman Mike Monroney to speak to the women.

In March the insurance was raised to \$18,000.00, covering the church and furnishings.

A chattel mortgage of \$4,500.00 was placed on the church, approved by the Bishop and Council. Several members signed the mortgage, which had a limited liability clause of \$500.00 per person.

Other business included buying choir robes costing \$200.00 and hiring a part time secretary at \$50.00 a month, until all accumulated work was completed. The average attendance at Sunday services was reported to be 83 people.

Those thanked for gifts were Mr. Douglass, Dr. O'Donoghue, (these gifts were not named), and Mr. Walter Campbell, Sr., for a gift of mirrors for the church.

During May two parties were given by the women. A book review by the Auxiliary which netted \$464.42 and a Silver Tea given by Unit Two in the home of Mrs. Harry Thomas. The women gave \$250.00 of their money to help pay for the red carpets in the church, probably not knowing they were included in the contract.

Mr. Harry Mee was appointed chairman of the Annual Canvass, in July. At this meeting the Vestry discussed the land sites for a new building, again.

McCrae and Nofstger, who had finished their remodeling on the old church, presented a bill for \$3,809.41 which was accepted. Mr. McCrae was given a vote of thanks for his excellent job. To improve the church even more, the Frates bought hinges for the kneeling benches, and Mrs. Culbertson paid for having them padded.

The Rev. Mr. Davis reported in September the Sunday School had 7 teachers, 3 officers, 72 pupils up through the sixth grade, and 25 pupils in higher grades. Mrs. Mary H. Barnes was Superintendent of the Church School.

To arouse enthusiasm for the Annual Canvass, the Vestry voted to have a dinner meeting in St. John's Parish House in November.

At the Auxiliary meeting it was announced the United Thank Offering amounted to \$70.50 that fall. The women held their annual election electing Mrs. Howard Gettler, President; Mrs. James L. Chenault, Vice-President; Mrs. Gene Stockwell, Secretary; and Mrs. Henry Kraft, Treasurer. The women voted to revise their Constitution and By-Laws.

At the close of the year Mr. Mee reported 86 pledge cards

signed, totaling \$11,185.40. The new building site was still under discussion.

1951

The Fifth Annual Parish Meeting was held at Oklahoma City Golf and Country Club, January 9, 1951, with 88 members attending. Mr. Davis reported he had baptized 34 children and 11 adults during the year; confirmed 58 persons; married 6 couples; and had one burial. There were 32 transfers into the church and 9 transfers out of it. This gave the church a total of 253 communicants, giving the Parish a fourth seat in the Diocesan Convention.

Mr. Charles M. McCrae was elected Senior Warden; Mr. C. Harry Mee, Junior Warden; and Messrs. John L. Beckham, George Birdseye, and Charles Evans to the Vestry.

At the Vestry meeting in January, Mr. Hassler, Treasurer, noted that the electric bill was \$64.48, which was excessive, he asked it to be rechecked. Mr. Davis reported the gas steam radiator jackets leaked in the Parish House, suggesting they be replaced. The Vestry voted to buy two six section radiators to cost \$140.00.

Several gifts were given the church in February. Five hundred dollars was given to start a fund for a new building site, to which the Vestry promptly added a dollar each. The names of these persons were not listed. A pair of Communion Cruets were given by Mrs. A. B. Potter; an Alms basin given by Mr. and Mrs. Donald Hart; another alms basin was given by an anonymous donor; and a glass and aluminum front door was also received.

At the Auxiliary Mr. Davis reported the attendance was then 93 persons each Sunday. His slogan that year was "51 confirmations in 1951".

The women made plans for an Easter Egg hunt; to have a Country Fair; to give \$100.00 to Mrs. Harold Jenkins, President of the Altar Guild, for supplies; and voted to hold an Every Member Canvass among the women of the church. They reasoned that those who did not attend meetings, also did not share in the work, so they should support with their share of needed money. Before the month was over they had pledges of \$1,011.50 with \$809.20 collected and in the bank.

The Vestrymen, still working on their Annual Canvass, reported \$14,922.40 pledged. Mr. Davis suggested their aim should be to secure a building site in 1951. He urged them to search for new members. The church needed 351 communicants to obtain another seat at the Diocesan Convention.

The Vestry voted to allow the Parish House to be used twice a month for children's square dances; to hire a secretary for three and a half days a week; to fix up the old library room at a cost of \$50.00; to buy 25 hymnals and prayer books; and to have card holders, with guest cards on all pews.

William Robins, Jr., was made Keyman of the Parish in March. The Vestry voted that month to have Vesper Services, starting at 5:30 p.m. each Sunday.

The women held their Country Fair under the trees in the churchyard in May. It was well attended, netting \$946.47.

The women of Unit One gave an altar, candlesticks, vases, and a cross to the little Kindergarten room.

The Vestry, still considering church sites, rejected land in the Pennington-Winters area, near Nichols Hills School. Mr. Davis announced at this May meeting, that on June fifth or sixth a Coadjutor was to be elected in Tulsa, to help Bishop Casady with his work.

In July All Souls' was fourth place in the state in confirmations for 1950, third place in baptisms, and tenth in size as a church. Nineteen people had been confirmed in 1951.

The attic fan bearings burned out during the August heat. Mr. McKee was thanked for reinstalling them at his own expense.

Later in the summer the Vestry discussed the corner of Grand Boulevard and Pennsylvania, but deferred voting on it. They voted to put \$100.00 in a revolving loan fund for Oklahoma City Episcopal Missions, to be used in making signs to advertise their churches.

Mr. Davis discussed the Rectory with them at this meeting. He pointed out it only had two bedrooms which wasn't enough to properly house his family. He pointed out the house next door to him was for sale with three bedrooms. He suggested the Vestry try to trade with the owners. Mr. Kerns was appointed to see what could be worked out.

In the fall Mr. Robins noted again the need for more space in the Parish House, to house the Sunday School.

Several gifts were given to the church, Mr. McCrae gave a lectern and the materials to make a badge stand. Mr. Hassler gave a cloth for the badge stand, and Mrs. Mulvey gave a rug for the Parish House.

The Vestry voted to raise Mr. Davis car expense to \$100.00 per month.

Preparations for the consecration of the Bishop Coadjutor Powell was discussed at the October Vestry meeting. The Vestrymen and Wardens of the Parish were to all take part in the procession, to be held in the municipal auditorium.

The Vestry, becoming aware that the year was swiftly passing, became frantic about a building site. They called a special meeting for October fifteenth. No minutes were recorded at this meeting, but in November Mr. McCrae reported that Mr. Coyle had assured him that he could find a site in an undetermined area when a deal could be worked out.

Ten acres were reported for sale on Sixty-third Street, across from the Hardin property, but a poll of the Vestry indicated they only planned to buy three acres.

The women held their election in November. Mrs. James Chenault was elected President; Mrs. Bert Mulvey, Vice-President; Mrs. H. R. Benson, Secretary; and Mrs. Howard Johnson, Secretary. The business discussed at the meeting was to buy an electric sweeper for the church.

The Treasurer reported in November that the church had only \$430.43 in the bank. The Vestry voted to have a Box Supper at Casady Dining Hall, to raise money. The women fixed the fancy boxes which were auctioned off at good price. Some men bought more than one box, causing much fun and confusion, for the cooks went with the boxes.

The Rev. Mr. Martin was the speaker at the Men's Corporate Communion breakfast at Casady Hall, in November. Some women of the church arose at six o'clock in the morning to prepare and serve their food. When the meeting was over they stayed on to wash dishes and clean up the Hall so it would be ready for school next day. This often kept the women there until noon. It was the money from these breakfasts that started the Kitchen Equipment Fund for the new church. Before Casady Hall existed the breakfasts were held in private homes. Mrs. Grisso's home was the most often used.

At the November Vestry meeting Mr. Robins asked that a collection be taken to pay for a crest and genealogy he was working on, to be presented to Bishop Powell at the Annual Parish Meeting.

Otherwise, the meeting was devoted to a discussion of building sites. Properties discussed were, at Lenox and Sixty-Third Street; ground owned by J. Culbertson on Pennsylvania at Windsor Street, which could be had on option with no money down; land adjoining J. Culbertson, owned by Mrs. Hoffman of California; and eight acres West of the Country Club golf course on Sixty-Third. All were investigated.

The treasurer reported a balance of \$1,891.39 in December. The Vestry discussed the building sites, again, but took no action.

1952

In order to attain their goal for 1951, the Vestry held a special meeting in early January . . . before the Annual Parish Meeting. They opened the meeting with prayer. After a discussion they voted to sign a contract to purchase two lots at Windsor and Pennsylvania Streets, giving them three and one-half acres.

The First National Bank loaned money for this purchase at five percent, with signatures of the Vestry as guarantees. The building fund of \$508.00 was then transferred to this account. Mr. Douglass examined the abstracts.

The Annual Parish meeting was held at St. John's Church January 14, 1952. Bishop Powell was the speaker. The "Good Tidings" was the purchase of the two lots for a building site, at the cost of \$6,000.

Mr. Charles Mee was elected Senior Warden at the meeting; Mr. Clifford Frates, Junior Warden; Messrs. Walter E. Campbell, Sr., H. K. Calvert, and Dr. Howard Gettler were elected to the Vestry.

At the January meeting Mr. Calvert was acting secretary and Mr. John Hassler, Treasurer.

Henry Kraft had charge of the Land Fund Drive, which in

January totaled \$2,573.00 from 39 members, and grew in March to \$5,741.00 with \$640.00 pledged.

The Vestry, not satisfied with the frontage on Pennsylvania for the new church, attempted to buy another 115 feet to the South of it but the owners of the land did not respond to letters.

The church had many problems at this period. There were requests for: hymnals for those not seated in pews; additional lighting in front of the church; women to help in the nursery; clerical help; a portable adding machine; venetian blinds for the Secretary's office; a screen door for the Parish House; more vestments for the choir; and more window fans to cool the church.

Despite the other problems the Vestry turned their thoughts to the new church, knowing that only a new structure could really be the solution to all problems in the end. They voted to have the property zoned; have a prospectus made for the new chapel and parish house; to have estimates on the building of it with furnishings; and to plan to raise money to finance it.

By July the zoning petition had passed. They appointed Mrs. Clifford Frates to be chairman of the Planning Committee, and by July she submitted a report for the Vestry's approval.

The Vestry then authorized preliminary sketches of the building to be made by several architects without any obligation to them. They also accepted a new sign from Mr. Walter Campbell, Sr., to be placed on the new lots.

The Rectory was then discussed. They concluded it was poorly built, and had excessive repair bills. They contemplated a new rectory versus adding onto the old one. No action was taken. They also rejected the thought of air conditioning the old church.

The Every Member Canvass was in progress by September, and in October the Vestry was occupied with Mrs. Frates' report of her committee's choice of architects. They were considering Bailey and Bozalis, and Parr and Aderhold. Mr. Beckham was appointed to consult with both firms to see if they would submit plans. Both firms refused saying it was unethical. After a lengthy discussion, at a later date, numerous ballots were cast by the Vestry, who finally chose Parr and Aderhold.

The Vestry appointed Messrs. Mee, Beckham, Campbell and the Rector to work with the planning committee.

In the late fall Mr. Davis' salary was increased \$600.00 a year, making it \$4,800.00. The budget was discussed at this time and was set at \$19,653.87.

George Birdseye was secretary to the Vestry at this time, with John Hassler still acting as Treasurer. Mr. Joe Mills was Key man for the Parish.

Mr. Hassler reported the treasurer's job took at least ten hours of work a week, and that he hoped at the end of the year he would be replaced by someone else as Treasurer. Mr. and Mrs. Hassler were commended for their work on the church records.

The Auxiliary, still busy with bake sales, rummage sales, men's breakfasts, cleared \$1,050.86 at their Country Fair in May. They talked of starting a resale shop.

Mrs. Mary Ann Benson was President of the Altar Guild that year, and Mrs. Vernon Beals was elected President of the Auxiliary. Mrs. Charles Evans was Vice-President; Mrs. George Whitney, Secretary; and Mrs. Murray Cabell, Treasurer. The fall ingathering of the United Thank Offering totaled \$119.87, with 37 members participating.

In December the Rector reported 365 communicants in the Parish. Mr. Calvert, chairman of the Canvass, noted that \$16,270.60 had been pledged from 144 communicants, with 35 cards not in. 1953

The Annual Parish Meeting was held January 12, 1953, at Casady Hall. The meeting was well attended for news had leaked out that the new church was to be discussed, and the prospective plans displayed.

The Rev. Mr. Davis announced at the meeting he had confirmed 47 people that year; baptized 20, married three couples; transferred 66 people into the Parish and transferred 22 out. The congregation then totaled 376 communicants.

It was announced that Mr. Bill Robins had established St. Christopher's Mission at Midwest City.

To settle a rumor, very upsetting to the women of the church, Mr. Davis announced that the Kitchen Equipment Fund would not be diverted into the building program, but would be used for the kitchen equipment, as planned.

Mr. John J. Hassler was elected Senior Warden; Harold D. Jenkins, Junior Warden; and Messrs. John C. Voorhees, John Spradling, and Dr. John Lamb were elected to the Vestry. Later, Mr. Voorhees was elected as Secretary to the Vestry and Mr. De Freitas, Treasurer. The Vestry voted that the Treasurer be paid a salary of \$25.00 a month.

At the January Auxiliary meeting the women decided to hire a baby sitter for Sundays, using only one volunteer to help. They planned to turn their energy to making money. A February report showed the kitchen fund then totaled \$3,936.01.

At this time very accurate records were kept on each woman by the Auxiliary. They checked her for attendance, what Unit she represented at monthly luncheons, and what projects she was working on. The women had a Steering Committee, to make sure no two Units were working on the same projects.

During the winter Mr. Davis called for volunteers to take a church census in the Nichols Hills area, hoping to discover more Episcopalian families, as well as prospects for membership in the church. He pointed out to the women it was their duty to the church to be hospitable, and invite people to their church. He also asked for sponsors for Sunday School parties.

Mr. John Spradling was Key man that year. He announced the first four weeks of Lent services would be conducted by Laymen. They would have a choir and organist at these services.

Problems that faced the Vestry were: the filing of a lien against the contractor who installed the attic heater in the Rectory, for it was not adequate; approving \$100.00 to be spent

for **Sunday School** tables; buying the lot to the **South** of the **building site** which was priced at no less than \$3,500.00 an acre . . . and when the Vestry offered that, the owners would not reply.

The National Fund Raising Services, Inc., of Ft. Worth, Texas, were hired for the new building campaign. The Vestry gave Mr. Ivan H. Hood, their representative, a \$500.00 down payment to get it started.

In March the Rector reported that his early morning services were well attended, but that the Laymen's Services were disappointing. He pointed out to the Vestry that it was normally **their** job to hire **nursery** attendants, **and** he **suggested** they **assume** the duty by **paying** \$2.50 a service. The **Vestry** accepted the responsibility.

Ted Sloan was organist for the Lenten, and Young People's Sunday evening services. He was paid \$50.00.

Reports from the architects revealed that they were proceeding rapidly with the new church plans. When the National Fund Raising Services drive was about to start, the Vestry decided to consult with Ben Wileman about the possibility of buying the corner of Sixty-Third and Pennsylvania. Too, they were concerned with a Casady School fund drive, praying it didn't conflict with their own.

Mrs. Russell Carlson, President of the Altar Guild, reported Mr. Davis needed new vestments. The Auxiliary voted they should buy the vestments out of funds given them.

At Easter, eggs were collected by the Auxiliary for the children's annual Easter Egg hunt. Candy ones were to be wrapped in wax paper.

Mr. Davis distributed pledge cards for the building campaign to the Auxiliary in April. Mrs. Evans, Vice-President, resigned that month due to the illness of her husband. Mrs. Richard D. Jones was elected to fill her place.

Mr. Spradling and the Rector contacted Mr. Carson Hickox regarding a switch of lots in the vicinity of the new building site. Mr. Hickox was interested if he could also have the lot to the South of the church site, which the Vestry still hoped to buy.

At the Vestry meeting Mr. Davis reported that he had over 30 people ready for confirmation. He stated the Building Fund was progressing satisfactorily. The Vestry voted to have Mr. DeFreitas handle all money in connection with the building program.

Mr. Kraft presented a letter from M.K.&T Railroad, giving the church a large brass bell, to be used in the new chapel. It was accepted, but in the letter of appreciation it was stated that if the church could not use the bell it reserved the right to pass it on to another church.

The Vestry received a letter from the Rev. Mr. Orr, of the Midwest City Episcopal Church, requesting first consideration for All Souls' little Chapel. They also received a request for the Parish House from Pauls Valley Mission Church. The Vestry

deferred action on this until they were ready to vacate the buildings.

In May the Vestry commended Mr. Robert Coons, of the National Fund Raising Services on his work. The church had reached their goal of \$200,000.00 and the congregation was in high spirits over their accomplishment.

The women of the church sent used clothing for Korean relief in May. They mailed their own packages to Grace C. Haskell, in care of the U.S. Army.

Mary H. Barnes made a plea for more Sunday School teachers. Those responding were Mrs. Benson, Mrs. Lyle, Mrs. Hawk, John Thompson, Mrs. Birdseye, Mr. Bloodgood and Mrs. Bonnell.

In June the Vestry finally agreed to have Mr. Bill Parr make plans to add on to the Rectory. They voted to let the air conditioning of the church go until the following year.

The Vestry passed a resolution in Memory of the late Charles Evans, who passed away June 11, 1953.

Still hoping to buy the lot to the south of the building site, the Vestry assigned Henry Griffing, who was going to England, to attempt to contact the owners. The owners had gone there on army duty. This proved futile.

When the Rector went on his vacation, he went to Orlando, Florida, in one final attempt to locate another heir to the property. This owner refused to sell her interest.

The Vestry appointed Bayard Auchincloss to investigate an organ for the new church. He recommended an organ made by Aeolian-Skinner Corporation, to cost about \$20,000.00. No action was taken on the suggestion.

Mr. John Spradling was appointed chairman of the Annual Canvass. Other business taken up at the September Vestry meeting included, the first payment to Parr and Aderhold; a loan on the Rectory of \$8,300.00, with payments to run \$230.00 a month; a discussion with Mr. Hickox and Mr. Radford, concerning the lots offered on the corner of Pennsylvania and Sixty-Third Street, costing \$4,500.00 an acre, for 4.35 acres of land; and the possibility of securing the lot to the South of the building site. The Vestry had not given up on buying this vacant land.

Messrs. Hickox and Radford agreed to purchase All Souls' land on Pennsylvania, if they were able to secure the lot to the South by the first of the year. They would then sell the church the corner lots, providing that Mr. Culbertson was agreeable to this. This exchange could not be worked out.

A special meeting was called September 16, 1953, at the Oklahoma Club. The Vestry voted to purchase the Northeast corner of Sixty-Third and Pennsylvania for \$19,575.00. They also kept the old lots hoping sometimes in the future to acquire the South lot.

The women were still working hard on the Equipment Fund. A September report showed \$4,066.67 and a checking account of \$284.62.

The Town of Nichols Hills approved the zoning of the newly bought lots for church purposes, in October.

At the Vestry that month, John Spradling reported that the 1954 budget was set at \$22,500.00. (This sounded like a staggering sum to the congregation, who wondered where it would all come from.) Other business included, giving \$25.00 to the Gideons for bibles; approving the Rectory plans, and voting to proceed with construction with a supervisor; and a request from Mr. Davis for \$200.00 the cost of vestments for a Junior Choir.

A letter was received in November from Dr. Craig, of the National Council Architectural Committee, who suggested a few minor changes in the church plans, but praised the plans as a whole. Mr. Hassler urged that the contracts on the new church be let in December.

A financial report was given on the Rectory, which was to be finished in eight weeks.

Mr. Davis raised the question whether the new kitchen should be gas or electrically equipped. The electric kitchen cost one-fourth more money. The Vestry advised that this was the women's decision, since they were paying for the equipment.

The women voted to buy electrical equipment for the kitchen. They also voted to start a mile of pennies, collecting what everyone had in their purses at meetings, to go into the fund.

The Auxiliary Treasurer reported \$4,141.47 in the Equipment fund; \$1,210.47 in the Auxiliary bank accounts; and a collection of \$90.00 from the United Thank Offering in November.

New officers elected were, Mrs. Charles Evans, President; Mrs. John Hassler, Vice-President; Mrs. D. F. McNeil, Secretary; and Mrs. Robbin Smith, Secretary.

The Vestry increased the church secretary's salary from \$75.00 a month for part time work to \$200.00 for full time work. She was Mrs. Swatek.

Lay readers listed in December minutes were, Henry Kraft, Homer Smith, and Eric Bucher.

It was reported in December, that the blue prints for the church would be ready for the Annual meeting. Other business included a report from Mr. Spradling that 87% of the pledge cards were in, totaling \$19,241.00; a request from Mr. Robins that the Advent offering be raised from \$109.00 to \$150.00; and the approval of a list of contractors who were to submit bids on the new church by January twenty-eighth.

1954

The Annual Parish Meeting was held January 11, 1954, at Casady Hall dining room. The room was filled with eager people wanting to get their first glimpse of the church's blue prints.

After dinner the Building Committee was introduced, and the building plans were discussed. Those on the Committee were, Mrs. H. R. Benson, Mary H. Barnes, Mrs. Bert Mulvey, Wilson C. Hamor, Henry Kraft, Jr., Barney Stewart, Jr., John J. Hassler, Walter Campbell Sr., John Beckham, and Mrs. C. L. Frates, Chairman.

After the report was given, Mr. Davis announced the church had grown to 436 communicants.

Mr. Harold Jenkins was elected Senior Warden, that night; Dr. John Lamb, Junior Warden; Messrs. Ray Diehl, Dale Chegwin, and J. O. Givens were elected to the Vestry.

In January the women became dissatisfied with so much work at the men's breakfasts and so little profit. The Vestry voted to guarantee them a profit of \$25.00 a breakfast, but that any excess profit was to be carried over to the time a deficit occurred, and be used to help pay for it.

Mr. Voorhees was elected Secretary of the Vestry and Mr. DeFrietas, Treasurer. Mr. Beckham was authorized to rewire the old part of the Rectory which was not in conduit, thus preventing a possible fire. The date for opening bids on the new building was changed to January Twenty-Ninth.

When the bids were opened for the new church, McCrae and Noftsgar had the low bid of \$343,494.00. The high bid was \$479,900.00. The Vestry held a big discussion on the bids but deferred taking action on them until February.

At the February Vestry meeting Mr. Mee reported that about \$50,000.00 in cash had been sent in on building pledges, but they were in arrears \$8,000.00 on others. The Vestry voted to send out statements to members. Mr. Spradling reported the Annual Canvass had reached their goal, having pledges of \$22,380.00.

Mr. Hassler reported the Broadhurst Foundation of Tulsa was interested in helping finance the loan or the new building. A committee was appointed to contact this foundation.

Mr. Fred Daugherty, Keyman of the Parish, was appointed church chairman for the Builders for Christ Fund for the Oklahoma Diocese. This campaign was set for May.

Other spring business included Mr. Davis attending the College for Preachers, for which the Vestry allowed him \$100.00 for expenses; carpeting the Rectory at the cost of \$850.00; and negotiations with Home State Life Insurance Company, through Mr. Chegwin, for a possible loan.

Bishop Powell was guest speaker of the Women's Auxiliary in April. He gave them a most inspiring talk. It was announced Mrs. Charles H. Mee had been elected President of the Altar Guild. The balance in the Equipment Fund then totaled \$6,032.00.

The Fiscal Committee reported in May that they were unable to secure a mortgage through normal channels. After much discussion the Vestry voted to form an express trust, in which members of the church participated. This provided funds or pledges to make a firm commitment to the Liberty National Bank and Trust Company, for a first mortgage loan. The church was to pay 6% interest on the money loaned the Vestry.

On June second, the Fiscal Committee reported \$63,000.00, in subscriptions and by June sixteenth, the fund totaled \$85,000.00.

After much discussion by the Vestry they decided they could safely spend \$225,000.00 to complete the Parish House, deleting the sanctuary at that time. The Vestry voted to present the plans

to the Liberty National Bank and Trust Company for a construction loan.

The Vestry held a special meeting Sunday, June 27, 1954, to authorize the Rector to ask permission from the Bishop and Council for All Souls' Episcopal Church to borrow \$250,000.00 for construction of the Parish House.

The Vestry then voted to enter a cost-plus contract, with a maximum figure, with McCrae and Noftsgar to construct the building. The Ground Breaking ceremonies took place July 11, 1954, at Sixty-Third and Pennsylvania. John Carlson carried the cross, leading the procession, and the Rev. Walton Davis consecrated the ground.

At the July Vestry meeting the Rector reported the Bishop and Council had met with him and Messrs. Chegwin, Hassler and Voorhees, and had agreed for the church to borrow \$200,000.00. A certificate, signed by Bruce McClelland, Secretary of the Episcopal Church Foundation of the Diocese of Oklahoma, was given these Vestrymen to certify their power to borrow the money. (Bruce McClelland was the same man who as Senior Warden of St. Paul's Cathedral, had helped to promote the founding of All Souls' Episcopal Mission.)

On July 14, 1954, the Vestry voted to accept the bid of McCrae and Noftsgar of \$246,700.00, to construct the Parish House on the revised plans of Parr and Aderhold. They deleted, besides the sanctuary, the air conditioning costing \$21,270.00; painting costing \$735.00; and \$863.00 of electrical cables, which could be added later. They voted to secure a long term loan.

By August the Vestry had chosen Tennessee Crab-Orchard stone for the building. They voted to put \$77,500.00 of All Souls' Mortgage Trust money into an open savings account at the Liberty National Bank.

The minutes of the September Vestry meeting were filled with business details for the new church. They were concerned with Public Liability and Property Damage insurance; Builders Risk insurance; and appointing Messrs. Jenkins, Campbell, and Givens, to meet with Parr and Aderhold to settle the supervision of the construction of the new building.

At the September meeting of the Auxiliary, Mrs. Evans reported that \$1,200.00 had been raised at the Country Fair, and that \$136.15 had been collected for the United Thank Offering. During October the women gathered clothing for St. Elizabeth's Mission Home, in Wakpala, South Dakota. The Equipment Fund totaled \$7,282.21.

The Vestry was still reviewing the bids of McCrae and Noftsgar in October. Other business included sending the Rev. Howard A. Simpson, of St. John's, \$25.00 for holding services in August; a discussion on canvassing new members for pledges; and seeking new members in the Village area. Mr. Davis announced he would be sending weekly reports to the congregation, instead of the monthly bulletins.

Mr. McCrae reported to the November Vestry meeting that

there was considerable grading to be done on the new church lot, and since Mr. Givens had agreed to furnish some of the equipment to do this work, which was not yet available, it had delayed progress. A discussion followed on bonding the contractors and sub-contractors. Payment was approved for the Architects service and supervision.

The Vestry voted to rent a postage meter, and to assume the expense of coffee and rolls for church services, since the women were trying to hold onto their funds, wishing to be relieved of this expense.

Mrs. John Hassler was elected president of the Auxiliary in November; Mrs. Embry Barnes, Vice-President; Mrs. Clyde Norman, Secretary; and Mrs. Irene Owen, Treasurer.

At the December Vestry meeting the men voted to notify people who had given Memorials to the church Building Fund, that it would be incorporated in the church, when completed. They appointed a committee to investigate opening a church school in the Parish House; and to have a greeting committee at all church services, inviting guests to come back again.

The Couples Club was organized in 1954 by Mr. and Mrs. Walter Campbell, Jr. Homer Smith had charge of the Acolytes, and Henry Kraft helped out with services at St. David's Mission.

The year end reports reveal that Mr. Churchill E. Blakey was in charge of Ushers; Mr. James R. McEldowney took charge of the Lenten services; Mr. Tom Fielder was chairman of the Builders for Christ Canvass; and Mr. Francis Bloodgood was director of the Youth Group.

There were 39 baptisms in 1954, 40 confirmations, 4 marriages, 2 burials, and the church had 517 communicants. The congregation was composed of 180 families and 68 individuals.

1955

The Ninth Annual Parish Meeting was held at Casady School Dining Hall, January 11, 1955. One hundred and seventy-five members were present. The program at this meeting concerned the progress of the building program and the Every Member Canvass.

Dr. John Lamb was elected Senior Warden; Mr. Vernon Beals, Junior Warden; and Messrs. Eric Bucher, Fred Daugherty, and James McEldowney, were elected to the Vestry.

At the January meeting Mr. Daugherty, chairman of the Canvass, reported 190 members had pledged \$24,329.00 and there were still 40 cards out. Mr. John B. Voorhees was elected Secretary to the Vestry, and Robert E. DeFreitas, Treasurer.

A special meeting of the Vestry was called January 20, when the Vestry learned that Casady School had announced that they, too, were starting a Lower Grades School. The Vestry assigned Messrs. Vernon Beals, John Spradling and John Voorhees to meet with the Board of Trustees of Casady School, to see what could be worked out.

Mr. Spradling reported in February they were unable to work

anything out and there was to be another meeting with Mr. Davis and the Headmaster present, later.

Other business discussed included, forming a Building and Grounds Committee to set a policy to be followed on the mechanical functions of the church; janitorial help; landscaping; the feasibility of having the first service in the Parish House televised; expanding the Sunday School and Youth Group staff, by adding classes above the sixth grade; and the vacation Bible School to be conducted in the summer.

The Rector reported that St. Christopher's of Midwest City no longer wanted the church, but that St. David's Mission, now meeting in a chicken hatchery in Oklahoma City, was interested in the little church and parish house.

The women worked hard on many small projects to raise money. Mrs. E. R. Ledbetter reported her Unit made \$194.50, selling Christmas tree skirts, and were continually selling baked goods. The Auxiliary voted to have four past presidents on the Kitchen Committee, along with a member from each Unit. These women were to make plans for the new kitchen. They were, Mrs. Hassler, Mrs. E. R. Ledbetter, Mrs. Beals, Mrs. Chenault, Mrs. Gettler, Mrs. Truss, Mrs. Suffield, Mrs. Douglass, and Mrs. Evans, who served as chairman.

Guest speaker at this February meeting, was Mrs. Helen Boyles, an Episcopal Missionary from the Philippines. She gave the Auxiliary a report on Solidaridad, a native student, who the women had aided with financial help when she was in school.

Mrs. Frates gave a report from the Furnishing and Building Committee in March. Since it was within the limits of money to be expended, the Vestry voted unanimously to accept it, expressing their appreciation. They also approved the installation of a five-station intercom-telephone to rent at \$50.00 a month; and a bill for grading land for \$932.15.

Mrs. Bert Mulvey gave the Vestry a report from the Drapery Committee in April but they deferred giving their approval on this until the furnishing appropriation could be studied. At this time the Vestry was severely criticized for not assigning work on the new church to the congregation as a whole. They were attempting to use the Building Committee to continue with the furnishings. Most everyone wanted the joy of doing some small job in completing the church, other than just paying for it. At the April Vestry meeting it was announced that as many members as possible would be used to complete the church interior.

Other business included, authorizing the Senior Warden to borrow up to 90% on all outstanding pledges to the Building Fund; discussing the O.G.&E. request for a ten foot easement for electric lines on the North side of the Parish House; the Vestry voting to give them only five feet if the lines were laid underground; and reviewing an estimate of \$5,344.10 for ceilings for the lower floor. This was in addition to the base contract, which was approved.

A special meeting was called in late April to hear a report

from Mrs. John Hassler. The Auxiliary lacked the money to complete the entire kitchen as planned. The women were diverting their interest to the parlors, a more elaborate Altar, and other needs of the church. They were dividing into small opposing groups to keep all their money from being spent in the kitchen. The Vestry, not wanting to be caught in the conflict, decided to write a letter to the Auxiliary concerning available finances, if any, from the Building Fund.

They turned their thoughts to a drainage problem, and the grading on the new church grounds. When it rained hard, water came in on the floor on the lower level. Before sewers were installed, (months after the church was completed), men were often called out on rainy nights to come help sandbag the back of the church to keep the water out.

The Kitchen Committee proceeded with their work. They visited several church kitchens, attempting to plan All Souls' with the greatest possible efficiency. To try to keep the funds in hand the President of the Auxiliary called for all Units to turn in their money, excepting \$50.00 for expenses. When the money was added to the Equipment Fund it raised it to \$8,097.76.

The women immediately made plans for a Fair to be held in the new church the coming fall. Other business included discussions on a tract rack; on the Kitchen Equipment Fund versus funds raised in the future, needed in more important areas in the church; and the announcement that Mrs. Don F. McNeil had been elected President of the Altar Guild.

At the May Vestry meeting it was announced that Casady School would open a grade school in September. The Vestry discussed the furnishing of the Sunday School and Kindergarten rooms. They assigned Mrs. Frank Grass chairman of this project, assisted by Mr. John Spradling from the Vestry. Mr. James Harris was appointed chairman to see after custodian services and supplies, and an unnamed committee was appointed to screen outside applications for use of the new church.

Mrs. Stirtz announced at the May Auxiliary meeting that her committee had completed their Kitchen plans and were ready to order the equipment. The women voted to give her permission to go ahead with the work. Mrs. Rowlett added \$81.00 to this fund as a gift from the Fleur de Lis girls, made from a recent bake sale.

Mr. Davis reported the progress of the new building, anticipating it would be ready to move into in August. He announced that many committees were needed to help and the women would be asked to perform all sorts of tasks. He hoped to enlarge the Sunday School, having Junior and Senior High School groups, and he needed help with this, also.

Some of the women still not satisfied with an electric kitchen demanded another vote be taken on this matter. To have peace, the women voted again, the electric kitchen still winning over gas equipment. A long heated discussion followed the vote on the kitchen versus furnishings for the rest of the church. The

women voted to set aside the Annual Fair funds for the kitchen, but all other money raised was to go to projects the Units wished to spend it on. All money was to go through the Auxiliary Treasury to make sure the women received full credit for their work.

Even the Altar Guild had problems. They called for a special meeting with the Vestry in May, Mrs. Grass and Mrs. Douglass representing the Altar Guild. They reported that the blue prints for the Sacristy had never been presented to the Altar Guild for inspections, and that it had been discovered that a large storage closet made of concrete, now stood in the middle of the East wall making it impossible to build needed storage cabinets to hold linens, vessels, and other needed supplies. Too, the blue prints now examined, did not reveal arrangements for any drawer space for linens.

The Vestry looked over the blue prints, then viewed a plan for drawers and cabinets, drawn up by Mrs. Grass, which the Altar Guild had approved. The Vestry voted to remove the closet and to pay for the chest of drawers to cost \$300.00.

The rest of the unfinished church and furnishings then came under discussion. The Vestry reviewed the cost, instructing Messrs. McCrae and Nofstger, and Parr, (who was present), to present bids and estimates to complete the work.

The Vestry voted to inform St. David's Mission that they were to have the present buildings, when available, providing they removed them at their expense and restored the premises of the church to its original condition on the parkway. (This building was moved on to Moore in 1966, becoming the Holy Apostles' Mission).

Other special Vestry meetings were called in June. They discussed the floors, accepting a bid of \$3,180.00 from the Harold Parker Company; they voted to buy prayer books and hymnals costing \$900.00; they voted to make the front of the Parish House more presentable to the public by constructing steps to cost \$909.70; and they discussed the delays and errors that added additional cost to the construction, voting to write a letter to the architect stating their displeasure.

Since the Architects drawings for chancel woodwork was too elaborate for temporary use in the Parish Hall, the Vestry voted to return the plans to the Building Committee, asking them to be redone in a simple design, not to exceed the amount set aside for the work.

Draperies for the Parish Hall were ordered from the Gray House who made a low bid for advertising purposes. Mr. and Mrs. Paul Snetcher paid for these curtains at a later date. Others who gave curtains were Dr. and Mrs. M. F. McKinney, for the North Lounge.

In late July Mrs. Evans reported to the Vestry she needed help with decisions on the kitchen. The Architect and Mr. James Harris were assigned to help the Kitchen Committee. In the end the Vestry determined what equipment and what bid would be accepted.

In August Mr. Harris and Mr. Davis were authorized to hire a custodian at \$200.00 a month, and to buy the necessary supplies and equipment for him. It was made plain that the Rector would be the one giving orders to the custodian, and that he was not to spend time doing chores for members. His time was to be spent on the church property.

Other business discussed was the play school operated by Mrs. Royal Prince, who was to be assigned classroom space in the new building for which she was to pay rent; and the authorizing of Mr. Chegwin to borrow \$33,600.00 to pay the August bills.

The exact date of the move from the old church to the new one is not known, but it was around the first of September, 1955. The first service was held in the Parish Hall on September 11, 1955. To say that it rained this day was to put it mildly. Members attending this first church service waded in mud, ankle deep. When they left the church many carried their shoes in their hands.

At the Vestry meeting, the following week, the main subject discussed was the freshly graded earth and what could be done about it. Since no money was available to care for this project it was hoped dry weather would soon arrive. They turned their thoughts to Mr. Harris' report on the custodian who was trying to clean the mud from the halls. Mr. Spradling reported Mrs. Prince had agreed to pay 20% of her gross income, with a minimum of \$100.00 per month, for rent on two Kindergarten rooms, downstairs.

It was reported the Kindergarten rooms needed sinks and cabinets which would cost \$441.00 unfinished. Mrs. Prince had agreed to contribute \$100.00 towards the cabinets; Mrs. Grass had contributed \$145.46 plus the painting and finishing of the cabinets; and it was suggested that the Vestry assume \$205.54 using the rent from Mrs. Prince to cover this expense. The Vestry voted their approval.

The following Sunday it rained again. Plank walks were provided for walkways. The Vestry met again to discuss surfacing walks, driveways, and parking areas. It was hoped the grounds would be dry for the Annual Auxiliary Fair, to be held the following week.

The first Auxiliary meeting held in the new church was on September 13, 1955. The Treasurer reported a balance of \$8,309.01 still in the Equipment Fund. Though most of the equipment had been ordered very few pieces had arrived. It was hoped there would be enough in place to serve dinner the night of the Parish Fair.

Mrs. Evans reported 106 of the 360 place settings of china and silver had been sold to members of the church. She announced that she had a loan of dishes for use at the Fair. The women voted to install a bulletin board in the new kitchen to carry notes on Auxiliary matters to keep the women informed.

Despite the mud, the Fair was held September 22, as advertised. Besides the dinner served, there were hot dog booths, booths

with old books, records, fortune telling, games of skills, white elephants, handiwork, baked goods, canned goods, jeep rides, pony rides, parcel post packages, cake walks, sand piles to stake claims to hunt buried treasures, gifts, dolls, home made candy, make up booths for young ladies as well as old ones, and human auctions of members to perform special services as Santa Claus, serve exotic dinners, give lectures to clubs, wash windows, baby sit, and other chores. Everyone had fun and enjoyed seeing the church. Some of the outsiders who came, later became members of the church. The Fair netted about \$1,600.00.

Bishop Powell was guest speaker at the Auxiliary in October. He reported on his trip to Hawaii to the Episcopal Convention. At the convention, Mr. Charles M. McCrae was elected head of the Seventh Province, of western states, for a three year term.

Business at this meeting included a report that the rest of the large kitchen equipment would soon be installed; that 181 place settings were sold and the women should set their goal of 300 settings by October 21, in order to have enough to serve the Annual Parish Meeting in January; that the Sunday School rooms needed items, it was hoped the women might donate; and that it was hoped that furnishings suitable for the two lounge rooms could be found in discards in members homes. Mrs. Howard asked for clothing for San Juan Indian Mission in New Mexico, and St. Augustine's Mission in North Carolina.

T. Ray Phillips reported to the Vestry about the driveways and parking areas in October. He suggested they could be surfaced to a depth of four inches with an asphalt base for about \$2,000.00. The Vestry voted to do this work. Dr. Lamb discussed the need of walks, one to the front door, as well as the side doors. Mr. Givens estimated this would cost about \$375.00. The Vestry voted to have this done immediately. Other business included buying a polisher and waxer for the floor tiles for \$204.00.

Messrs. McCrae and Noftsgger discussed with the Vestry the extras they had done, authorized by the Architect. The Vestry was amazed at the report. They voted to call a special meeting having everyone concerned present, with their own attorney-advisor present.

The Vestry gave Mr. McCrae a vote of "Thanks" for his sacrificial work for the church, parish, Diocese, and at the General Convention. (Mr. McCrae told members, years later, that he built the church at the cost of several thousand dollars from his own personal funds.)

Wesley Smith was thanked for moving the church equipment from 1611 Huntington to the new church, in his Bekins moving van.

At a special meeting of the Vestry on October 27, 1955, the

sum of \$18,825.43 was approved for miscellaneous bills on the church, providing credit was given for \$399.95 for steel basement window frames installed by error. Mr. Parr agreed to this.

The Vestry then went into a closed session and discussed other bills. They voted to pay no more than \$8,000.00 of the \$11,817.76 bills presented. This was to be paid when a release was signed by Mr. Parr, after all bills had been paid.

The church held a Sunday Barbecue, November 5, 1955, for all Episcopalians in Region One, at the farm of Doctor Robert Adams. The invitation stated that there was to be fishing and horse shoe pitching contests starting at two P.M. It ended with dinner and a campfire in the late evening.

Dean Hammond from St. Paul's Cathedral was guest speaker at the Auxiliary in November. A report on the Kitchen revealed that only \$1,050.00 remained in the Equipment Fund. There was a plea for help in the Nursery. Unit Four thanked members for donating and attending their Bake sale.

Mrs. Eric Bucher was elected President of the Auxiliary in December. Mrs. Richard Riggs, Vice-President; Mrs. B. W. Hoover, Secretary; and Mrs. Caroline Bonnell, Treasurer.

At the December Vestry meeting Howard Bozarth was appointed chairman of the Every Member Canvass. The budget was set at \$46,000.00. The members, hearing this, gasped. Many predicted that if we weren't careful our property would finally belong to the Baptist Orphans Home, just across the street.

1956

The Tenth Annual Parish Meeting of All Souls' Parish was held in the new Parish Hall, January 16, 1956, at 3:30 P.M.

Members of the Building Committee were thanked for their work. Besides others previously mentioned, they were Mr. Homer Smith, Dr. Lamb, Mr. Vernon Beals, Mr. J. O. Givens and Mr. James McEldowney.

Others thanked were Mrs. Harry Mee, head of the Carpet Committee, and Mrs. H. R. Benson, who followed Mrs. James Chenault as head of the Junior and Senior High School Committee, for furnishing the two lounge rooms.

Reports for the previous year showed Nicole Puzin was President of the Fleur de Lis; Mr. Charles M. McCrae was Keyman of the Parish; Bill Robertson headed the Couples Group; Mrs. Florence Sutton was Supt. of the Pre-School; Mr. Jim Law was Superintendent of the Grade School Department; Mr. William E. Branham, Jr., was Superintendent of the High School Grades; and Mrs. Mary H. Barnes was General Superintendent. Sixteen teachers and twenty assistants, not listed, helped them with their work.

Mr. Vernon Beals was elected Senior Warden for the following year; Fred A. Daugherty, Junior Warden; and Messrs. Ray Demit, Howard Bozarth, Henry Griffing and William Morrison were elected to the Vestry. At the January Vestry meeting Mr. De Freitas was elected Treasurer, and Mr. Chegwin Secretary, to the Vestry.

Other business taken up in the January meeting was settling the final bills with the Architects and Contractors, and getting lien waivers on labor and material.

The women were still discussing the Kitchen versus the rest of the church in January. They voted to dissolve the Kitchen Committee, and to use the \$1,300.00 in their bank account for a mimeograph and addressing machine for the office.

In February Mrs. Howard Gettler was named chairman for the next Annual Fair. The women voted to have Family Night dinners each Wednesday in the church hall. The first dinner was set for February 22, to follow the Fleur de Lis pancake supper on Shrove Tuesday. Other business taken up at the meeting was announcing that Mrs. Major Park was donating her time as baby sitter on Auxiliary and Unit meeting days; that the Senior Assembly would have a Valentine dance in February; and voting to send \$10.00 to the Marsateen Leper Colony in Liberia.

Mr. De Freitas, who was moving out of the state, resigned as church Treasurer in February. Mr. Davis and Mr. Beals were appointed by the Vestry to hire a Secretary-Treasurer, not to be paid over \$225.00 a month.

Mr. Bozarth reported at this Vestry meeting that the total pledges for 1956 came to \$42,300.00. The Vestry voted to adjust their \$46,000.00 budget to this amount. They also reviewed all insurance policies, and assigned Mr. McEldowney, C. L. Frates, and E. R. Ledbetter to do this work.

Mr. Harry Suffield was thanked for his work as chairman of the Ushers, followed by the reading of a letter from the Casady Board of Trustees, who wanted to lease class room space for their Elementary school. A committee was appointed to meet with them.

The Vestry voted to pay bills for plumbing in the Kindergarten room, and for an electric heater in the Sacristy. They hired Mrs. John Schott as Secretary and Assistant Treasurer at \$185.00 a month.

Business taken up in March included appointing Mr. Stan Norman as Keyman of the Parish; voting to change the church's bookkeeping system at the cost of \$25.00 for new books; voting to hire a permanent attendant for the nursery for Sunday Services; and discussing Mr. Spradling's report from the Casady Board of Trustees, who wanted to lease the lower floor of the

Parish House for \$6,000.00, annually, providing the Vestry would install cabinets for storage and blackboards. The Vestry voted to accept the contract with the Trustees.

The women, still concerned about the kitchen, in March, voted to allow \$500.00 for operating incidentals. They also voted to give \$730.14 towards the Sunday School room floors.

At the April Vestry meeting the Rev. Walton Davis announced he had received a call, which he had already accepted, to go with the National Council of Episcopal Churches, to assist with their Christian Educational department. He tendered his resignation. The Vestry regretfully accepted it, wishing him every success in his new duties. Since he planned to leave in May, he asked for the use of the Rectory until he could find housing in Connecticut. The Vestry agreed to this, voting to pay his salary until June 1, 1956.

Mr. Harry Thomas attended this meeting, outlining the tree and shrub planning program for the school grounds. The meeting closed with Mr. Beals discussing the problems of securing another minister. Mr. McCrae was appointed chairman of a committee to recommend a new rector, with the former Senior Wardens of the church helping him.

A Farewell Dinner was given the Davis Family on April 25, 1956, at the Parish Hall. They were presented with a new car as a gift from the church.

At the last Vestry meeting Mr. Davis attended he gave the Vestry a number of recommendations in choosing a new Rector. He urged the Vestrymen to attend all church functions and to keep the members informed on church business.

Mrs. Churchill Blakely was elected President of the Altar Guild in April. She reported the needs of the Guild to the May Vestry meeting, and they allocated her \$100.00 from the General Funds.

Mr. Beals reported at this meeting that the drive for donations for basic planting of shrubbery netted \$589.00. Mr. Dimit estimated the grass planting to cost \$840.00 and fertilizer \$147.50 totalling \$987.50. He stated Kenyon Nursery would guarantee that the lawn would grow on red clay, and that if they planted it, the church could delay payments for six months at six percent interest. The Vestry voted to authorize Mr. Dimit to proceed with this work.

At the June Vestry meeting Mr. H. L. Douglass was elected to the Vestry to fill the unexpired term of Mr. Ray Diehl, deceased. Business at this meeting consisted of voting to pay a bill for \$87.00 for coffee and cakes served at the Auxiliary at the eleven o'clock services; discussing the needs of the Parish and the qualifications of the new Rector . . . which continued until ten P.M.; and inviting the Rev. A. S. Hock, a retired minister from Stillwater, to conduct the church services.

Chapter V

ALL SOULS' UNDER THE REV. RUSSELL T. RAUSCHER

June 1956-1961

At the June meeting Mr. McCrae reviewed the prospects for a minister to the Vestry. He recommended the Rev. Russell T. Rauscher of St. Andrew's Parish, Lawton, Oklahoma. Messrs. Dimit, Bozarth, Bucher, Chegwin, and Stan Norman, Keyman of the Parish, were appointed to go to Lawton to observe services June 24, 1956.

Mr. Chegwin then reviewed the finances of the church. The Vestry voted that all purchases should come out of the General Fund, after the church Secretary had approved them, along with the church Warden or Treasurer.

June 27, a Special meeting was called to report the findings at St. Andrew's church in Lawton. The men were complimentary on the service. They found the church had progressed under the Rev. Mr. Rauscher. The Vestry voted to extend him a call to come to All Souls' Parish.

Mr. Spradling then showed the preliminary sketches for cabinets, door openings, drinking fountains, etc., for the church school on the lower floor. The Vestry directed him to secure bids and confer with the Senior Warden and Treasurer before signing contracts.

The Treasurer was authorized to borrow \$4,000.00 to pay bills and to renew a note of \$53,000.00 due June 30, 1956.

In July the Rev. Mr. Rauscher attended the Vestry meeting on an informal visit. When he departed the Vestry voted to offer him \$7,200.00 as a starting salary. He was also to have an automobile allowance of \$100.00 monthly; the use of the rectory with bills paid; and payments on his pension fund.

As further inducement, he was offered \$600.00 a year for a two year period if he could increase the church membership by 100 members each year. He was advised he could later bring the Rev. Mr. Jackson, who he had hired to assist him at Lawton. But the Vestry was hopeful Lawton would detain him awhile. They agreed, also, to redecorate the Rectory.

At the Vestry meeting July 23, 1956, Mr. Beals read a letter from the Rev. Mr. Rauscher accepting the call. He agreed to assume his new duties at All Souls' September 1, 1956.

At this meeting Mrs. W. D. Griso discussed furnishing the lounges of the church. Mrs. Chenault was appointed chairman of the Lounge committee with Mrs. Gibson, Stirtz, McFarland, and Mrs. Grisso helping. The Vestry decided to work with this group.

Other business included voting Mrs. Schott, the secretary, an increase in salary to \$225.00 a month; a discussion on outside organizations using the church; and to delay the annual Canvass for pledges until the new minister arrived.

The Rev. Mr. Rauscher arrived promptly on September 1,

1956. He was also prompt to inform the congregation that he wished to be given the title of "Father Rauscher". This was quite a change from the Rev. Mr. Davis who was happy to be called Walton. Many members raised their eyebrows at the "Father Business", fearing he was going "High Church".

The Rev. Mr. Rauscher held his first church service September second. At the September Vestry meeting the fall Building Fund Drive was discussed, and Mr. William Branham was appointed chairman of the yearly canvass.

The women of the church held a reception for the Rev. and Mrs. Russell T. Rauscher, and their daughter Katie, on Sunday, September 23, 1956 from seven to nine o'clock in the evening. Mrs. Vernon Beals was chairman of this event.

In October, Warden Beals reported discussions with several members to the Vestry. He suggested the church have a campaign to retire the present debts and raise money to complete the church, including air-conditioning. After much discussion the Vestry voted to have the canvass immediately and to consider a building campaign.

At the Auxiliary that month, Mrs. Stirtz reported that 74 women had pledged to the women's work and 73 of them had paid in full. It was reported the gross amount made on the Fair totaled \$2,930.05. Mrs. Howard Gettler was complimented on her work as chairman of this event. The women voted to split this money, for the good of the church, between the kitchen, lounges, and flooring for the Sunday School rooms.

A special meeting was called by the Vestry for November 5, at which time the Vestry voted to proceed with the building drive. They decided to employ the National Fund Raisers, Inc., of Fort Worth, again, providing the fee was reasonable.

When the women met in November they voted to sponsor a family of displaced persons. They reduced their eight Units to four Guilds so that each would have better attendance, and voted to charge fifty cents for lunch at meetings. The Treasurer reported \$1,300.00 had been given to them by the Assembly.

At the December Vestry meeting Mr. Beals announced that the National Fund Raisers had been hired for \$4,500.00 for a six weeks campaign.

A letter was read from the Right Rev. Chilton Powell, who had heard of the proposed drive. He wished All Souls' "God Speed", saying, "I have every reason to believe All Souls' Parish is moving into a new era of spiritual power and evangelistic success."

He also stated his major concern was that the church be built with air-conditioning, and that major furnishings, such as the altar, windows, organ, and other refinements, could be accomplished through a well planned system of memorials. He further stated that material success was often uppermost in American life, but that material success according to the Christian pattern was "As an outward and visible sign of inward and spiritual grace."

Probably to assure peace, Mr. Bozarth entered a motion that the Kitchen Committee be dissolved and that all future purchases be approved by the Vestry. The motion carried. The Vestry then voted to renew a note at the Liberty National Bank, due December 28, 1956 for \$48,000.00.

Father Rauscher noted the church would have a Choral Eucharist at the Christmas Eve Service, which would start at 1:30 A.M. This was to be preceded by Vespers for the children at 5 o'clock in the evening.

1957

The Annual Parish Meeting was held January 14, 1957 in All Souls' Parish Hall. The main topic of discussion was the proposed building campaign. This was a great shock to most of the congregation. The Rev. Mr. Rauscher had announced from the pulpit, on his arrival, that he planned to build up the membership of the church rather than launch into another building program. Sitting in the uncomfortable folding chairs, the members had mixed emotions. They admitted to themselves the Parish Hall was already crowded on Sundays, and that it was not their idea of a church. But they were aghast at the thought of borrowing more money and having another campaign for pledges.

Fred Daugherty was elected Senior Warden; W. P. Morrison, Junior Warden; and Messrs. Blakey, Fielder, Norman, and Beals were elected to the Vestry.

At the January Auxiliary meeting the women discussed with reluctance their release on the kitchen. They voted to submit a letter stating the Kitchen Committee was dissolved but giving estimates on the "remaining needs." A copy of the letter was to remain in their permanent file. Minutes of that meeting reveal that Unit C had furnished the Ladies Powder Room.

At the February Vestry meeting Mr. Dale Chegwin was elected Treasurer. Business taken up included liability Insurance, space for a religious bookstore in the church which the Bishop wanted to open for the Diocese, and office space for a new Director of Religious Education, also for the diocese. This was approved by the Vestry.

Mrs. Eric Bucher, President of the Auxiliary, still not happy about the Kitchen, reported the status of the Kitchen to the Vestry, asking for advice on the use of additional funds. Mr. Dimit was assigned to investigate this.

During March the Vestry traded the addressing machine in on a reconditioned machine costing \$515.65. They appointed the new building committee, making Henry Griffing chairman, with Boston Smith, Churchill Blakey, Tom Fielder, Paul Snetcher, and Vernon Beals assisting him. Mr. Beals was also made head of the air conditioning committee with Messrs. Willard, Lichtenheld, and Blakey helping him.

Mr. Willard reported he had air-conditioning bids, recommending Comfort Inc. at the cost of \$12,282.00 plus water lines to the condenser to cost about \$1,400.00. The equipment was to be

Chrysler Air-Temp. To cool the proposed sanctuary, an additional \$5,770.00 was needed. The Vestry voted to have the work done.

In the late spring Mr. Spradling advised the Vestry that Casady Elementary School needed additional room, including what the Kindergarten was then using. The Vestry advised Mr. Spradling to notify Mrs. Prince to move her nursery school elsewhere and to negotiate with the Casady Trustees for a rent of \$12,000.00 for the 1957-58 term.

Father Rauscher reported to the Vestry that the women of the church had agreed to build cabinets in the space between the lounges. A refrigerator and stove had been donated so that small groups could be served in that area, rather than from the main kitchen, which would be a big savings.

Mrs. R. M. Riggs was elected President of the Auxiliary in March; Mrs. Harold R. Benson, Vice-President, (She later resigned and Mrs. M. S. McEldowney replaced her); Mrs. Charles L. Allen, Secretary; and Mrs. James R. Harris, Secretary. Mrs. Churchill Blakey was president of the Altar Guild.

The women concluded their work for the year by sending clothing to St. Joseph's Mission in Puerto Rico; gathering toys, supplies, and books for the nursery of the church; giving fifty dollars to a young student in the church who needed help; and by sending a check to St. Luke's hospital. The women voted to start a dancing class for the young people of the church in the coming fall months.

During May the new curate, the Rev. Robert A. Jackson, arrived from Lawton. He took charge of the Education Department and Choir at a salary of \$4,200.00 a year, pension payments, a house with bills paid, and his automobile expenses paid by the church.

Since Casady School didn't have funds to pay the rent wanted for the basement area the Vestry voted to accept \$10,500.00 as annual rent. They paid \$5,000.00 in advance to help pay for cabinets, flooring, lighting, and the furniture to be installed.

Mr. Beals discussed the proposed church suggesting a new architect design it. He also suggested another fifteen feet be added to the original plans to make seating for an additional ninety persons. The Vestry voted to do this.

Mr. Daugherty discussed the Trust Loan due June 30, 1957, for \$122,000.00. He suggested refinancing the church so more money could be borrowed to complete it. The Vestry voted to accept this report.

During July a residence at 1725 Westchester Drive was bought for the Curate costing \$11,620.51. Other business included the announcement that the architects plans would be ready in August, and the Secretary announcing he had applied to a Life Insurance company for a permanent loan.

Father Rauscher advised the Vestry, during August, that they must certify that the Curate, Robert A. Jackson, was worthy to

be admitted to the Sacred Order of Priests. The Vestry voted a resolution confirming this.

September business consisted of Mr. Charles Noyes being appointed chairman of the yearly canvass, and the Vestry voting \$1,200.00 for All Souls' to donate to the campaign of the Episcopal Year of Evangelism, sponsored by the laymen of the Diocese.

Mr. Jackson was ordained a Priest on October 28, 1957, at St. John's Church, Tulsa. The Vestry gave him a cassock.

That month the Vestry voted to invite bids on the new structure and to hold up the annual Canvass until December. At the December meeting the Treasurer reported he had no funds to pay bills and he had had to borrow \$2,500.00

During December Mr. Daugherty reported the Culwell construction Company had the low bid on the new church, of \$164,740.00. The Vestry voted to accept this bid, eliminating the air-conditioning compressor and tower. They voted to negotiate for a construction loan and a permanent financing loan.

To raise additional funds for the church, Father Rauscher proposed a "Talent" contest among the members. The Vestry voted to give each adult member five dollars in cash at the Annual Meeting. This was to be used with his talents to make money for the church. The ingathering date was set on Ascension Day, May 15, 1957.

Mr. Charles Noyes reported the pledges from the Annual Canvass totalled \$47,920.00 with 83 cards still out. He was complimented for his work.

At the Auxiliary Mrs. C. L. Frates reported \$249.84 had been turned in at the United Thank Offering collection from 56 women. Mrs. Rowlett announced the Fleur de Lis girls were purchasing a window for the prayer room in the new sanctuary.

1958

January 5, 1958, a special Vestry meeting was called to discuss the final proposed bid on the new structure. Without an air-conditioning compressor, tower, or basement floor covering, but with a performance bond costing \$1,390.00 it was to cost \$165,598.00. Mr. Jack Nusbaum, the architect, was to supervise the construction. The Vestry voted to start this construction about September 1, 1958.

The Annual Parish Meeting was held January 12, 1958, at 7:30 P.M. in the Parish Hall of All Souls' Church. Father Rauscher acted as Chairman.

The new amended By-Laws were discussed. One paragraph was changed which read that, "the retiring vestrymen and Senior Warden should constitute the nominating committee submitting the names of two persons for each office of church warden, replacements for retiring vestrymen, and lay delegates to the Diocesan Convention" . . . too, that other nominations could be received from the floor at any annual meeting.

Mr. Daugherty reported on the proposed new Sanctuary, and Mr. Chegwin, treasurer, made a plea for better payment of

pledges. He pointed out that during summer months he had many financial worries.

Father Rauscher announced that 83 people had been baptized in 1957; 84 confirmed; 86 had transferred into the church; and 21 had transferred out of it. The church had gained 149 communicants. He said 35 men had been appointed to a Committee on Evangelism to assist in the Diocesan EYE program.

Mr. Dale C. Chegwin was elected Senior Warden; Mr. John Spradling Junior Warden; and Messrs. Donald S. Kennedy, Boston W. Smith, William C. Cheek, Neal Potts, Brooks Hall, and Dr. R. Palmer Howard were elected to the Vestry.

To conclude the meeting Father Rauscher explained his "Talent Project" to the congregation, and his plans for a Brotherhood of St. Andrew's. Mr. Noyes reported on the Annual Canvass. And, a straw vote was taken to see how the members felt about the proposed "Contemporary Plan" for the new church interior. The group voted to accept it, through many stated it didn't look like an Episcopal church.

St. Anne's Guild reported to the Auxiliary in January that their bridge classes had been a financial success. At this meeting the women voted to serve punch to the children following Sunday services. They discussed spending money to buy choir stalls, which were later bought with Senior Assembly money for \$1,600.00.

During February the women noted the lack of interest of many women in the church, who had not attended Auxiliary. They wondered what they could do about it. They discussed the desperate need for a housekeeper and a project to finance one. The massive kitchen equipment was already more than most women wanted to cope with.

During that month the Vestry discussed a loan from Local Federal Savings and Loan Association for \$160,000.00 to be a first mortgage at five and three-fourths percent for fifteen years, voting to accept it. They also voted to accept memorial gifts to the church placing a price of \$25,000.00 on the memorial tower. Mr. Sidney G. Frederickson, treasurer, was instructed to place memorial money in a Local Federal Savings and Loan savings account.

The Rector announced he had sent out 5,500 invitations inviting people in the area to attend the School of Religion. It was to start in February and go through Lent, being his evangelistic project.

The meeting closed with the Vestry voting to sponsor a Boy Scout troupe, and buying a boiler room door to prevent unauthorized entry into that area.

March was a very busy month for the Vestry. Dr. Howard was elected secretary; Mr. Cheek appointed representative to the Scout committee; Mr. Fielder, chairman of music, discussed plans for a men and boys choir, and the need of a new organ he was appointed to investigate; Mr. Blakey announced the organization of the Brotherhood of St. Andrew; the Rev. Mr. Jackson re-

viewed his plans for the Sunday School and vacation Bible School, requesting teachers; and Father Rauscher discussed his School of Religion stating 165 people had enrolled. Mr. Spradling, chairman of the Building Committee, regretted the delay in construction due to the weather.

The Vestry voted to use the money from the "Talent Program" to purchase the Altar in the new church so that everyone would have a part in buying it.

Mr. Rambush presented a plan for the interior of the church in writing. It is as follows: "In studying the proposed interior of All Souls' Church the artists, designers, and craftsmen should keep in mind the determined architectural style of the structure; the liturgical requirements, and thus seek to obtain a complete harmony in the decoration, lighting, significant iconography and the appointments for this interior so as to integrate these efforts in the creation of an interior which will functionally serve the liturgical requirements, compliment the architectural theme, and provide an atmosphere conducive to rest and meditation.

The heart and focal point of the entire interior is the sanctuary area. Here we would envision a majestic and architectural altar of honed limestone with a significant and sensitively carved symbol or inscription. This limestone altar would be set to the wall on a series of steps which are to be carpeted with a moss green carpet, thus in keeping with the tradition of the altar set on a holy hill. In the Old Testament whenever God wished to communicate with man this meeting took place on a high hill or a mountain. In the New Testament the glorification of Christ as Man took place also on a mountain at the time of the Transfiguration. Therefore, it would seem in keeping with this theme that the altar be set on a series of steps and these steps carpeted so that it would impart symbolic content of a green hill.

We would wish to suggest a strong altar because of the amount of wood used structurally in the interior. The Altar should be the most precious appointment in the entire interior and stone traditionally has been used for an altar of Sacrifice and also has been considered a precious material for the creation of a throne. The altar is the throne of Christ among His living saints here on earth.

Suspended above the altar would be a majestic figure of Christ, handcarved, polychromed with touches of pure gold. This figure of Christ would be affixed to a monumental cross and would be hung over the altar area; thus serving as the altar cross, and with the altar, the focal point and heart of the entire interior.

We would wish to suggest that the grille for the organ chamber be fabricated of wood and be so designed that it forms a decorative type open reredos allowing a fitting background for the Glorified Christ and altar ensemble. This organ screen would be more or less open and have a fabric behind it, thus imparting the suggestion of a wood and fabric reredos in keeping with the Gothic tradition. Further, the facing of the wood organ screen

could be enriched with some decoration and polychroming, allowing even a more precious and beautiful proposed reredos in this area.

We would also wish to suggest that the pulpit be moved to the epistle side of the choir screen. Thus we could allow the Bishop his proper enthronement on the gospel side and also because such placement of the pulpit would allow a dignity to be accorded the Word of God; whereas on the gospel side we would wish to suggest in the forward area before the chancel the placement of the Baptismal Font. It has long been in keeping with Episcopalian tradition that the font be placed in a very prominent part of the church, nearer enough the altar so there may be seemingly a dialogue between the font, which represents the Sacrament of Initiation, and the altar, which symbolically represents the Sacrament of Incorporation. We would wish to suggest that the font also be made of limestone to further accentuate its importance as a sacrament and also because, traditionally, the fonts in the great cathedrals and ancient shrines in Europe have been of stone. This font could either have a simple bronze cover with a cross or a very richly, carved, polychromed, and gilded with pure gold leaf fleche or soaring Gothic tower which would be suspended above the Font and impart an architectural dignity to this appointment in the church interior. Thus a certain balance would be created with the pulpit on the epistle side and the font on the gospel side.

We would wish to suggest that the lighting for the interior be from concealed sources which would even add a greater sense of loft to the interior as well as stress the architectural simplicity and strength. These recessed fixtures would allow a pleasing light intensity projected in the reading area below.

Stained Glass Windows—We wish to suggest two possible solutions for the nave area. The one would be inspired by the Collect of All Saints' Day, and the second by the theme of the gospel. The great facade window would reflect the thought expressed in the epistle for the day, taken from the Book of Revelations.

(Since the second choice was decided on by All Souls', I will record the suggestions for this theme).

Taking the gospel wherein Christ describes in the Sermon on the Mount the eight beatitudes, this allows to mediate that the church is the continual witness to the teaching of Christ and by the practice of these beatitudes we will be in company with the "communion and fellowship . . . , in the Mystical Body of thy Son, Christ, Our Lord." The eight beatitudes will be illustrated by themes from the life of Christ. Again starting on the gospel side, the first window would be dedicated to St. John and the Baptism of Christ. The second window would then follow out with the beatitude series.

1. Blessed are the poor in spirit: for theirs is the kingdom of God; The calling of St. Matthew.

2. Blessed are they that mourn: for they shall be comforted: The Raising of Lazarus from the Dead.
3. Blessed are the meek: for they shall inherit the Land: Christ betrayed by Judas.
4. Blessed are they which do hunger and thirst after righteousness: for they shall be filled: Nicodemus and Christ.
5. Blessed are the merciful: for they shall obtain mercy: The Woman taken in Adultery; or, Christ on the Cross forgiving the Good Thief.
6. Blessed are the pure in heart: for they shall see God: Christ and the Little Children.
7. Blessed are the peacemakers: for they shall be called the children of God: Christ putting down Peter's sword.
8. Blessed are they which are persecuted for righteousness sake for theirs is the kingdom of heaven: St. John the Baptist in Prison, Christ speaking to His disciples.

The position of this window flanks or is opposite the baptismal window in which St. John baptizes Christ. Thus there is an interesting dialogue between the forerunner who came to prepare the way of Christ and baptized Him and the eventual imprisonment and suffering of St. John who sends his disciples to Christ, for He is truly the Messiah.

The great facade window would have as its majestic theme the epistle on the feast of All Saints—the adoration of the Lamb with four and twenty Elders, the angels and the four living creatures and the communion of saints, adoring, crying out: "Blessings, and glory, and wisdom, and thanksgiving, and honour, and power, and might, be unto our God for ever and ever. Amen." There is an interesting dialogue here in the glorified conception of the Christ on the cross over the altar representing the liturgy in time and the great facade window, the adoration of the Lamb, the continuation of the liturgy in all Eternity.

These thoughts are merely to suggest a possible solution for the creation of an integrated interior in All Souls' Episcopal Church. Robert E. Rambusch".

It should be added that the large stone box underneath the Altar symbolizes the Ark and the Old Testament.

When Mr. Rambush had finished with his report he presented the design for the cross to go over the Altar which was approved.

The meeting ended with the Vestry voting to raise the organist's salary to \$100.00 a month, and to purchase a Pitney-Bowes folding machine to cost \$261.00 for the office.

Because of conflict, the Vestry voted in April to set a quorum of five members to be present at all special meetings, before any orders on the construction of the new building could be changed. At a second special meeting that month the Vestry discussed heating and air-conditioning. The cheap system of controls in the plans was not adaptable to the hot air system and a change was made which cost \$1,100.00. At this meeting Mr. Nusbaum discussed waterproofing the foundation and floors.

The Vestry worried over the decrease in building fund pay-

ments in April. They did not have the money to pay their bills. They voted to waterproof the wall and floors, and to install conduits for a sound system. They discussed the speaker system in the Parish Hall voting to spend \$585.00 for a larger amplifier. Then they listened to a report on the pews and choir stalls.

Father Rauscher reported the rectory needed papering and painting. Mr. Spradling was assigned to see after this.

It was announced that Mr. Jim Burge, one of the church members, was a director of Frontier City, on the Expressway, and that he wished a frontier church built on this property. Mr. Burge offered to give the land to the Diocese of Oklahoma, providing they built the church, maintained it, and keep it open at the church's expense. The Bishop had suggested this be a Mission of All Souls' Church. The Building fund was to be provided by the Diocese, but the church was to be staffed by clergy and laymen from All Souls' Church. The Vestry voted to undertake this project.

The Women's Auxiliary minutes were missing for March and April, but they met and elected their new officers. Mrs. Ray Dawson was elected President; Mrs. Walter B. Loeffler, Vice-President; Mrs. R. Palmer Howard, Secretary; and Mrs. Paul R. Snetcher, Treasurer. Mrs. Churchill Blakey was appointed Directress of the Altar Guild by Father Rauscher, who did away with electing officers in the Altar Guild.

The Vestry voted in May to buy pews from the Ossit Company at \$13,640.00. These pews were to be sold as memorials and were to be ordered as they were paid for.

During this month the Vestry sent a letter to Casady Board of Trustees advising them that the church would have more available space for the school. They notified them they would have to provide their own furnishings.

Father Rauscher reported that he had appointed Mr. Ross Elliott as Youth Director on a part time basis. His salary was to be paid out of the Quadrille funds. He stated his Discretionary Funds were very low and suggested special envelopes be given the congregation to supplement it. He reported the progress on the building of the new Mission at Frontier City, now called Saint Raphael's, which was to cost \$5,500.00. Many donations had been made to this project and he expected it to be completed by May 30, 1958.

At the June Vestry meeting it was reported that church funds were so low that they had to borrow \$2,500.00 to pay the summer bills. Father Rauscher revealed that 27 pews and choir stalls had been sold. The Vestry voted to order 50 pews and the needed choir stalls, to have them ready for the opening services.

It was announced the "Talent" money would not cover the cost of the Altar, but that money had been given for the Altar Cross and Font. The Vestry voted to order all of these at a cost of \$5,173.00. Since a donor had indicated he would give the Steeple Cross the Vestry voted to order this when the money

was received. They also ordered the lighting fixtures for the church.

A representative from Wicks Organ Company discussed a permanent organ in the new church costing \$35,600.00. It could be delivered in six months by leaving off non-essential pipes. The first part could be installed for \$20,000.00 but the Vestry took no action on this.

At the July meeting the Vestry discussed the paving of sidewalks and driveways; and the arrangements with Casady School, voting to pay one-half the tuition fee for the Rector's daughter to attend school there in the fall. At this meeting Father Rauscher reported the Mission at Frontier City was completed at the cost of \$6,000.00. Gifts of \$1,700.00 had been received and there was a steady income from Chapel visitors to slightly exceed the maintenance cost.

In September the Auxiliary discussed projects to raise money. They considered sponsoring House Tours, Wedding Receptions, Exercise classes, and Toy and Plant sales. They voted to employ a housekeeper to take charge of the kitchen; approved a Kitchen Supply Committee to spend money on hand for essential utensils; and discussed furnishings for the lounge. But by October they rescinded the vote and spent this money for carpeting in the new church.

During that month a Plastic Toy sale was held netting \$80.38 and the women voted to hold another one. Mrs. Charles Allen reported that the Junior and Senior Youth Groups were selling candy and collecting newspapers to earn their money to buy something for the new church. The idea of a "Rector's Guild" was presented to the women, asking for volunteers to assist the Rector where needed.

St. Elizabeth's Guild had a Christmas gift and food sale at the November meeting. St. Anne's promoted Bridge classes; St. Catherine's Guild started an Exercise Class; St. Margaret's made \$100.00 on a bake sale; and St. Catherine's Guild promoted gift wrapping lessons at fifty cents per person. The women were busy.

The fall Vestry minutes reveal that Casady School Board paid \$13,750.00 rent for the year. A report on the building contract showed this contract did not call for completion of the entire basement floor. The Vestry voted a change order to complete it at a cost of \$1,600.00. They also voted to tile the Sanctuary.

Other business included the organist submitting her resignation; the Vestry voting to raise this salary to \$125.00 a month; noting that Mrs. Roberta Evans, operator of the Diocesan Book Store, was leaving, and that it was temporarily assigned to Ross Elliott, on a part time basis. This Book Store was housed just outside the Rector's office, in the reception room.

A special meeting was called in October to negotiate a \$15,000.00 second mortgage on the church for 15 years at 5¾% interest at the Local Federal Savings and Loan Association. Later that

month the cost was estimated at \$12,900.00, and this loan commitment was approved by the Vestry.

Fire insurance was discussed, followed by the announcement by Father Rauscher that the dedication of the new church had been set for November 2, 1958, at 10 A.M. This service was to be conducted by the Right Rev. Chilton Powell, Bishop of Oklahoma.

An old newspaper clipping gave an account of the dedication. It stated that there were 1250 members at All Souls' when the new building was dedicated. The ceremony began at ten A.M. with the Bishop knocking on the wooden front doors with his pastoral staff, seeking entry. He was admitted by the Senior Warden, Dale C. Chegwin. Then a litany was sung by the choir. As the Bishop proceeded down the aisle he turned to dedicate various furnishings, including the baptismal font, the pulpit, the lectern, the altar and the Bible. Following the dedication the service of Holy Communion was held.

Those who assisted in the service were the Rev. R. A. Jackson, epistoler; the Rev. Shirley Sanchez, gospeler; the Rev. Laud Humphreys; and others. The acolyte was Jack Rowlett. Following the dedication the Women's Auxiliary held a reception in the Parish Hall. It was beautifully decorated with fall flowers, lace table cloths, and silver tea services brought from homes of members. There was also an abundance of homemade cookies to go with the refreshments. That evening at 7:30 P.M. about 70 people were confirmed into the church.

At the November Vestry meeting the insurance was increased to \$450,000.00 on the church and \$25,000.00 on the furnishings. The liability insurance was increased to \$300,000.00, with \$25,000.00 for personal property and \$10,000.00 for medical payments.

The Vestry was informed at this meeting that the construction had cost about \$165,000.00, with \$3,000.00 added for change orders. The church owed the bank \$47,584.00 and arrangements were being made to borrow \$15,000.00 more from the Liberty National Bank to take care of the bills. Mr. Chegwin outlined a proposed budget for 1959 at \$92,000.00 with \$73,314 of this to be raised from the annual canvass, the other coming from church rent.

A Special meeting was called this month by Mr. Chegwin to inform the Vestry that the loan wanted would exceed the agreement with the Liberty National Bank, and the church needed another \$5,000.00 to complete the air-conditioning. He suggested extending the date of termination of the loan to December 1959 with a total loan of \$191,000.00. The pledges of approximately \$145,000.00 would secure this until the end of September 1959 at which time individuals in the church would be requested to sign as guarantors for \$50,000.00. The Vestry voted to adopt this plan.

It was reported at the December meeting that the contractor and architect had been paid in full. The altar, cross, and font had been paid for as well as 47 of the 50 pews ordered. The

Bishop Powell, knocks at door.

canvass was in progress and it was estimated they would raise \$60,000.00 They hoped to raise more.

The Rector announced that Mr. Keith J. Mathers of All Souls' desired to become a postulant for Holy Orders. The Vestry passed a resolution for his application to the Bishop.

Other business discussed was a report on a landscape project headed by Mr. William Hulsey and Mr. Barnhart; a proposed Building Fund drive among new members headed by Mr. James B. Kite and Mr. George W. James; to hold a church conference on the work of organizations within the Parish to evaluate them; and to grade the land along Pennsylvania Avenue to provide drainage and parking.

1959

The Annual Parish Meeting was held January 11, 1959, at 7:30 P.M. in All Souls' Parish Hall. Mr. John T. Spradling was elected Senior Warden; Dr. R. Palmer Howard, Junior Warden; Messrs. Charles Allen, Lyall Barnhart, Jr., William Hulsey, Neil Ripley, Wesley Smith, Jack Tway and Dr. Howard Gettler were elected to the Vestry.

Mr. Chegwin reviewed the events of the year. Father Rauscher read the Annual Report stating the indebtedness was about \$234,000.00 and pledges to this were about \$120,000.00. He stated the Talent program had netted \$5,100.00, to date, and that the Frontier City Chapel had cost \$9,000.00 of which \$2,500.00 was still unpaid. Over 250,000 people had visited the Chapel since it opened.

He further stated that 91 persons had been confirmed in 1958; 90 transferred into the church and 30 persons transferred out, making a total of 151 new communicants. There were 1176 baptized persons in the church, 859 communicants, and 510 members in the church school.

Mr. Ripley and Mr. Noyes reported the Annual Canvass pledges totaled \$66,000.00. A budget was proposed for \$84,089.70 for 1959, which was accepted by the members present.

At the January meeting of the Auxiliary only 35 women were present. (Father Rauscher had offered this group the use of free uniforms if they would go to work in local hospitals as volunteers). The women thought the low attendance was a rejection by the women of the programs they had had. They discussed the "Across the Board Evaluation" of the church, set for a meeting in late January, hoping those present would attend. (Some women had the feeling that Father Rauscher didn't want to be bothered with women meeting in the church.)

At the Board meeting the following week the women discussed having only two or three Auxiliary meetings a year and changing the name "Auxiliary" to something more glamorous sounding hoping it would appeal to the women who did not attend meetings.

The Vestry also reviewed the Evaluation Program, making its report public in late January. This report revealed the young people of the church were not being properly provided for; that

there were not enough family activities in the Parish such as picnics and suppers; and that the women's programs were not meaningful and therefore poorly attended.

It was announced that Chaplain Van Artsdalen had offered his services to All Souls' for several weeks to help out. The Bishop was to pay him a nominal salary but it was suggested that the church add \$100.00 a month to his salary. He was to be ordained a Priest June 31, 1959, which would end his six months service at the church. The Vestry voted to hire him.

The exterior lighting for the church was discussed. It was noted that Mr. Donald Kennedy of Oklahoma Gas and Electric was most anxious to submit a plan that would cost \$3,850.00. Since he still owed \$2,000.00 on his building pledge he proposed to give the lighting equipment in lieu of his pledge money. The Vestry voted to accept this offer having him submit his plans for approval.

Other business taken up included the electing of William Hulsey as clerk for the year; the discussion of a 40 ton air-conditioning unit to cost \$6,000.00, with the suggestion that the pledges from new members be used for this; the announcement that the Ray Dawsons gave the Pulpit costing \$1,100.00; that the Parapet would cost \$450.00 and the Lectern about \$1,000.00. Father Rauscher hoped these would be included in the next drive for money.

It was pointed out that there was a possibility that Casady might start a Middle School building on their own grounds vacating some of the room. Mrs. W. B. Loeffler and Mrs. Pape were contacted to see if they were interested in starting a pre-school.

In March the women voted to change their name to "Episcopal Church Women". They discussed, then voted to have only two meetings a year, in September and May. They increased the Board by having two representatives from each Guild, but agreed to have the Guilds meet monthly in homes, as usual. The meeting ended in such a furor that the president agreed to reconsider it another month. The Guilds privately voted that this change not be made.

The Vestry reviewed their financial condition again that month. They voted to spend \$7,902.00 with Comfort Inc., on air-conditioning. They approved the lighting plan and studied a report on outside organizations using the church. They voted to have scheduled church activities to have precedence over outside organizations charging Non-Parish groups \$10.00 for a lounge, \$35.00 for the Parish Hall, and \$40.00 for the Hall and Kitchen, if approved. They also noted in the minutes that the space rented must be left clean and in order. All money was to be paid by check to the Rector.

Mr. Frederickson, treasurer, reported it had been necessary to build a stockade fence around the garbage cans, along with a concrete floor. He stated he had bills from Thomas Roberts for

Landscaping, and he needed to order 50 new prayer books costing one dollar each.

In April Mr. Charles Allen and Mr. Lyall Barnhart Jr., who had charge of the landscape project, were notified that there was a bill due for \$1,500.00, and that they had only \$900.00 in pledges to cover it. They were asked to seek more pledges.

After much discussion, the Vestry voted not to allow any parishioners or organizations to use the church equipment. They discussed the Diocesan Christian Education Department, housed in the church, and appointed the Senior Warden to write a letter to the Bishop asking for a termination date on its occupancy. They suggested that money be allowed in the next Diocesan budget to move it elsewhere.

Other problems included the overcrowded Sunday School rooms, which needed dividing but with the school occupying the class rooms it was difficult to do. The accounting problems in the church had become so time consuming that full time help was needed, but there was no money to hire additional help.

In May the women elected Mrs. Walter B. Loeffler President of the Auxiliary; Mrs. William L. Robertson, Vice-President; Mrs. Joe C. Martin, Treasurer; and Mrs. M. D. Fezler, Secretary. Mrs. A. C. Lisle headed the Altar Guild. These officers were installed at the eleven o'clock service, June 7, 1959.

Mrs. Jane Gray Warner started a Newcomers luncheon group, so that new women could be welcomed into the church and become better acquainted. Too, it was announced to the Auxiliary, that they would start a "New Family Life Program" in the fall.

The Rev. Robert Jackson terminated his work at All Souls' in May, becoming Vicar of the Pryor Mission. The Vestry hired Father Van Artsdalen to replace him.

The Vestry received two requests in the early summer. St. John's Church in Woodward wanted to buy the carpet previously used in the Parish Hall, and the church at Shawnee wanted to purchase the old altar rails. The Vestry voted to give them as gifts providing the Rev. Mr. Jackson didn't need the carpet at the Pryor Mission.

During June the Vestry signed a three year lease with Casady Elementary School with an annual rent of \$13,750.00. It was reported at this meeting that the Curate's residence was badly in need of repair and redecoration. The Van Artsdalens could not move in until this was done. A committee was appointed to see to this work.

The Vestry certified that Mr. Keith J. Mathers was qualified to be admitted as a candidate for the Holy Orders in July, and that George C. Van Artsdalen was a fit person to be admitted to Priesthood. By August the Annual Canvass plans were under way with Mr. Dale Chegwin acting as Chairman.

Other August business included accepting dirt fill for the property north of the church from the surplus in widening of Pennsylvania Avenue; accepting drain tile from Mr. Jack Tway to be placed under the dirt; and agreeing to pay for grade plans

to install the tile. It was pointed out that the Rector's driveway on Sixty-Third Street needed widening which would cost \$160.00. Mr. Bill Hulsey agreed to pay for this work.

The Vestry appointed Mr. Keith Mathers to replace the Rev. Mr. Jackson as Sunday School Superintendent, and discussed Father Van Artsdalen's salary. The Bishop had decreased his salary from Diocesan funds to \$500.00. The Vestry voted to pay him \$3,700.00 a year plus a \$480.00 car allowance. A retirement plan was to be set up for him, since he was over the age to qualify for one.

It was announced that the Oklahoma County Mission Fund was being established to help buy land for new churches at a better price. This was to be before new subdivisions were started in the county.

The Vestry had to borrow \$5,000.00 on the Rectory in September. This was to take care of Mr. Rambusch's bill of \$3,400.00 and the Wilson Lumber Company bill of \$1,600.00. The Vestry voted to have more inclusive reports on finances, including all bills over \$10.00.

The Women's Auxiliary started their fall program with a Style Show and Registration Tea. The clothes modeled showed the proper clothes to wear to the different church activities. At the Tea the women made their pledges to the women's work.

At the Board meeting, that month, the women voted to pay \$50.00 to the Altar Guild completing a payment of \$200.00 they had pledged for that year. They voted to have the Guilds take turns serving coffee at Sunday Services, taking a month at a time. If they didn't want to wash dishes when the coffee was over, they were to pay the janitor one dollar per service to do this work for them.

A budget for \$1,960.00 was approved by the women for the year. They voted to have another Tea and Style Show the following year, hoping to have Rosenthal's furnish the clothes. Mrs. Warner reported to them the first Newcomers luncheon was a big success with 14 new people attending. A used clothing drive was planned to help San Juan Mission in New Mexico.

At the November Vestry meeting a budget for \$93,000.00 for the church in 1950 was discussed. Special attention was given to an item of \$3,500.00 for Missionary service. The Vestry concluded they should support a missionary, and if possible one out of the United States.

A Church Survey dinner was set for January 8, 1950, with Mr. Wesley Smith acting as chairman. Its purpose was to contact all church members to determine the needs for the church the coming year.

Mr. Keith Mathers pointed out the need for shelving and cabinets for church school supplies. He estimated it would cost \$400.00. The Vestry voted to do this work when funds were available.

Kathleen Wilcox reported to the women in December that

\$193.00 had been received for the United Thank Offering from 55 women. The women discussed, then voted to send the Rauschers \$50.00 to help defray expenses of a housekeeper for Mrs. Rauscher after an operation.

It was announced that on December Seventh Mrs. Sybil Horton, an English Authoress, would speak on meditation, as a guest of the Bishop. This was to be a retreat for the Women of All Souls'.

Other business included the announcement that the the Choir was giving a benefit in January to raise funds for the organ; that the church grounds needed traffic rules; that the Fleur de Lis would have a bake sale November 21; that St. Margaret's Guild was arranging visits to the sick and aged; and that Kay Riggs needed more books for the new library.

1960

At the Annual Parish Meeting, held January 6, 1960 in the Parish Hall, Father Rauscher reported there were 1370 members on the church rolls, and 970 communicants. He discussed the Mission program, the budget, and the need for a permanent organ costing about \$50,000.00. He suggested this organ be contracted for since it would take two years to build.

Church music was then discussed. The Rector tartly pointed out that parishioners would not tolerate new hymns though they tolerated most anything else. He praised the work of the Curate, Father Van Artsdalen, and concluded his talk by suggesting the By-Laws be amended to have two Senior Wardens in the church. One Warden was to be known as the Rector's Senior Warden, which he would appoint since only he knew the desired qualifications for him, and the other Warden was to be elected by the congregation. This idea was not well received by the congregation. The discussion that followed let the Rector know that the members didn't plan to let this change take place.

Dr. Palmer Howard was elected Senior Warden and his first act was to "clear the air". He called for a vote on the suggested change to two Senior Wardens for the church. The congregation promptly voted the idea down.

Mr. William W. Hulsey was elected Junior Warden, with Messrs. M. E. Barnett, R. N. Berry, James Harris, M. C. McCrae and Charles Noyes were elected to the Vestry.

Dr. Eckles from St. Simeon's Home for the aged, in Tulsa, was guest speaker at the Auxiliary in January. In February there was a book review. Mrs. Loeffler reported that month that a deficit existed in the budget of \$1,198.32 in the women's work for the year. She stated that since it was time to reshuffle the Guilds into new groups, that the Board had voted to elect new officers at this time, also.

Mrs. Joe Martin was elected President of the Auxiliary; Mrs. Willard Miller, Secretary; and Mrs. Edward E. Soule, Treasurer. The Vice-President was not listed.

The meeting ended with the announcement that there would

be a Mardi Gras Ball for seventh to twelfth grade children on February 27, which would be a costume affair.

At the Vestry meeting that month Mr. Neil Ripley was elected Secretary, to be assisted by M. E. Barnett, and Mr. James Harris was elected Treasurer. Father Rauscher appointed his committees for the year, then discussed the possibility of a parochial Mission in Oklahoma City, as well as a missionary program. He announced the Lenten program would be a 16 weeks course on "Believing". This subject was to cover the basic tenets of Christianity.

The Vestry voted to assess Casady School sixty-five percent of the utility bills due to additional operating expenses. This included the cost of hiring another janitor and his wife to care for classrooms. They also voted to hire a bookkeeper for twenty hours a week, and to increase the Rector's salary to \$8,400.00 a year, with a car allowance of \$125.00 a month.

Mr. Keith Mathers, who was about to enter the ministry was made a member of the Vestry in March. He gave a report on Christian Education activities, pointing out that the school was still short on space. He stated teachers were being trained and that visual aids were being used but more were needed. He suggested more recognition be given teachers. (The author of this book agrees with this for no records have been presented on this phase of the church work.) Mr. Mathers suggested parents be notified classes existed through the twelfth grade. There were 450 children attending classes at the time of the report.

Other business included Dr. Howard asking that a woman from the Auxiliary be invited to attend Vestry meetings to keep the Vestry better informed on women's work, which the Vestry unanimously voted for; a discussion on one-way traffic around the church; a report that St. Raphael's Mission had been taken over by the Bishop; and that an offer had been made to furnish the school Chaplain's office, which the Vestry accepted.

The women reported that during March they had traffic signs made and put up on church property. St. Anne's Guild bought two pews, a credence table, gave \$150.00 to the kitchen, and \$50.00 to a foreign mission with money raised on bridge classes. The Fleur de Lis made \$200.00 on their pancake supper which was to help pay off a \$250.00 pledge from 45 girls. The College dance group also gave \$400.00 of their funds for the new kitchen.

Dr. Howard and Mr. Ripley report on the possibility of organizing a new Mission in Oklahoma City, in April. He stated he had inspected property at Sixty-Third and MacArthur as a possible Parish site. It joined a Real Estate project to have 3500 new homes built within two years. Five acres of land would cost \$16,500.00. A big discussion followed among the Vestrymen. They concluded a home with a double garage to be used as a meeting place, which could later house the clergy would be a good idea. They voted to raise \$5,000.00 to start the new mission.

Mr. Hulsey announced the Senior Assembly had given \$1,500.00

for young peoples' work in the church. Since an emergency on parking existed, the money had been used for a parking lot.

The Treasurer reported the church to be in serious financial condition. Pledges were \$5,300.00 in arrears with \$1,900.00 in outstanding bills due. Father Rauscher suggested the 75 new families in the church be contacted for pledges.

The Vestry turned their thoughts to an estimate of \$600.00 for painting and papering the Rectory; Father Van Artsdalen's pension fund; the organ fund totalling \$115.00; and voted Kathleen Wilcox a rousing vote of "thanks" for the way she had operated the kitchen during the year.

Father Rauscher announced the new Lecturn would be installed for Easter; that sundry garden tools worth \$220.00 had been given the church; and that he and his wife wished permission to place a stained glass window in the hallway to the church, in memory of his mother. He passed an illustration of the window which the Vestry approved.

He further noted that a gift of \$5,000.00 a year had been given the Diocese for ministers to use on sabbatical leave to finish their education. He requested the Vestry to consider his taking advantage of it at some future date.

In May a \$1,000.00 gift for a stained glass window was received. This brought up a discussion at the Vestry on French glass windows versus Mexican glass windows. The Rector ended the discussion by promising to present sketches for the Vestry's approval. Other gifts installed included a Litany desk given in memory of Mrs. Elizabeth Lichtenheld by her husband and friends; a Lecturn and Parapet given by Mr. and Mrs. M. E. Barnett; and a Sedilia given by St. Catherine's Guild.

Mr. Harris gave the Treasurer's report of "Hurrah! Our current bills are paid to date." The Vestry gave a rousing vote of commendation. Mr. Harris also reported 45 letters and pledge cards had been sent to new members. The Vestry discussed the building fund concluding, "We are not in serious trouble."

Mr. Hulsey gave a report on fire extinguishers, suggesting one for the first floor, four for the ground floor and one for the kitchen. They were to cost \$235.20 plus 50 cents a year maintenance. The Vestry voted to install them. They also voted to buy a slide projector for the church school costing \$160.00.

The Rector announced that All Souls' was second highest in the Diocese that year in Mite Box Offerings. He said 100 communicants had been added by transfers and confirmation since the first of the year.

Mr. Charles Stewart reported the need of a room in the church to keep Scout equipment in that could be locked. He asked for an active committee to help him work with the boys on Merit Badge projects. The Vestry agreed to help.

The Auxiliary had an unusually large attendance in May. Most of the women were the younger women of the church who had not been attending meetings. (The average attendance for the year was 30 women, but 78 women came to this meeting.)

The officers passed out a questionnaire for everyone to fill out in writing. It asked the number of meetings the women planned to attend the following year . . . three, six, or eight? When the questionnaires were tabulated it showed 44 women voted to have three meetings; 17 women voted for six meetings; and 17 for 8 meetings a year. This caused an immediate uproar. Many women shook their heads in unbelief, asking for a recount with hands raised since several women came in late and had not voted. A recount revealed the same figures. The older women of the church, who had been faithful in coming, could not believe that the younger women who had suddenly appeared at the meeting had the right to set the standard for the coming year.

To end this discussion Mrs. Ledbetter quickly urged everyone to make pledges to the Auxiliary work, announcing that only 55 women out of the 450 in the church had pledged that year. She pointed out that the women's work had indeed hit bottom.

When the meeting ended, the older women who had helped establish the church stood in small groups vowing this could not happen to the Auxiliary. Mrs. Grass suggested to them that they establish an All Souls' Women's Forum, open to all who wanted to attend, and have it deal with vital church problems. She suggested it meet on the Tuesdays in the months that the Auxiliary did not meet. Many women agreed to this and it was worked out during the summer months.

The June meeting of the Vestry was a short one. They voted to recommend Keith Mathers to be ordained Perpetual Deacon, then listened to a report from him on the Youth program. He pointed out the lack of interest was due to the children wanting to be treated as adults. He suggested projects such as Drama, Art, Music, Servers for Altars, and Junior Altar Guilds be set up, with instruction to be given during Sunday School hours.

Though Mr. Harris reported the church finances in the best condition he had seen them in June, he reported in July he had barely enough to pay the bills. The Vestry voted to borrow \$3,000.00.

The Curate reported his roof and gutters needed repairs for water spilled into the front door when it rained. Mr. McCrae was assigned to attend to this.

The Vestry discussed the finances of the Pre-School work, Quadrille, and other church organizations. They concluded they were not well informed and voted to check into their work.

Mrs. Loeffler and Mrs. Pape discussed the Pre-School with the Vestry in August, and the Vestry voted that all their funds collected should be turned into the Treasurer. The Treasurer was to pay their salaries and operating expenses which was not to exceed \$200.00 a month. They voted to buy cabinets, chairs, and work books for the classes.

The Rector notified the Vestry that the rectory still needed to be painted. He stated that he had bought with his own funds, a desk, three leather chairs, a table, and four wooden chairs for

his office. He wished this to be recorded in the church minutes so he could prove they belonged to him, personally.

Since Mrs. Wilcox had resigned from the kitchen work, the Vestry voted that the Guild Presidents should recommend how it was to be operated.

The September meeting was opened with a special prayer for parishioners Henry, Jo, Phillip and Linda Griffing, and Dorothy Mark. The Griffing family had departed this life in a tragic airplane accident.

Two women came with their problems to this meeting. Mrs. Joy reported the church directory was ready for publication which would cost \$300.00. The women had agreed to pay \$100.00 of this but she thought the Vestry should pay the remaining \$200.00, even though the Rector had agreed to pay anything over one hundred dollars. The Vestry voted to pay the bill.

Mrs. Betty Kennedy reported that the women of the church could not possibly run their own homes, much less handle the food problems of the church. (They still could not handle the large equipment. The heavy pans were more than they could lift. The women were still bringing prepared food from home for dinners and luncheons, just as they did in the little church.) Mrs. Kennedy suggested the Vestry should hire help.

The Vestry took no action on the last report but took up the more urgent business of the day which included, voting \$71.29 for vestments for the Rev. Mr. Mathers; discussing the organist's services, then setting a fee of \$15.00 for weddings; and discussing the Annual Canvass.

The Rector announced two gifts. One of \$3,500.00 from the Quadrille for the Youth Program, which was to go to hire an additional Priest to work with the Youth Group; and the gift of glass doors for the Pennsylvania Avenue entrance to the church from Mr. and Mrs. M. E. Barnett. The Rector asked permission for the doors to be installed.

It was reported that the Mission Church was underway. A Canvass was being made in the area, with the idea that the new congregation could probably meet at the KOCO Studio, temporarily. The Bishop requested that St. David's church not be harmed with this project.

The Women's Board, not happy with the attendance at the Auxiliary in the fall, voted to give a prize to the Guild having the most members present at the October meeting. They voted to send monthly newsletters, instead of three times a year, so that the women would know what was going on in Women's work. This newsletter was to give news of the new Women's Forum, also. They voted to have each Guild give \$30.00 to Supply and Share for clothing and bedding needed in mission work, as a project to work on.

At the fall Auxiliary Meeting the Treasurer reported seventy-six women had pledged \$731.00 for the year, but they needed \$2,280.00 to take care of the budget. The women voted to have

a money-raising project in form of a Holiday Kitchen Tour in decorated homes. The tickets to the five or six homes chosen was set at one dollar per person. The meeting ended with Mrs. Grass announcing that the first Forum Luncheon would be held in the Parish Hall November eighth, and the second one would be a Christmas program on December sixth.

A special Vestry meeting was called in October to discuss the Pre-School, again. Salaries were set to range from \$265.00 to \$80.00 a month, for a nine months term. At the regular Vestry meeting, a month later, a storm of protest came up over this and the Vestry voted that any salaries in the future must be approved by all the Vestry.

Other business taken up was to appoint Bob Bell chairman of the yearly Canvass; announce that KOCO had made a studio available to start the new Mission work in November; that Bob Mize, son of the Kansas Bishop, was enroute to South Africa to go into Mission work, hoping that All Souls' would contribute to him in an important way . . . Father Rauscher suggested \$150.00 a month; a discussion on burglary insurance and the arrangements for night deposits at the Penn Square Bank; the resignation of Mr. Harris as bookkeeper; and the Vestry voting to hire one. Mr. Harris did continue as Treasurer.

The Rector then explained the presence of three visiting Priests from Nebraska. These Priests had come to check on him as a possible Bishop Co-Adjutor for the state of Nebraska.

The Canvass chairman reported in November that \$61,000.00 had been pledged but they were still short of their goal by \$15,000.00. It was pointed out that last year's pledges were \$23,000.00 in arrears and needed to be called to the attention of Parishioners.

Mrs. Martin, from the Auxiliary, reported on a Kitchen investigation. She stated that the Presbyterian Church bought food wholesale for their kitchen, hiring a hostess for reservations and two permanent cooks to do the work. The Vestry discussed this and voted not to go into it further.

At the Women's Board meeting, that month, Mrs. Grass reported the Forum Luncheon was attended by 64 women who enjoyed the film sent from the World Council of Churches, on the clothing bank in St. Louis. It showed what happened to all the used clothing sent in by the churchwomen.

The Kitchen Tour was discussed for December. The women voted to use the money received from it to meet their budget. All excess was to go to charity. The homes chosen were the Eddie Cooks' home, John Coates, Harry Schafer, H. L. Douglass, and the Willard Millers' home.

It was announced the Men's Fellowship Group had been formed to sponsor six dinner meetings a year with a speaker. Tickets were to be sold for \$15.00 for the season. The women were asked to help publicize it, urging their husbands to attend.

When the Vestry met in December Mrs. Martin reported to

them that the Kitchen Tour had cleared about a thousand dollars. She requested, along with Mrs. Grass from the Forum, that the Parish Hall be reserved on all Tuesdays for the church-women's use. The school had taken over the Parish Hall and the Forum had difficulty setting their tables in time for their luncheon.

Mrs. Grass also requested the empty storage space at the west end of the kitchen hallway, where the women wished to build a large storage closet at their expense. This closet was to house the silverware and other equipment used to serve luncheons which the Women's Forum was collecting. (The Forum started the collection of green stamp books which bought the silver plated serving pieces for the church. The money earned from the luncheons was also used for this purpose.) The Vestry approved these requests.

The Rector then brought up the By-Laws for discussion. He suggested that they provide for a Parish Chancellor. The Vestry voted to discuss this at the Annual meeting.

The Canvass report revealed \$75,000.00 had been pledged with cards still out. The Vestry voted to send out cards to all members suggesting they raise their pledges to help out. They also voted to send \$100.00 a month to Bishop Mize in South Africa.

At the Women's Board meeting in December it was reported that \$32.05 had been spent to ship used clothing to St. Louis. Mrs. Joy reported the United Thank Offering totalled \$325.55 with 200 women contributing.

The Women adjourned early to attend the Forum's Christmas Luncheon which was very well attended.

1961

A special meeting was called in early January to attend to stock in All State Theatres, Inc., given to the church by Henry S. Griffing. To help settle his estate, the Vestry voted to accept \$500.00 for any interest the church might have in the Corporation.

The Annual Parish Dinner was held in the Parish Hall on January 16, 1961. Mr. W. W. Hulsey was elected Senior Warden that night; Mr. Jack Tway, Junior Warden; and Messrs. H. N. Camferdam, C. L. Frates, Brooks Hall, Marshall Joy, C. H. Mee, and Boston Smith were elected to the Vestry.

The Rector reported All Souls' was then second in size in the Diocese of Oklahoma with 1167 communicants. The church congregation had multiplied 96 times in 13 years in membership. He stated there was need for a new Priest and he had a young seminarian in mind to join the staff in 1961.

The congregation voted to amend the By-Laws and add the office of Chancellor. He was to be a legal counselor to the church but had no voting power at the Vestry.

It was announced a Men's Fellowship Dinner was to be held in the Parish Hall January 25, 1961, at which time Senator Mike Monroney would be guest speaker. The ladies were invited to attend.

Inserted in the Vestry Minutes was a copy of a Western Union Telegram, dated January 25, 1961, sent from Tulsa, Oklahoma. It read, "To the Right Rev. Howard R. Brinker, and the Diocesan Convention, Trinity Cathedral, Omaha, Nebraska . . . We congratulate you on your election of the Rev. Russell T. Rauscher as Bishop Co-Adjutor and extend to you our sincerest greetings. Father Rauscher is a highly honored priest and we of All Souls' have been richly blessed in his ministry. We pray for your continued good work and pray for you and your diocese." It was signed, "The Wardens and Vestry of All Souls' Episcopal Church, Oklahoma City". Though this telegram indicated that Father Rauscher was elected, he did not accept this appointment immediately. So, business in the church went on as usual. At the Women's Board meeting in January Betty Gibson and Lois Adams, chairmen of the Kitchen Tour reported they had made a profit of \$1,449.21. This gave the women a bank balance of \$2,314.67.

Mrs. Joy announced that she was starting a prayer group that would meet in the Chapel each Wednesday morning, and that Father Ryland would hold a teaching mission during Lent.

The women voted to give \$140.00 towards \$275.00 needed to build the Kitchen hall closet. The Forum and interested members paid the rest of this expense.

The Auxiliary held their annual election that month. Mrs. Marshall Joy was elected President; Mrs. James Fellers, Vice-President; Mrs. Lawrence Lucas, Secretary; and Mrs. Peter Hoffman, Treasurer. Directress of the Altar Guild was Mrs. L. J. Hayes, Jr.

Father Rauscher announced his decision to become Bishop Co-Adjutor of Nebraska at a special Vestry meeting called on February second. He also discussed the qualifications for the next Rector of All Souls'. He stated he should be a good teacher, preacher, pastoral minister, interested in the youth program and at least forty years of age. He said it would help if he had had

outside business experience. It was surprising that he didn't mention discipline in this statement, for he continually preached it from the pulpit.

A letter inserted in the Vestry Minutes dated February 2, 1961, gave the official resignation of Father Rauscher. It stated he was resigning to become Bishop Co-Adjutor of Nebraska, "To become effective the day of his consecration." One wonders if he had some misgivings that this would not come to pass.

Plans were set up for the proper gifts to give Father Rauscher. The Rev. Kenneth Kady took charge of this. Mr. Hall was assigned the job of checking transportation to the consecration for members wishing to attend, which was to take place in Nebraska.

This meeting closed with the Vestry voting to send Bishop Mize \$150.00 a month for his mission work in Africa.

The highlight for the Women of the church in February was an all day bus tour to Tulsa, sponsored by the Forum. This day they visited Trinity Church; Trinity Resale Shop, where used clothing was sold at a nice profit to them; and St. Simeon's Home for the aged where the women were served tea. The women presented the Home with a check for \$50.00, a gift from All Souls' Auxiliary. Coming home the women on the bus agreed this was a very interesting project. They agreed that at least one bus trip a year should be taken to some state Episcopalian project.

It was announced this month that the Quadrille was also building a closet for their use in the kitchen hallway. It was to cost them \$400.00.

The Vestry voted to purchase a car for Father Rauscher as a parting gift. The women of the church gave them a silver tea service bought from donations and Auxiliary funds.

Business discussed in March at the Vestry was to dispose of old furniture and fixtures about the church; replace silver and china to adequately serve Parish dinners, hoping members would pay for it; and to give the Altar Guild \$100.00 for new vestments.

A letter was read from the church of the Resurrection, expressing their appreciation to members for prayer books and hymnals.

In April the women voted to spend the money they had in the bank, dividing it up as follows: to pay expenses of a delegate to the convention, (the amount is not stated); to give Keith Mathers \$200.00 for his Theology School expense; \$100.00 to the Altar Guild; \$100.00 as a special gift to Father Rauscher; \$100.00 to Bishop Mize; and \$300.00 to furnish the lounges. They left \$200.00 in the bank to start operations the following year. (In May they rescinded the vote to give Bishop Mize a gift and used this money to buy needed vestments.)

Jeanne Smith and Marion Hoffman were appointed chairmen for a reception planned for the Rauschers on April 23. Seven hundred guests were expected to attend this event. All the women in the church were assigned to make sandwiches and cookies. The Fleur de Lis girls were appointed to preside at the children's punch bowl.

At the Vestry meeting that month the Vestry voted to cancel Father Rauscher's Building Pledge balance of \$1,225.00. They agreed for him to live in the Rectory until June 5, when school would be out for his daughter.

Turning their thoughts to business, they voted to spend \$700.00 to purchase Montessori equipment for the Pre-School, the sum to be repaid the church from school revenue.

At the Auxiliary that month the President asked for gifts of old gold, silver and jewelry. These items were collected from all churches in the state and were to be used to make a new Diocesan Communion Service for the Bishop to use.

A call was made for all church records to be brought to the church for microfilming. (Many of these were missed and were only recovered in collecting material for this book. The author hopes to have these microfilmed and added to the collection soon.)

During May, Ross Elliott resigned as choir master and Ralph Raulston was hired as temporary organist and director of music at \$150.00 a month. Mr. Bones resigned as bookkeeper and Mrs. Jo. Wood was hired to replace him at \$350.00 a month.

By June Father Rauscher had been made Bishop Co-Adjutor of Nebraska and had moved. The Vestry met June 13, with Father Van Artsdalen acting as Rector.

Several gifts to the church were reported that month. They were an Altar Missal from Rodman and Kent Frates; a Font from Mrs. Roy Hoffman, costing \$1,030.00; and the completed Chapel in the Narthex of the church, costing \$2,858.00, a gift of Mr. and Mrs. Brooks Hall.

The Vestry immediately started to get ready for the next minister. They assigned Mr. Joy the job of transporting the church records to Norman to be microfilmed; they voted to buy new office furniture for the rector's office; to trade in the present rectory for another one at 1714 Elmhurst, but this deal did not materialize; and voted to have vesting closets built in the North Lounge for Acolytes' and Layreaders' garments. Later the old rectory was put up for sale at \$22,000.00. It was decided a new one in good repair would be best for the next minister.

During August the Vestry voted to help Keith Mathers finance his seminary education. With the women helping this gave him a total of \$2,200.00. Other business included the arrival of the stained glass windows from Payne & Company, and the appointing of Mr. Bob Bell chairman of the annual Canvass, with the request that no other drives be allowed until this one was over.

Mr. John Turnbull, of Norman, was hired as part time organist, to help Mr. Whitten, the new organist and choir master. Each of them were to receive \$200.00 a month salary.

Father Van Artsdalen discussed Seminary Scholarships with the Vestry asking them to set aside \$300.00 yearly, to be put in the budget each year. The Vestry voted to do this.

During September the Women's Board set up a Christmas Kitchen Tour for December tenth. It was to be held in the homes

of the J. R. Danstroms, Richard Harris, George Miskovsky, C. A. Schweinly, Ben C. Wileman, and W. B. White. The gifts and decorations in the homes were to be sold during the tour.

Discussions at this meeting included the possibility of the Auxiliary opening a resale shop; the need of help for Mrs. Warner compiling a crossfile on church membership; and the disbanding of the Forum by Mrs. Grass, who stated that the Auxiliary would be meeting monthly that year and members of the Forum did not want to interfere with this program. A family supper was planned for November eighth in the Parish Hall.

The Treasurer reported to the Vestry in October that the members were \$12,000.00 behind on pledges. This was viewed with concern.

At this meeting it was revealed that the women had chosen A. J. Bullard to refurbish the South Lounge at a cost of \$4,370.00. They had ordered china for the Parish Hall costing \$381.19, in hopes it would arrive before the Annual Parish Meeting. They did not have enough dishes to serve the congregation. The china was to be sold in place settings to members to help defray the cost.

At this meeting Dean Robert Shaw of Buffalo, New York, was discussed as a prospective minister. The Vestry voted to invite him and his wife to Oklahoma City, as guests of the church.

After discussing Father Van Artsdalen's faithful work they voted him a \$750.00 bonus and a \$20.00 a month car allowance.

At the Women's Board meeting in November it was announced that over 200 people attended the Family Supper on November fifth.

Two problems faced the women at this Board meeting. The first was their concern over luncheon reservations made but not used or paid for. The women voted to charge one dollar for all reservations unless they were cancelled the day before the luncheon. The other problem was how to dispose of the Christmas Kitchen Fund. The women voted to put two-thirds of this money into a general fund to pay Diocesan assessments, if needed.

Dean and Mrs. Shaw visited the church in November. They were well received, and returned home shortly afterwards. At the December Vestry meeting the Vestry voted unanimously to give the Rev. Mr. Shaw a call, offering him a house with three or four bedrooms, (for he had three daughters), a salary of \$11,500.00, and an official car to drive, plus a car allowance.

It was announced that the Order of St. Alban's had been established in the church for Junior Acolytes. For boys fourteen years of age or older the Order of St. Vincent's had been established. These older acolytes must have served one year as altar boy. Thirty-two boys registered for these orders, eleven being new members. The money to buy vestments for them was given by Messrs. Frates, Hulsey, and Tway.

The Annual Parish meeting was set for January 14, 1962, at six P.M.

The exact date of Dean Robert M. Shaw's acceptance to serve as minister of All Souls' Parish is not recorded in the Vestry Minutes. A special meeting was called for the Vestry January 10, 1962 to discuss housing the Shaw family. It is presumed he had accepted by this time. The Vestry voted to put \$2,000.00 in a reserve fund for moving the Shaws to Oklahoma City, and to purchase a Rectory at 8327 Glenwood Avenue. The Rectory was reported to have 3,100 square feet in it and was priced at \$57,500.00. It was purchased for less at a negotiated price.

At the Annual Parish meeting, held January 14, 1962, in All Souls' Parish Hall, a letter was read from Dean Shaw regretting his inability to be present at the meeting.

Mr. Charles H. Mee was elected Senior Warden that night; Dr. Embury R. Barnes, Junior Warden; Dr. E. Stanley Berger, Dr. Leonard Eliel, Messrs. James B. Diggs, M. Day Fezler, H. B. Taliaferro, Jr., W. J. Weir, and Jack C. Tway were elected to the Vestry.

Those commended for their work were Miss Lucinda Ramsey and Mr. and Mrs. Pat Patterson for a Diocesan project, "The Church School by Mail"; Mr. and Mrs. Ron Murray for guiding the Youth Group; Messrs. Milton Griffith, Sidney Frederickson and Ted Schmidt, who directed the Acolytes; and Mrs. Roberta Evans, one of the first women to be admitted and graduated from an Episcopal Seminary, who had accepted a position with the Forward Movement Publication.

Mrs. Stanley Berger, Superintendent of the Church School, reported on her projects, thanking the teachers who helped her.

Mr. Robert Bell reported the Annual Canvass totalled \$78,920.00 with 327 pledging; and the Diocesan Drive, \$42,213.00 with 127 pledges.

Mrs. Joe Martin, Mrs. Howard Gettler, Mrs. Charles Mee, and Mrs. Marshall Joy, were thanked for their work in refurbishing the South Lounge, as representatives from the Auxiliary.

The By-Laws were amended to provide that the past Senior Church Warden become an ex-officio member of the Vestry. At any period that the Parish was without a rector the Priest-in-charge was to also be an ex-officio member of the Vestry. The congregation voted to have the names of communicants nominated for offices, posted and published two Sundays preceding the Parish Meeting.

The year end report showed that the church had an indebtedness of \$171,867.35; and that the Overseas Missions had received \$750.00 from the church.

Father Van Artsdalen noted his appreciation to Father Gilbert Curtis who had assisted him in the absence of a minister. He

pointed out that All Souls' Church gave less than 18.5% of their funds for mission work. Oklahoma's Little Axe Indian Mission, only twenty-five miles away, had need of help and clothing. He urged the church to set goals for more Mission work. He complimented them on their permanent Seminary Scholarship Fund.

Reports show that Mr. R. W. Pitt presided over the All Souls' Couples Group; Angie Bell was president of E.Y.O.; Charles A. Stewart was Scoutmaster; Mrs. D. F. McNeil headed the Altar Guild; Mrs. E. C. Warren had charge of Quadrille and Lillian Hamor was Queen of Fleur de Lis. Mrs. K. R. Gilleland took charge of the Church Directory and the Calendar of Events for the year.

At the Women's Board meeting in January the Treasurer reported the Christmas Kitchen Tour netted \$2,063.18. Mrs. James Harris and Mrs. Blanton W. Hoover were thanked for their work on this project.

Mrs. Burrage Warner was complimented for her work with the children's Christmas pageant; and Mrs. James Gibbens for her work on the parish membership file.

The women voted to have their out-going-president remain as a counsellor to the Auxiliary Board, for a year following her term of office; and to review their constitution. Miss Sara Garnett was made Chairman of this committee, assisted by Helene Rogers, Charlotte Hamilton, Helen Hoover, and Barbara Joy.

February was election month for the Women's Auxiliary. Mrs. Marshall Joy was elected President; Mrs. John Quade, President-Elect; Mrs. Ralph Jaenicke, Secretary; and Mrs. Peter Hoffman, Treasurer.

Mrs. George Lynde, President of the Women of the Diocese, spoke to the women of the church in March. This was followed by Quiet Day, March 17, conducted by Bishop Powell.

The women discussed opening a Thrift Shop during the spring months but came to no conclusion. They voted to hold rummage sales.

The Vestry elected Mr. H. B. Taliaferro, Jr., clerk for the year; Mr. Fred Lichtenheld, Treasurer; and Mr. Marshall R. Joy was re-appointed Key Layman. Mr. W. O. Coleman, assisted by Don Elder, was appointed to organize an Ushers Guild.

Early spring business the Vestry was concerned with included a letter of resignation from Father Van Artsdalen, effective May 1, 1962; a request from the Altar Guild for money to buy vestments, and other Altar items; the overhauling of the air-conditioning system; the transferring of \$1,050.00 to Overseas Mission Fund from \$1,653.66 on deposit from the 1962 pledges; the use of the balance of this money to audit the Treasurer's accounts for 1961; and making a down payment on an automobile for the new Rector. They set aside \$100.00 per member as a maximum for maintenance of the church, voting to raise Sexton Rhodes' salary.

In March, Mr. Lichtenheld reported that only \$12,000.00 of

the \$18,000.00 had been collected on the 1962 pledges.

Dr. Berger discussed the needs of the church school, the need of storage space for church groups, and presented a Stewardship program which was accepted.

A letter from Mrs. Walter Loeffler was read. She requested permission to establish a training center for Montessori teachers. Mr. Joy was assigned to investigate this further.

Mr. James Harris reported on the interior decoration of the new Rectory. The Vestry voted to hire Warren Ramsey Inc., at \$800.00, the low bidder.

Other business included the commendation of Mr. Milton Griffith, Mr. Edward Warren, and other co-workers for their work with the Acolytes; the hiring of auditors to go over the church records; and the election of Mr. Camferdam as a new clerk to the Vestry, authorizing him as Choir Director, to employ four singers for the Lent and Easter services. The singers were to receive \$30.00 per month.

A special meeting was called in April. The Treasurer was concerned with the close margin he had to operate on. He suggested that money could be borrowed from the Youth Director's fund. The Senior Warden asked him to investigate where this money came from, and the restrictions on it.

The Warden announced that the evening of May 8, 1962, had been set aside for the Bishop to read the Office of Institution for Dean Shaw, at the church. The women were to have charge of a reception in the Parish Hall, to follow. He noted that formal invitations should be sent out. He appointed Mr. Joy to be responsible for the ushering, and the Vestrymen and their wives to act as hosts at the reception.

The Shaw family was due to arrive in Oklahoma City, April 25, 1962. Due to the children still being in school, Mrs. Shaw was to return to Buffalo, New York, until school was out.

Turning their thoughts to church business, the Vestry discussed manifold doors in classrooms to aid class work; the construction of storage space in the undercroft for the E.Y.O., and Boy Scouts; the assigning of the basement room, which had housed the Diocesan bookstore, to the Department of Christian Education for an office; the furnishing of the Rector's Office; the lease with Casady School, adding a ninety day termination clause; and Workman's Compensation Insurance.

In the late spring, Minutes of the Women's Board reveal several gifts had been given the church. The College Ball Committee donated \$400.00 to be used to purchase a rug for the lounge; Danny Huff gave a lemon tree he had made; Mrs. Charles N. Berry, Sr., gave a beautiful silver punch bowl in memory of Dr. Berry; and the William B. Cleary family gave a Grandfather Clock for the Parish Hall.

Other business that occupied the women was a Newcomers Luncheon in May at Mrs. Willard Miller's; a bill due A. J. Bullard for decorating the lounge, due in 90 days, with a bank balance of only \$1,380.61; an increased budget for the Altar Guild to

The Rt. Rev. Chilton Powell installing the Rev. Robert M. Shaw, 1962.

\$375.00; the redividing of the Guilds in May; volunteers to help Betty Gruenig, Betty Kennedy, and Julie Lucas, run the nursery; the need of green stamp books from everyone to help obtain silver plated serving pieces for the church; the purchase of audio-visual aids in the form of sound-slide projectors for the church school; and their big plans for the reception for the new minister's family.

The whole church was made ready for the coming of the Shaws. The Vestry had the church properly inventoried; Mr. Frates, obtaining information from Ledbetter and Co., and Mr. Wilkes gave an analysis report on the insurance program of the church; Memorials were discussed; and . . . a slightly heated discussion was held on the newly furnished South Lounge restriction, which some Parishoners had objected to. To save further discussion the Vestry voted to make the lounge available to Parish organizations by reservation in the church office, and to keep it open on Sundays, under supervision.

A newspaper clipping revealed that the Rt. Rev. Chilton Powell, Bishop of Oklahoma, installed the Rev. Robert M. Shaw at eight p.m. on May 8, 1962. It stated that the Rev. Mr. Shaw was a native of Pittsburgh, Pennsylvania; had spent 18 months as Navy Chaplain during World War II; had served in churches in Boston and Nashville; and was Dean of St. Paul's Cathedral, Buffalo, New York, before coming to Oklahoma City. He had graduated from the University of Pittsburgh with a B.A. degree in 1941, and the Virginia Theological Seminary in 1943, with a bachelor of Divinity degree.

The reception was reported to be an elegant affair attended by people from all over the state.

Even the Van Artsdalens were feted soon afterwards, with a Family Night Supper. They received a purse of over \$500.00 for their vacation fund.

At the Vestry meeting in late May, the new Rector expressed his appreciation for the arrangements made for himself and his family on their arrival.

Being a man of action, yet a time saver, Father Shaw advised the Vestry that much of their work could be done by committees, and that he planned to keep Vestry meetings at a minimum of time.

Treasurer Lichtenheld reported that many 1960 pledges had been revived and that he had nearly \$1,000.00 in the General Fund. Expenses were running slightly above 1961 due to moving the Rector, repairs, and furniture for the Rector's office. He hoped money would keep coming in during the "lean" summer months. Annual pledges totaled \$84,455.90 with pledge cards still out.

The Casady School lease, which had been approved by Chancellor Douglass and the Casady Board, was presented to the Vestry. It was for three years on a base rent of \$14,500.00 per year for the Lower School, and \$2,500.00 for one year renewable term, for the Pre-School. The Vestry accepted the contract.

Memorial gifts were discussed. It was pointed out that the Vestry had been negligent in acknowledging gifts. Rector Shaw stated he personally would acknowledge all gifts on special cards. He advised the Vestry that the next Newsletter would carry a form for parishoners to fill out for Memorials given the church. These forms, when returned to the church, would be recorded in a Memorial book giving names of donors.

Other business discussed included the baptismal fleche, costing \$1,800.00, (which records had failed to reveal if it had been ordered from Rambusch in New York); Liability Insurance for the boiler at \$500,000.00; the removal of temporary walls in the boiler room to make a Sexton's workshop, with equipment to cost \$200.00; files to establish a filing system of Parish families; permission for the Rector to search for a young clergyman to serve as Youth Director since the church had a \$9,200.00 fund available for this work; a new organist to replace John Turnbull, who was leaving to study abroad; and finally the Annual Canvass, which was to be conducted before the budget was compiled for the year, reversing the former procedure.

The Rector discussed the Minister's Discretionary Fund. This fund came from collections at the eight o'clock services on Sunday mornings. Since the sum collected was in varying amounts the Rector asked that this fund be included in the annual budget at some set sum.

When the meeting closed it was announced that the Rector would be away from the city from May 30 to June 9 to attend the graduation of his two daughters. When he returned he planned to remain in the city for the entire summer.

In June the Treasurer reported the current pledges were being paid and the finances seemed in good condition. An audit of the church records had been made and the auditor reported his findings. He recommended all transactions should be under complete control of one individual but pass through two or more hands to safeguard assets. No discrepancies were found but he suggested surprise audits.

The auditor recommended authorized persons to sign checks and approve disbursements in limited amounts; that the depository bag be opened in the presence of two persons with a double listing of checks and cash; that all disbursements be accounted for in church records; and that important documents be kept in a safe deposit box. The Vestry voted to carry out these suggestions, adding fidelity bond coverage on employees.

The Vestry discussed the hiring of a new minister and organist. Father Shaw reported he had received fine letters of recommendation on one Myles Criss of Kansas City, Missouri, who had recently completed his Masters degree in Music. He had met him and recommended the church hire him as full time organist. Since he would be training a Youth Choir the Vestry concluded they could use part of the Youth Director's Fund to pay his salary. They voted to offer Mr. Criss \$4,000.00 a year salary if he would serve as organist and choir director.

Other business discussed was the donating and installing of a new church sign by Mr. Walter Campbell, which the Vestry was grateful for; the need of an outside water fountain for the use of children on the playgrounds; to investigate and attempt to buy the lot adjacent to the church grounds on the north; and the use of the decorative rope in the auditorium to help fill the front pews first.

It was announced that Keith Mathers, a communicant of All Souls' would be ordained to priesthood in St. Paul's Cathedral, June 21, 1962, at 7:30 p.m.

There was no meeting in July but a special meeting was called the first of August. The Treasurer reported a shortage of funds coming in, and the fixed operating expenses of \$8,570.00 a month. He advised the Vestry that when the new organist assumed his duties it would cost about \$8,970.00 a month, even though part of the salary came out of the Youth Fund. He noted there were 1300 communicants and 500 children in the Parish.

Father Shaw discussed the purchase of a curatage for the new Curate, the Rev. Ronald Norton. (Vestry Minutes do not relate the details of hiring this minister.) After considering three houses the Vestry voted to purchase a house at 10205 Hasley Place by paying the owner his equity of \$695.00 and assuming the mortgage.

Father Shaw advised the Vestry that he and Mrs. Shaw wished to donate the amount of the equity for the curatage as a thank offering to the church. Since no such gift had ever been given by any previous minister when the church was in a financial plight, the Vestry accepted this gift with much appreciation.

Another special meeting was called August 12. At this meeting Mr. Myles Criss was introduced to the Vestry. The Rector then introduced a discussion on the acquisition of a new organ for the church. He announced that Judge and Mrs. Boston W. Smith had presented the church with a thank offering of \$7,000.00. This gift was given in honor of Mrs. Roy P. Hoffman, (Mrs. Smith's grandmother), to be used as a down payment for the purchase of an organ.

Mr. Criss discussed an organ consisting of 47 ranks and a trumpet, which could be added to at a later date. He reported he had answers to several queries from organ makers with terms. He recommended the Moller Company be engaged to build the organ at a proposed price of \$66,400.00. Preparatory work in the church would add approximately \$3,600.00 to this price.

The Rector advised that the Smiths' gift and the organ fund amounted to \$7,827.42. If they accepted this contract the rest of the money could be raised over a period of three years.

The Vestry voted to sign the contract, expressing their appreciation to Judge and Mrs. Smith. They also voted to have the new curatage air-conditioned.

At the regular meeting in September Mr. Lichtenheld reported he estimated the 1963 operating expenses to be \$140,810.00. He

pointed out that the Casady School would be paying rent of \$17,000.00 but that the rest must be raised.

Business at this meeting included reports on driveway repair, and drainage problems to cost \$3,000.00; scaling in the boiler; the need of water treating equipment to prolong the heating and air-conditioning equipment; and the enclosing of a classroom in the undercroft by Casady School for free rent on the room for one year.

The Rector announced plans to divide the Parish into 100 small neighborhood groups which would elect leaders; hold meetings in homes; study; develop stewardship; enjoy Christian fellowship; and enhance the spiritual life of the church. The groups were to act as a means of communication between the neighborhoods and the church.

The first Sunday in October was set aside for Loyalty Sunday. On this day members made their pledges to support the church for the coming year, which were presented at the altar.

When the Women's Board met in the fall, the U.T.O. spring collection was reported to be \$256.35. The women discussed the new church pledging method, which included their budget. They were jubilant that there were to be no more money making projects to help support themselves, and their church work.

Letters of resignation were received from Mrs. John Quade, President-elect, and Mrs. Ralph Janicke, Secretary. Mrs. Boston Smith was elected to President-elect, and Mrs. Fred Beattie, as Secretary.

Other business included a Treasurer's report giving the balance of funds as \$308.34; the assigning of Jeanne Smith, Betty Gruenig, and Christine Harrison to secure a vacuum sweeper for the custodian; and appointing Katherine Shaffer to represent All Souls' Church at the Woman's Exchange at the Y.W.C.A.

At the October Vestry meeting the Rector reported that over \$82,000.00 had been pledged on Loyalty Sunday. He anticipated little difficulty in reaching the goal of \$140,000.00. The Vestry, who had witnessed the church's financial struggle over the years, complimented him and his workers.

The Vestry voted to sign a contract to repair driveways at a cost of \$2,350.00; and to convert a broom closet, along with part of the ladies room area in the basement into a blower room for the new organ. This room had to be kept at the same temperature as the church for the organ to function properly.

The Rector reminded the Vestry that the next Diocesan Convention was to be held at All Souls' Church, January 22-24, 1963. He announced Mrs. C. L. Frates had been made general chairman; Mr. H. L. Douglass, co-chairman; and Mrs. Bernard Kennedy, chairman, for the Women's activities. The Vestry voted \$100.00 for initial expenses for the convention.

The women took an inventory on kitchen equipment with this convention in mind. They discovered three-fourths of the silverware and many utensils were lost or missing. It would cost \$1,100.00 to replace it. When they took this report to the Vestry

they voted to allow \$500.00 for replacements, authorizing the women to raise the other \$600.00. They suggested some equipment might be returned, or replaced from surplus utensils in members' homes.

The women worked on the kitchen project. They did bring surplus pots and pans from home, along with it were a few items borrowed. But they planned to have a Kitchen Shower in December at which time Mrs. Richard Fentress was to display needed equipment. This equipment was to be sold to willing donors. The women voted to keep the kitchen locked, with keys to be checked out at the office.

The Rector invited all Vestrymen and their wives to be his and Mrs. Shaw's guests at dinner in the new rectory on November 5, 1962. He announced that the Bishop would be present to bless the Rectory at this time.

Another problem the Vestry faced during the fall was to oppose the commercial use of the lot directly across from the church on Pennsylvania Avenue. The owner wanted to rent it temporarily for the sale of Christmas trees. The Vestry voted to officially go on record at the City of Nichols Hills, protesting any commercial use of the land then or in the future.

Other notable work the Women's Auxiliary did near Christmas time was to send a box of new clothing to their assigned Mission in Bluff, Utah; send four boxes of used clothing to the Overseas Relief; aid St. Hilda's Guild in gathering a carload of clothing to take to the Little Axe Mission; give Robert Evans, the church's Seminarian, an Advent offering of one hundred dollars; gather blankets for the United Church Drive for Algeria; and give Dr. Craig, from St. Francis Boy's Home, Salina, Kansas, \$62.25 when he spoke to them on his work with these boys. One member of All Souls' sent each boy in the Home a new white shirt for Christmas.

The fall ingathering of Blue Boxes amounted to \$373.22.

It was announced at the November meeting that the Oklahoma Diocese would send Father Griswold, of Tulsa, as their own missionary to Africa. It was noted that \$4,500.00 was needed to help pay his salary. It was hoped that members of All Souls' would support this program.

The women also aided Mrs. David Sunderland with unwrapped gifts for mental health patients, so that they would receive Christmas presents on Christmas morning.

At the Vestry meeting in December the Treasurer presented the proposed budget for 1963. He pointed out that all money needs of the Parish and its organizations were to come to and be disbursed from the General Funds of the Church. There was to be no solicitation of funds by any church organization without permission from the Vestry. The Vestry voted unanimously to accept this program.

The Rector presented a document prepared by Mr. Roy C. Lytle asking the Vestry to accept two gifts, each for \$35,000.00, from the Trustees of the Linda Griffing Trust and the Philip

Griffing Trust. These gifts were to be used to purchase and install the new pipe organ. After a very pleased discussion, the Vestry voted to accept this gift. (It should be explained here that these two children were the heirs of Mr. and Mrs. Henry Griffing, early members of All Souls' Church. The whole family was killed in a tragic airplane accident the previous summer. The Trustees made this gift to the church in their names.) The whole church was indeed grateful for this wonderful memorial gift.

1963

The Annual Parish Meeting was held January 13, 1963, in All Souls' Parish Hall at 8 p.m. with Father Shaw presiding. H. L. Douglass presented the proposed new By-Laws, which were accepted.

Dr. Embury R. Barnes was elected Senior Warden; Boston W. Smith, Junior Warden; and Drs. C. Alton Brown, A. C. Lisle, along with Messrs. W. O. Coleman, John L. Finegan, and Robert Millsbaugh, to a three year term on the Vestry. Messrs. C. L. Frates, Brooks Hall, Marshall R. Joy and Jack Tway were elected to a one year term, due to changes in the By-Laws.

Other business included reports. The Treasurer stated the church finances were in fine condition. Mr. Harris noted the new method of canvassing was successful, as well as the growth of the church. After Mr. Mee gave his report he was thanked for his work as Senior Warden.

The Rector thanked Mr. and Mrs. Donald S. Kennedy for the large stained glass window in the Narthex. He expressed his gratitude for the warm reception given him and his family, and the new Rectory to live in. He noted the need for spiritual growth in the Parish; the need to complete the interior and pave the parking area; and was thankful for the progress of the Youth Director and Organist. He stated his office staff was overworked but kept a wonderful spirit. He revealed the neighborhood group plan had met with varying degrees of success but stated it was a good way to welcome newcomers.

Myles Criss reported sixty people singing in the choir. These included children as well as adults. He stated that the children's choir would ultimately make All Souls' Church music strong. He was thankful for the help of the Choir Mothers Guild, headed by Mrs. John J. Case.

Robert Berger was president of the Acolytes that year, and Milton Griffith directed them. Twenty-three men and boys were installed into the organizations of St. Vincent, and St. Peter and John on March 11, 1962.

Mrs. L. D. Lucas was Directress of the Altar Guild, which had thirty-six members; Dr. James D. Lea headed the Couples Group; the Youth Groups president was Burns Hargis, who reported they were learning Evensong, hoping to have some cantors who could conduct services; and the Fleur de Lis Queen was Joan Beckham who reported they had helped Unicef, and gone caroling to homes of the elderly in Nichols Hills at Christmas time.

The Layreaders, Robert J. Bell, Churchill Blakey, Ted Bradley,

Robert Kitterman, Edward B. Koch, Pat J. Patterson, Robert W. Pitt, Jack R. Sherry, H. B. Taliaferro, Jr., and G. T. Schmitt, reported they had participated in over 300 services in 1962.

Estelle Berger, Superintendent of the Sunday School, reported 521 students enrolled, 25 teachers, and six other members on her staff, beside the Rev. Ronald A. Norton, Director. She stated the church women had given two sound projectors and a screen so that visual aids could be used in classes. Mr. Maxwell, of Vaseco, had made it possible to acquire a complete film library at minimum cost, which included the Life of Christ from Advent to Pentecost, two Old Testament series, Lives of the Prophets, Heroes of God, and two Christmas films.

At the end of the meeting Frank Grass reported on Mission work, and Mrs. C. L. Frates reported on plans for the Diocesan convention to be held January 22-24, 1963 in All Souls' Church.

At the regular meeting of the Vestry in January, Mr. Lichtenheld urged the Vestry to make it known that unpaid pledges should be paid even though the church was in good financial condition.

The Rector reported on Sunday, January 21, he received applications for all the remaining stained glass windows to be placed in the church. He noted that Payne Studio of Paterson, New Jersey, would submit sketches for approval in about five weeks. The astounded Vestry commended him on this work.

The Rector reminded the Vestry it was their duty to assist in greeting delegates to the Convention. He urged them all to be present at the eleven o'clock service on January 27, to be formally installed as Vestrymen. He asked that all Minutes of the Vestry and Parish Records of all sorts, since the founding of the church, be brought to the church office so they could be bound into permanent records for the church.

Dr. Barnes announced that the paving strip on the North side of Sixty-Third Street to the parking area had been put in by the City of Nichols Hills. The Vestry voted to send a letter of appreciation for this work.

Mr. Henry B. Taliaferro, Jr., was elected clerk of the Vestry that night, and at the February meeting Dr. William J. Weir was elected Deputy Clerk, in accordance with the new By-Laws.

At the Auxiliary meeting in January two silver tea sets were displayed, bought with the green stamp books collected. It was noted that Mrs. Mary Shaw had given the stamps for the second set. Myles Criss was guest speaker at this meeting, giving a lesson on Evensong.

In February the women decided that part of their Lenten program would be to save money ordinarily used for luncheon food, and have sacrificial meals. The money saved was to be sent to Bishop Hall in Hong Kong. Officers elected that month were Mrs. Boston Smith, President; Mrs. A. H. Moore, President-Elect; Mrs. Robert Millspaugh, Secretary; and Mrs. Leonard Steel, Treasurer. Dean Van Dyke had the program, on Alcoholism.

A special meeting was called by the Vestry in February. Bids

on furniture for the business offices of the church were presented and voted on, including a new dictating machine for the Rector.

The Treasurer reported the Diocesan convention a financial success with a profit of \$220.00. The women of All Souls' were to receive \$145.00 of this and \$75.00 was to go to the Bishop's Discretionary Fund.

Mr. George R. Payne, of Paterson, New Jersey, gave an illustrated lecture on the history and manufacture of mosaic glass, exhibiting the drawings for the new windows. The Vestry reviewed the contract and voted to approve it.

The Rector ended the meeting with the announcement that Father Norton wished to locate in a church of his own, and that he was looking for another Youth Director. He also noted that the Bishop wished Father Van Artsdalen to assume full time duties as a Diocesan Hospital Chaplain, and had requested the pension funds due him be converted into savings bonds and given to him. The Vestry voted to do this.

Mr. Coleman's closing comment was, "That every effort was being made to rid the church of pigeons." In March, Warden Barnes discussed the elimination of pigeons from the church grounds. The Vestry voted to hire an exterminator, if necessary.

Other March business included an audit of 1962 records and the budget for 1964, a discussion on assigning Vestry members to Parish organizations to get a realistic estimate of their needs, the need of a power lawnmower, a report on an error concerning Father Van Artsdalen's retirement fund, which was an endowment policy that had been transferred to the Diocese, and the employment of Mr. Olen Nalley as part time Youth Director. The Rector noted Mr. Nalley was a social case worker with the Oklahoma Department of Public Welfare, and had worked for the Presbyterian church, though he was a confirmed Episcopalian. His salary was \$25.00 a week.

Vestrymen and their wives were requested to act as hosts at the coffee hour after Evensong services on April third. They were to act as a greeting committee for visitors who stayed for coffee after Sunday services, also.

The Rector presented Mr. B. D. Eddie, Mr. Claude Monnet, an attorney, and Mr. Roy Rollins, marketing manager for Cities Service Oil Company, to the Vestry. These men presented a proposed plan to construct a Cities Service station on the northwest corner of Sixty-Third Street and Pennsylvania Avenue. The Vestry looked over the plans. The men advised the Vestry that though this property was originally platted for commercial use, the Town of Nichols Hills had zoned it for residential use. They planned to attempt to rezone the property for commercial use, and solicited the consent of the Parish, through the Vestry.

When the men had left the Vestry discussed the proposition, then voted to oppose any commercial use of the property or any other properties near the church.

At the Women's Board meeting in March, Mrs. O'Donoghue, Chairman of the 1963 Episcopal Churchwomen's Conference to

be held in Stillwater April 29-May 1, gave a prevue of the conference. She urged all the women to attend, noting that the women of **All Souls' were to sponsor fun night** at the conference.

At the **Auxiliary meeting** that month Father Shaw held a **Quiet Day** program for the women. In April the women heard a talk on Prayer, given by Mrs. Pigman, Devotion Life Chairman of the Diocesan Board. The Fellowship committee was thanked for their good work at the dinners held during Lent.

At the April Vestry meeting the Rector introduced the Rev. Mr. Frank Crowe, special assistant to the Bishop. The Rev. Mr. Crowe explained he had a long range project for two Diocesan institutions, St. Crispin's Conference Center in Seminole County, and St. Andrew's Collegiate Center in Stillwater. St. Crispin's was designed as a spiritual renewal center for all churches and St. Andrew's Center was to serve the students at Oklahoma State University. He pointed out that St. John's in Norman already had such facilities, but that St. Andrew's had only the land and had no money to build a building. The same was true of St. Crispin's as their land had been bought by the youth groups of the Diocese. Each of these projects needed around \$200,000.00.

Mr. Crowe explained that the previous drive to raise \$1,000,000.00 only netted \$574,000.00 for the Diocese, and this was needed to provide a Suffragan Bishop, and help the mission of the Diocese. He suggested that the records of All Souls' revealed that many parishioners were not contacted for this drive and that it was felt that the congregation should be given the opportunity to support these projects.

Mr. Lichtenheld, Treasurer, then reported that the expenditures and receipts were running close to the budget.

Mr. W. O. Coleman, head Usher, reported the attendance during 1961 was 36,807 persons attending services; in 1962, 47,567 attended. He said that 2,391 attended Easter services in 1962, and 3,881 attended them in 1963. The Vestry expressed their gratitude for his keeping these records and training the ushers.

Reports revealed that Mr. Coleman was to direct the ushers at the service of Consecration of the Suffragan Bishop; that the pigeon proofing services had been engaged; that Sexton Bill Rhodes had **resigned** on twenty-four hours notice; and Mr. Jim Frank had **been hired** to fill his **job** at a salary of \$300.00 a month.

The Rector reported that during a recent Lenten preaching trip to Buffalo, New York, he had interviewed the Rev. Jack Leather, a Rector in a parish church there, who was an old seminary classmate. He was married and had two daughters, and the climate of Buffalo had become a health problem to his family. He desired to be called to the Southwest. His salary was \$6,600.00 a year. Father Shaw requested that he be called at this salary, and that the two curatages now owned by the church be **sold** to acquire a more adequate home for an associate Rector . . . **providing** this could be **done** with no **more expense** than the two houses involved.

The discussion that followed revealed that Father Shaw plan-

ned to keep Mr. Olen Nalley on a half time basis at \$2,400.00 a year, and Father Curtis, a retired minister who had been helping, at \$1,200.00 a year, to assist with services. This plan would cost less than the two Curates then employed. He planned Father Leather would share the preaching and head the church school. The Vestry voted for him to proceed with this call.

It was announced the consecration for the Rev. Frederick W. Putnam, Jr., to be Suffragan Bishop of Oklahoma, would take place at the Municipal Auditorium on May 20, 1963, at 10:30 a.m. All Vestrymen were asked to be in the procession, along with the vested Layreaders. A luncheon was to be served following this service.

A letter was read from Mr. Frank Hightower concerning a cope and mitre for the Suffragan Bishop to cost \$280.00. All Vestrymen in Oklahoma were asked to contribute to this purchase. Dr. Barnes asked that All Souls' contributions be mailed to him.

A special meeting was called in May to discuss the paving of the parking area east of the church. Mr. Jack Myracle, of Herd Equipment Company, presented the plan. He advised the Vestry if they would furnish all materials, his company would donate the labor and equipment for the project. The Vestry voted to accept this generous offer, providing it did not exceed \$1,500.00.

At the regular May Vestry meeting the Rector reported that the Rev. Jack Leather had accepted the call to All Souls' and would assume his duties in mid-July. He stated that Father Van Artsdalen would end his services in the church September 1, 1963, and that Curate Norton had accepted a church in South Florida.

Mr. Lichtenheld reported that though in the previous months he was ahead in collections that the church was now behind about \$2,00.00. This was partly due to expenditures on equipment.

The Rector advised the Vestry that the Bishop wanted to purchase the curatage that Father Van Artsdalen lived in at 1725 Winchester, for the equity All Souls' had in the property, (\$4,340.32), so that the Van Artsdalens would not have to move after assuming the Diocesan job. The Vestry voted to sell the property to the Diocese, having them assume the mortgage.

A discussion followed on extending air ducts to the nursery from a small unit, so that it could be cooled and heated without heating the large Parish Hall. The Vestry voted to spend \$312.00 to do this work.

It was announced the same schedule of Church services would be maintained the year around, since changing them in summer only confused people. The Church School schedule was to be modified, and the nursery was to be divided into two groups to keep order and accommodate children up to school age.

The meeting ended with a discussion on a large chart of the proposed parking area, with parking spaces marked out. These were to be sold to members at ten dollars a space to help defray the cost of the materials needed.

At the Women's Board meeting in May Mrs. Don O'Donoghue was complimented on her work as Chairman at the Spring Con-

ference. The women passed a resolution stating, "The women of All Souls' express to her their pride and gratitude for her gift to the women of the Diocese, of herself and her talents."

Two other members were also complimented. Mrs. Clifford Frates for her work on the Executive Board, and Mrs. Al Seaman who had served two terms as chairman of "Every Churchwoman a Missioner". Mrs. Seaman was moving to Houston.

Mrs. Hoffman reported a balance of \$572.27 in the bank. She stated that \$200.00 had been sent to Bishop Hall in Hong Kong, which had been made on the Lenten dinners.

Mrs. Boston Smith appointed her committee chairman for the year and Mrs. Joy was given a standing vote of "Thanks" for her able guidance as president.

Father Shaw announced that the members of the Women's Board would also march in the procession at the consecration of the Suffragan Bishop.

Mr. Lichtenheld notified the Vestry in June that he had no money to operate on. He pointed out collections at this time of year were slow to come in, and that expenditures were running slightly above normal. Too, there was no rent from the school during summer months.

Announcements reveal that Mrs. Harriet Raulston, secretary, had resigned to go to her home parish, (St. John's), to work; Mrs. Margaret Woods, a parishioner of All Souls' had been employed at \$300.00 a month to replace her; and that Father Leather and his family were to arrive by July 7, and were to be housed temporarily in Father Norton's curatage.

The Vestry discussed the renewal of the Montessori Division of the Casady School lease. They wanted to rent the same area at seventy-five cents a square foot while the Rector was asking one dollar a foot.

It was noted that \$1,760.00 was paid into the parking lot fund from the sale of spaces. The base of the area had been completed. One and one-half inches of overlay asphalt was to be added in a few months to complete the job. It cost \$6,000.00. Lime to stabilize the back area of the lot cost \$125.00, and the Vestry voted to secure financing to complete the project.

Father Shaw reminded the Vestry there would be no regular meetings in July and August. He stated that Bishop Putnam would be at all three services July seventh, to get acquainted with the church. He noted that Lippert Construction Company had already started to work on the organ chamber.

Mr. Joy reminded the men that the Brotherhood of St. Andrew would continue to meet weekly, on Mondays at 7:30 p.m.

In September Mr. Lichtenheld advised the Vestry he had borrowed \$3,000.00 from the Youth Director's Fund. He reminded the men that fixed expenses of the church ran \$9,392.00 a month, and that caution must be used on all expense. He asked that all church organizations submit budgets by October. The outstanding Building Fund pledges then totaled \$26,640.00.

The Rector announced that an anonymous member of the

church had loaned funds to purchase a Rectory for Father Leather. The loan was at 5½% for 25 years. He called attention to By-Laws, Section 25. "Three unexcused absences from Vestry meeting during any calendar year automatically expels the absentee member from the Vestry." He pointed out that there had been excessive absences, and these must be reported before meetings to be missed. The Vestry voted to list in the minutes all excused and unexcused absences.

It was reported that twenty-five families moved into the church and six moved out during the summer. That Mr. Charles Stewart, founder of the Boy Scout Troop and Scoutmaster for five years, wanted to be replaced. Mr. Fezler was asked to search for a new Scoutmaster.

The Vestry voted to use the money from the sale of the curatage, plus a loan from the Youth Director's Fund, to pay for the parking lot. They also voted to contact new members for contributions to the Church Building Fund.

John L. Finegan resigned from the Vestry because he was moving to Tulsa. Mr. H. L. Douglass was elected to fill this vacancy until the next Parish meeting.

In October an analysis of the church's insurance policies was given by Mr. Tom Wilkes of the Frates Company. The Vestry voted to replace separate policies by a new package policy giving a 90% coverage on the Church Building which was valued at \$568,000.00. The contents insurance was also to be reviewed when a new inventory was complete.

Mr. Lichtenheld reported the current pledges were running behind . . . \$82,500.00 should have been paid, while only \$75,000.00 had been collected. Expenses were ahead of estimates. He was in arrears \$3,907.00 in payments due. He owed the Altar Guild; the Women's Board; Diocesan payments; the National Church; Bob Evans, the Seminarian; the Bishop of Damaraland; and Voom. He also owed \$953.95 on the parking lot.

The Rector, trying to be cheerful, announced that on Loyalty Sunday 282 pledges were received from adults totaling \$85,903.60. Sixty-seven children pledged \$1,023.40. These pledges reflected a pattern of increase in giving by many family units in the parish. There were 1,100 communicants in the Parish, twelve years of age or older, and 400 family units.

It was announced that the curatage at 10205 Hasley Place was sold for a \$500.00 note to be paid within a year and assumption of the loan; that three Eagle Scouts would be presented at the 9:15 service October 27, 1963; that the Vestry was presenting Mr. Stewart a plaque or scroll for his long and faithful service as Scoutmaster; that three new prayer chairs had been placed in the small chapel by the Brooks Hall family; and that The Reverend Mr. Leather was doing well with the Youth Program, creating new interest in the youth of the church.

The Vestry expressed their appreciation to Myles Criss, noting that he was doing a fine job as Choirmaster and Organist. They

voted to hire an assistant organist at \$50.00 a month starting September 1, 1963.

It was revealed the organ would be installed in November. Mr. Lichtenheld pointed out certain expense would be incurred with the blessing of this Griffing Memorial, when it was presented to the public. Invitations and brochures were to be mailed out, and an honorarium was to be paid the organist for the recital at this service. The Vestry voted to use \$250.00 for this expense.

Minutes of the Women's Board in September stated that \$400.00 had been received from the College Ball. At their October meeting the women voted to use this money to start a library in the church lounge. Mrs. Edward Soule was to have charge of this work.

Mrs. W. B. Kennedy gave a Brownie Kodak to take pictures for the All Souls' scrap book that was being made by Mrs. James Gill, Mrs. Dale Chegwin, and Mrs. John Cochrane. Mrs. Ted Wilcox, representative to the United Church Women, announced the World Community Day would be held November first. She asked the women to be responsible for kits with towels, wash cloths, tooth brushes, toothpaste and other items. They were to cost \$2.25 and the women voted that each Guild should be responsible for four kits each. Mrs. Grass reported on the stamp book collection, noting that besides the silverplated ware, she had obtained clocks for the kitchen and lounges, a stepladder and other items. She asked that this job be assigned to another woman.

The meeting ended with the Rev. Jack Leather speaking about the study book, "Discipleship", which was to be studied by the Guilds that year.

In November 252 pounds of used clothing was sent from the church to the United Clothing Bank. Sheets were also sent to a Mission in Bluff, Utah. The U.T.O. ingathering netted \$320.00 with 127 women participating, and the Treasurer reported a balance of \$448.50.

Mrs. George Gaither reported that seven new transfers had come into the church in October; twenty-eight families had signed the guest book in November; twenty-two of these had attended the Newcomers luncheon; and fifteen of them had been placed in Guilds.

Mrs. Orville Dew announced the purchase of thirty-six new cups and saucers for the kitchen. The women were asked to bring old crib sheets and stuffed toys to the Nursery in the church to take care of some of their needs.

At the November Vestry meeting it was reported that members were paying on pledges for 1963, 1962, and 1961. Statements sent out each month had helped with this collection. The Treasurer still owed about \$3,000.00 but most of the bills had been paid.

The Rector announced that the new organ had cost \$68,050.00. The electrical equipment, the memorial plate, switches, and finishing work in the chancel would raise the completed job to \$73,701.10. He stated that the church had only \$47,522.35 in the

savings fund for the organ and in order to save interest of \$400.00 due December 1, it was necessary to borrow money to pay this bill.

It was pointed out that the \$7,000.00 originally given by Mr. and Mrs. Boston W. Smith as a memorial to Mrs. Roy Hoffman, had been used as a downpayment. But when the church received funds from the Griffing Family Trust, this money was designated by the Smiths to be set aside for an endowment to help give assistance to seminarians. The Vestry voted to borrow the needed money from the Penn Square Bank.

It was noted that 386 pledges had been received from adults. Sixty-seven pledges from young people, added to the adults totaled \$115,131.30. A gain of \$22,000.00.

Other business included appointing the nominating committee; insuring the contents of the church for \$100,000.00; discussing a raise in salary for Mr. Criss which was promised at the end of the first six months, but a year had passed with no raise; a request that the adult choir sing at one 9:15 service at least once a month; and Dr. Berger advising the Vestry the need of a table and desk for the library.

The Rector advised the Vestry that the large stained glass window for the Narthex had arrived but the glaziers union was on strike thus preventing it being installed. He hoped it would be in place soon.

Mr. Bill Robins, Lay Missioner of the Diocese, reported establishing a mission in Yukon. The Rev. Keith Mathers, Vicar of the Church of the Resurrection, was developing the mission with the help of Lay Readers from his church. All Souls' loaned them 25 folding prayer chairs, and some prayer books to help out. St. Andrew's Brotherhood gave them \$25.00. About 20 persons were attending services in the rented building.

Twenty-nine young people from All Souls' attended the regional conference. Father Leather reported that he was calling on these young people to encourage them to attend the church school.

At the women's Board meeting in December Mrs. Leonard Steele presented the Budget for the coming year. This was followed by a report on the library from Mrs. Edward Soule. She announced the library would be open Sunday, December 15, and that books could be checked out for two weeks period. The book case on the west wall was a gift in memory of Robert J. Emery, and the twelve volume set of "The Interpreters Bible" was a gift from the Rev. Mr. Shaw. New books purchased totaled \$71.20, and \$51.77 had been spent on supplies. She stated the library would be open after all services.

Mrs. A. C. Lisle, Senior Assembly representative, reported that the Assembly was organized in 1954 for children of the tenth, eleventh, and twelfth grades. All Souls' received \$14,050.00 from this group to date, made from their dances. In 1956 the Senior Assembly organized another group of children in the eighth and ninth grades and All Souls' received \$9,647.60 from

this group. The College Ball, organized in 1958, had given All Souls' \$2,470.00, a total of \$26,167.60. The women were very appreciative of these gifts.

Mrs. Soule announced that in November 160 magazines had been collected at the church and distributed in hospitals. She asked everyone to bring magazines received in the last six months to help out.

At the December Vestry meeting the Treasurer announced that he expected to have a small surplus at the end of the year. The budget was presented, discussed, and accepted. The nominations for officers were reviewed and the Vestry emphasized that all members should attend the Annual Parish Meeting, January 12, 1964.

The Rector reviewed, with satisfaction, the improvement made in the church during the year. He pointed out that the church still needed more parking area. He discussed the possibility of a lot across Pennsylvania.

Other business included Dr. Eliel advising the Vestry there was a need for a volunteer to answer the phone during church school hours so that the classes would not be disturbed. The Rector thanked the retiring vestrymen, wardens and Myles Criss for their work during the year.

1964

The Annual Parish Meeting was held in the Parish Hall of All Souls' Church on January 12, 1964, at 7:30 p.m. After the members sang "The Church's One Foundation", the Rector led the meeting in an invocation Collect.

The Honorable Boston W. Smith was elected Senior Warden; Mr. Clifford L. Frates was elected Junior Warden; Messrs. James B. Diggs, M. Day Fezler, Jr., Henry B. Taliferro, Jr., and Drs. Leonard P. Eliel and William J. Weir were elected to serve one year terms on the Vestry. Messrs. Russell L. Brown, Donald S. Kennedy, Jack Myracle, Lee O. Teague, and Ben C. Wileman were elected to two year terms on the Vestry.

Mr. Fred A. Lichtenheld's report on the 1964 budget was unanimously accepted. The results of the canvass showed 430 adults pledged \$124,478.80, and 76 children pledged \$1,071.90.

After convention delegates were elected the Rector expressed his appreciation for the help of Rev. Jack Leather. Rev. Mr. Leather thanked the congregation for their hospitality to him and his family.

Written reports were handed to the congregation from the various organizations in the church, to save time. Myles Criss announced his goal for the year was to improve congregational singing. The congregation were amused at this statement claiming that he played the new organ so loud that it drowned out their voices, and he couldn't hear them sing.

The Rector discussed his objective for the year . . . "That we all grow spiritually together, and grow in grace with our Father in Heaven." Some of the reports showed the following: that the church debt on properties totaled \$189,581.16; the library con-

tained 245 books; St. Vincent's had 48 members; St. Peter and St. John members were assisting the priest in church services; Susie Gunderson was Fleur de Lis Queen; Sally Berger was President of the Junior E.Y.O., and Tripp Fezler was President of the Senior E.Y.O.; Mrs. William B. Kennedy directed the Altar Guild; and Marshall Joy was Key Layman of the Parish.

At the February meeting of the Vestry Mr. Henry B. Taliaferro, Jr., was elected clerk for the year; Mr. Fred Lichtenheld, Treasurer; Mr. H. L. Douglass, Chancellor; Dr. W. J. Weir, Deputy Clerk; and Mr. Jean I. Everest was appointed Chairman of the Annual Canvass.

Mr. Rolland E. Kerns reported on his audit of the church books, which saved the church \$600.00. He was very complimentary on the Treasurer's records. Other discussions included a report from Mr. Jack Myracle on improving the parking and recreation area on the north side of the church; a report by Mr. Taliaferro on renewing the loan agreement at the Liberty National Bank, pointing out that bank officials had stated that the church accounts had been withdrawn from the Liberty Bank; and the recommendation that Robert R. Evans be made a Deacon since he was due to graduate from Nashota House Seminary in June, 1964.

At the Women's Board meeting that month they discussed St. James Thrift Shop for old clothing; the Annual Retreat at Kellogg Center in Norman; and the Pancake supper set for February eleventh. The President of the Choir Mothers, Mrs. John D. Walters, and the Periodical Chairman, Mrs. Robert Watson, were introduced. The women voted to serve lunch to the Organ Workshop to be held in the church February twenty-ninth. It was announced that Blanche Gordon had been elected chairman, with Dorothea Corbyn, co-chairman of the Senior Assembly.

Mrs. A. H. Moore was elected President for the following year, at the election that day. Mrs. E. Peter Hoffman, President-Elect; Mrs. Leonard N. Steele, Treasurer; Mrs. Charles E. Rose, Recording Secretary, who was later replaced by Mrs. Lew Meibergen; and Mrs. Charles B. Ming, Corresponding Secretary.

It was announced that paper back books and comics were needed, as well as magazines for the hospitals; that the Lenten Study program was to be a review of Father Mohringer's book, "Adam, Where Are You?"; and that Mrs. Walters had charge of making choir vestments for the girls which should be done by Easter.

A Sunday School report in March, given by Jack H. Coleman, revealed that approximately 400 children were enrolled in classes, each staffed by two teachers. About 80% of these children were on church rolls, but only 50% of them attended the church school. The Vestrymen were asked to urge parents to have their children attend Sunday School regularly. Mr. Coleman stated that the St. James Lesson Series was being used, and that the instruction had improved.

The Rev. Mr. Leather noted that there was a rapid flow of

new families moving into the Parish. He said that the young people from these families were adding to the Parish life.

Business included a report that the church funds should remain at the Penn Square Bank due to the use of the night depository service. It was revealed that robbers had entered many churches in the Northwest area. This was followed by a discussion on fire alarm systems, which would reduce the insurance about \$145.00 a year, but cost \$6,000.00 to install. The Vestry voted to pave an entrance to the parking area north of the church at a cost of \$410.00, and to assign Mr. Fezler to investigate installing doors in the undercroft to reduce air-conditioning costs.

It was announced that Mr. Gordon Younce had become Scoutmaster; that a cantata would be performed Good Friday evening; that Mr. W. W. Hulsey had presented the church with crests to be worn by the ushers at church services; that Mr. Hulsey and Mr. Frates had given a storm door for the associate Rector's house; and that the Organ concert given by Marie-Claire Alain, sponsored by the American Guild of Organists, was attended by an overflow crowd.

During April Mr. George Miskovsky and Mr. Paul R. Snetcher each donated flag poles for the south churchyard, and Mr. and Mrs. Boston Smith gave \$2,000.00 of their \$7,000.00 gift to purchase a fleche for the baptismal font. The remaining \$5,000.00 was to be put in the First National Bank and Trust Company to be known as the Estelle Hoffman Seminary Fund, to assist seminarians.

It was reported that the G. T. Case Company was using the parking lot to demonstrate its equipment, "Tractorama", and would seal, stabilize, and pave the parking area for only \$900.00. Other discussions included the possibility of the Casady Lower School moving to their main campus on Britton Road; that the By-Laws be amended to read: "That in the absence of the Rector, the Associate Rector had power to preside, and if both rectors were absent the Senior Warden could preside"; and the need of a new head usher, since Mr. William O. Coleman had to curtail his many activities. The Vestry accepted this resignation with regret.

The minutes of the Women's Board in April reveal that sixty-seven families had been called on during March and April. Fifteen of the women from these families had attended the Newcomer's luncheon. The library report showed 286 books shelved in that room, 32 of them being new ones. A Memorial Book Fund had been established that had \$50.00 in it. Madge Lisle reported that the Senior Assembly was giving All Souls' \$1,700.00, from funds raised that year.

At the May meeting the new officers were installed. The women discussed money left in their bank account and voted to send it to Father Griswold in Africa. A plea was made for Gift Star premiums to help purchase items for St. Crispin's Conference Center.

Mrs. Jack Coleman announced that \$305.00 had been received

at the Spring ingathering of Blue Boxes. Mrs. Soule noted that 60 new books and 25 old ones had been added to the library in May, increasing it by one-third that month.

During May the Vestry appointed Mr. Coleman to investigate adding physical facilities to the church property, including a Youth Center. The center was to include a gymnasium and other rooms for meetings and recreation. It was pointed out that the young people's interest waned after confirmation. It was noted that fifty young people were then attending pre-confirmation classes.

The Rector presented a proposed retirement plan for the Organist-Choirmaster, which was accepted. The Vestry voted to have the Adult Choir sing at 9:15 services once a month on Sunday, and the Youth Choir to sing at an 11:00 o'clock services once a month.

In June the Treasurer cautioned the Vestry that expenses were running ahead of the budget and that during the summer they should use caution in spending funds.

Due to past discussions, the Rector asked a written report on the duties of an Associate Rector be recorded in the Vestry Minutes. It was noted that Father Leather was the first Associate Rector and that these two clergymen were working as a team, sharing duties. They called on the sick, held services of worship, preached and worked in other areas. Too, in event of the departure of the Rector it needed to be noted that the associate rector should be given consideration for the Rector's job, along with other applicants. If a Rector preferred to go elsewhere he should be given ample time to find a new position. The Vestry took this under consideration.

The Vestry reviewed an offer from Notifier Electronics Corporation, headed by Mr. Marshall Joy, to install a fire alarm system with payments starting in 1965. The Vestry accepted the offer providing the wiring was concealed. Mr. Myracle noted that it might be possible to have volunteers with equipment and labor to apply a single bituminous layer on the north parking lot if the Vestry would provide materials. The Vestry voted to provide the material, noting that Mr. Joe Womastek had donated the top soil for the parking lot. They also voted to express their appreciation to the Altar Guild for new Vestments, and the Fleur de Lis for new flags for the church interior.

The Reverend Earl N. Kragnes, Director of the Oklahoma Council of Churches, was introduced to the Vestry. He discussed the program and function of the Council of Churches, of which the Episcopal Diocese of Oklahoma was a member. Mr. Taliaferro then discussed the recent opinion of the United States Government concerning prayer in Public Schools. He pointed out it did not prohibit prayer in schools, but prohibited units of government from prescribing particular form of religious exercise to be used in the schools.

The Vestry took a vacation in July and August. When they met in September the Treasurer reported the pledge payments

had held up well during the summer. There was a surplus of \$200.00. He reminded the Vestry to turn in their budget estimates for 1965.

Reports included activities of the Scout Troop, headed by Mr. Charles Hessmer, as Scoutmaster; a visit to the Youth Center of the First Christian Church by the church committee; water-proofing the north parking lot for \$800.00, before winter set in; that Father Leather, formerly a Fellow of the College of Preachers at National Cathedral, Washington, D. C., had been invited to attend a preaching seminar there in October; and that Bishop Powell and Father Wilcox recommended All Souls' include \$2.00 per parish family in the budget to cover the cost of subscriptions to the Episcopal Magazine.

The Rector reminded the Vestry that All Souls' would reach its twenty-fifth anniversary in 1969 and plans should be made for a celebration of this anniversary. The Vestry voted to make all past Senior Wardens and past Presidents of the Women's Auxiliary of All Souls' Parish, members of the Twenty-fifth Anniversary Planning Committee. Mr. John Hassler was assigned the job of Chairman.

The Senior Warden distributed a tract titled "The True Function of a Parish", to the Vestry. He discussed its message, pointing out the Vestry should assist the Clergy in setting the spiritual tone of the Parish. He noted the Vestry was prompt to manage fiscal affairs but lax in its spiritual role.

At the Women's Board meeting in September they voted to use 75% of their money from luncheons for programming and 25% of it for the kitchen. They accepted a check for \$121.12 from B. C. Clark for a percentage of purchases made by members in that store.

Jean Walters reported the United Church Women were gathering school bags filled with supplies to be sent to Africa and Brazil. The women voted to buy supplies with money already collected, for this project.

Other reports included one from Carol Soule on the Library, which then held 377 books, with 89 new ones. She stated she had spent \$301.36 on this project and had \$75.00 in the Memorial Fund. She showed an architect's drawing for book shelves and a seal for book plates drawn by Gary Leget. Marion Hoffman reported that the "Discipleship" books were ready for Guild Chairmen to take to their study groups. Helene Rogers stated the Church Music Conference was a success, making \$42.80. Posie Warmker reminded the group she needed pictures of the women at work for the scrap book and suggested they call her to make pictures.

It was announced to the Vestry in October that \$70,000.00 had been pledged on Loyalty Sunday. The Vestry turned their attention that month, to the tract that had been handed to them at the September meeting. They wondered if the Vestry was exercising the proper concern over the spiritual well-being of the Parish.

A discussion followed on the need and feasibility of a home for the aged, on the Parish grounds. Chancellor Douglass was assigned to contact the Bishop's Office to obtain information on St. Simeon's Home in Tulsa. In November it was reported the church property was zoned for single family dwellings and that attempts to rezone it had not been successful.

Other business in November included the resignation of Mrs. Jo Wood as bookkeeper; and the consideration of a new tract given out by the Rector entitled "I am a Vestryman".

At the Women's Board meeting that month the women voted to spend \$250.00 for library shelves and to send \$100.00 to the Francis Casady Scholarship Fund. This money came from the College Ball fund. The Treasurer reported a balance of \$1,611.22.

Other reports reveal that \$373.72 had been collected at the ingathering of Blue Boxes, with 159 women participating; 42 newcomers had been called on in October and 19 in November. Baby clothes were collected by Betty Neilson for Pine Ridge Mission in South Dakota, and Sara Garnett collected clothing for the Little Axe Mission near Norman.

By December \$144,000.00 had been pledged on the annual Canvass. The Vestry was very happy over the results. At this meeting Mr. James H. Mara, Director of St. Crispin's Conference Center, was present to report on the progress of the center, and its plans for the future. He needed funds for construction from individuals to supplement funds of the Diocese.

The Budget for 1965 was presented and approved. The Rector then read the nominating committee report. He announced that Mr. Lichtenheld had agreed to serve as Parish Business Manager without a salary. The Vestry was very appreciative of this offer, voting to appropriate \$50.00 a month for his automobile expense.

Other business included the employing of Mrs. Jean Walters as bookkeeper; voting to give each Parish employee \$25.00 for a Christmas gift; and thanking Mr. Myracle and the Herd Equipment Company for the work on the north parking area.

The Conference of the Episcopal Youth of Oklahoma, held at All Souls' church, was reported to be a great success. Much of the credit for this went to the Rev. Mr. Leather.

At the close of the meeting it was announced that the Bishop would be present at All Souls' Church on Wednesday, December 9, 1964, to hold confirmation services.

At the Women's Board meeting in December it was reported that Jan Bachofer of New York City was the recipient of the Francis Casady Scholarship Fund that year. It was suggested that a Christmas card be sent to her from the women of the church.

Reports reveal that 176 magazines were distributed to hospitals that month, and 14 newcomers were called on. Betty Neilson read a letter from St. Augustine's Home in Guthrie stating how badly they needed gifts of money, furniture and small items.

The women voted to collect gifts for them to be stored in Helene Rogers' garage.

Bobbie Spradling reported 166 women contributed to the United Thank Offering which then totalled \$446.63. Sara Garnett stated she had taken a carload of clothing to the Little Axe Mission.

1965

The Annual Parish Meeting was held in All Souls' Parish Hall January 10, 1965. Reports from this meeting reveal that Mr. Clifford L. Frates was elected Senior Warden; Dr. Leonard P. Eliel, Junior Warden; and Messrs. Richard Clement, Jean I. Everest, L. J. Hays, Jr., John M. Mee and Pat Patterson were elected to the Vestry.

An audit showed the total indebtedness of the church had been reduced to \$174,299.69. Other reports showed Willard Tice and Myles Criss were directors of the Order of St. Vincent; H. Westley Whitlock Jr., directed the Brotherhood of St. Andrew; William R. Robins Jr., was Mission developer in Greater Oklahoma City; Pat J. Patterson directed the Lay Readers; Sally Gruenig was President of the Senior Youth Group; John Gruenig was President of the Junior Youth Group; Caroline Howard was Queen of Fleur de Lis; M. Day Fezler Jr., was Boy Scout representative; Mr. C. W. Hessmer was Scoutmaster; Mrs. Charles L. Reynolds was Directress of the Altar Guild; Mr. R. E. Kerns audited the church books; and Mr. Russell Brown was appointed Keyman for the coming year.

The Rector presented retiring Warden Smith with an embossed Book of Common Prayer as a token of appreciation for his service. He then announced that the Casady Lower School was moving from the Parish Hall, but that the Primary School would remain. He noted that Ted Soule had given materials for needlepoint kneelers for the Altar and that they were being made by the women of the church under the direction of Mrs. Benjamin Brewster.

The Rector summed up his hopes for the year by quoting a letter written by the Rev. William Yardley, Rector of Chatham Hall in Virginia. "In 1965 you will need strength. May you have resilience rather than cynical toughness. You will need courage. May you have that which is born of faith rather than of desperation. You will need adaptability. May you greet changing times as a joyful challenge and not as a thing to be feared. You will need cheerfulness. May it always be happy and not hectic. You will need companionship. May it always be warm and loving. You will need ideals. May you never lose the freshness of youth but add to it the wisdom of maturity."

At the February meeting Pat J. Patterson was elected clerk; Fred A. Lichtenheld, Treasurer; and H. L. Douglass, Chancellor. It was announced that Dale Chegwin had been elected to serve with the Bishop and Council at the Diocesan Convention.

The Rector discussed his committees for the year and closed the meeting by recommending each member of the Vestry read

the booklet covering the M.R.I., (The Mutual Responsibility and Interdependence in the Body of Christ), program.

The women at this period discussed the convention. The delegates who attended were Betty Kennedy, Marion Hoffman, Martha Haswell, Connie Hill, Emily Shurley, Eleanora Towles, and Sara Garnett.

Other business was a call for clean clothing and blankets for the needy; a report that new cups and saucers had arrived for the kitchen; and a proposed change in the constitution read by Leota Danforth. Pat MacKay reported calling on 21 newcomers; Betty Neilson asked for drug samples to be sent to Central America; and the women were reminded to take furniture to Helene Rogers' garage and clothing to the church, which St. Hilda's Guild was to take on to the Little Axe Mission, along with a box of apples.

The Women had \$2,081.18 in their funds in February. Officers elected were Marion Hoffman, President; Betty Kennedy, President-Elect; Irene Buck, Recording Secretary; Joyce Gaither, Corresponding Secretary; and Rosalie Patzack, Treasurer. Mrs. John T. Spradling was elected Directress by the Altar Guild that year.

Reports revealed that 205 magazines were taken to hospitals; 40 new books had been added to the library; 29 newcomers were called on; and a Quiet Day was set for March 9, which Father Wilcox of Tulsa would conduct.

The Vestry held a second meeting in February to discuss St. Matthias Mission. A request had come from that church for \$50.00 a month to help support it. The Vestry voted to give them this aid.

At this meeting the Vestry voted to change the water cooled units to the air-conditioning to air-cooled ones, at a cost of about \$8,000.00. They discussed the possibility of All Souls' giving a building to St. Crispins Center to commemorate the church's twenty-fifth anniversary, suggesting pledge cards might be sent out. Mr. Taliaferro was assigned the job of bringing a model of the Center to the next meeting.

They discussed the Reconvened Diocesan Convention to be held at All Souls' Church at 4:30 P.M. Friday, April 2 through April 3. The Vestry were told they must be ready to act as hosts. The Rector reminded the men that the Scoutmaster had to be replaced and he needed suggested names.

In April Lee O. Teague reported on the opinions of those attending the convention. The Vestry discussed the M.R.I. program and Jack Hays recommended that there be specific goals set. Mr. Boston Smith re-emphasized this, pointing out the serious need for action.

Dick Clements discussed ushering, reminding the men not to seat latecomers during prayers. The meeting was then turned over to Boots Taliaferro and Jim Mara who exhibited a model of St. Crispins Center, explaining its present state and the future projects. The Vestry took no action.

At the Auxiliary that month the women also discussed the convention. They discussed the coming Diocesan conference at Stillwater, and ended the meeting by reporting that Charlotte Hamilton had distributed 338 magazines to hospitals in March.

At a luncheon in May the women installed their new officers. They announced there would be a training session for new board members and officers on Monday, May 24.

Posey Warmker was given a vote of appreciation for her work on the church scrapbook, which was awarded first prize at the Women's Conference in Stillwater. It was announced that B. C. Clark had sent a check for \$189.47, which was 3% on purchases of members during the year.

The women voted to spend \$50.00 on jeans for Church World Service, and to send \$75.00 of the money received from B. C. Clark to the Rev. Mr. Mann, and \$75.00 to Mrs. Griswold in Africa.

At the Vestry meeting in May it was reported that the Scout Troop charter had to be renewed immediately. They still needed a Scoutmaster, too.

The Vestry discussed M.R.I. again. Warden Frates read them an article from the *Episcopalian Magazine* on the subject, followed by another discussion, revealing a desire to have a closer individual relationship in Central America with the church there. Boston Smith pointed out that at the convention that it was brought out that M.R.I. should be installed at parish levels. Mr. Robert Millspaugh noted he had lived in Central America, in the jungle for four years, and that their problem was lack of education. The job was to find a way to educate them. Russell Brown and the Associate Rector were assigned as co-chairmen to involve the church in this project.

By June Dr. David L. McBride became Scoutmaster assisted by Willard P. Tice. Mr. Brown was replaced on the M.R.I. Committee by Jack Coleman.

A letter was read from the Right Reverend David Richards, Bishop of Central America, acknowledging a letter from Mr. Coleman. After a discussion, Mr. Frates pointed out he thought members should consider their responsibility to individuals in the church and state before going too far afield to help others. He stated that All Souls' had members who needed help both spiritually and materially. He recommended the Vestry be concerned with them also.

He further noted that the Vestrymen and churchmen had accepted their responsibilities in fine spirit. The clergy had given outstanding leadership. The women of All Souls' were first in the Diocese in Diocesan and national contributions, and were conducting an outstanding study program. He considered this the first step in Mutual Responsibility.

Dr. Eliel noted that the old, sick, and infirm needed help, as well as alcoholics, broken families, and children in trouble. He considered this the first step in Mutual Responsibility, suggest-

ing an inventory of the companion Diocese also be taken just to see where they needed help. The companion diocese referred to was Central America.

At the close of the meeting the Rector announced the portico had been damaged by two recent accidents and was being repaired. Other announcements included the need for landscaping around the parking lot; that it was recommended that Evening Prayer services be held at all evening meetings, by the Lay-readers; and that the Rev. W. C. Frey from Costa Rica would be in the Diocese from September 12 to October 3. He was to be at All Souls' September 19-25.

When the Vestry met in September the Rev. W. C. Frey was present to discuss the conditions of his diocese and answer questions. No action was taken by the Vestry.

At the close of the meeting the Rector invited the Vestrymen and their wives to be his guests at his Annual Dinner to be held November 17, 1965. He requested them to mark their calendars for that day.

At the Women's Board meeting in September it was reported that Betty Kennedy entertained for Jan Bachofer in June. Jan was the recipient of the Frances Casady Scholarship Fund and was attending the Union Theological Seminary in New York City.

It was announced that Carolyn Mee had charge of a bus tour to the United Fund Centers and Salvation Army on October 28; Mary Lou Weir had distributed 399 magazines during the summer; that a talent file was being made in the church office and all women were urged to participate in at least one area of the church work.

The women voted to give \$25.00 towards helping with the transportation of Norma Ratham to Central America, and Nell Moore sent \$10.00 to the Migrant Ministry for Thanksgiving for her year as President of the Women's Board. The women were urged to have their needlepoint kneelers finished and ready for use by November. The meeting closed with requests for suggestions for a memorial for Chris O'Donoghue, who had passed away quite suddenly at a medical convention during the summer.

It was reported at the Vestry meeting in October that T. Ray Phillips, Jr., had died shortly before the meeting started. The Vestry voted to send a letter of sympathy to the family. The Rector noted that Mr. Jack Hays was in the hospital with a heart attack.

The Vestry discussed the needed repairs in the parking areas, the sidewalk to the parking area on the south side, and replacing the cross on the steeple.

Rosalie Patzack reported a balance of \$1,418.29 at the Women's Board meeting in October. She noted that B. C. Clark had sent another check for \$70.25. The Budget was read and approved for the year.

Liz Chenault announced plans to have the kitchen cleaned and the silver polished once a month. She urged the women to leave the kitchen clean and in order after using.

Linda Massad reported the Fleur de Lis had 20 active girls. They helped at St. Matthias Sunday School, and on holidays had taken gifts to Rest Manor Home for the sick and aged.

A plea was made for children's clothes, shoes, diapers, vitamins, soap and Christmas gifts. They were to go to Migrant Workers Ministry. There was also a call for more used clothing which was urgently needed. It was noted that twenty dollars was to be collected from the Guilds to send kits to an Indian Mission School in South Dakota.

Other requests for gifts were, old jewelry for State Mental Hospitals; clothing, and gifts for children at Christmas, for Father Jones Mission work at Watonga and Fort Supply. Bobby Spradling reported that the Altar Guild of All Souls' had sent \$100.00 to the Diocese of Central America, to pay for 3 fair linens, altar vestments, a corporal, and a pall.

Pat Mackay reported 57 new families were contacted and that 14 of the women had attended the Newcomers luncheon. Mex Frates announced the memorial fund for Chris O'Donoghue had been given to the Frances Casady Fund.

Marion Hoffman gave a report on Father Mayhons and his Migrant Ministry at the November meeting. She stated five dollar memberships would be sold to help with his work.

Theo Kerns reported that 132 envelopes were turned in at the U.T.O. ingathering totalling \$346.79. It was noted that 900 magazines were collected and delivered in October; that a new Bible Group was organized and met for the first time that month; and that "Father Curtis Day" was to be held November 21, celebrating his fifty years as a Christian minister.

Linda Massad told of a festival planned by the women in Edmond for March 6, depicting the Church Festival Days. Tables were to be set, and brochures were to be given out telling the story of each festival table. The women of the church were urged to help Edmond promote this festival, and decorate tables.

The Vestry voted to buy Father Curtis a watch as a memento for his fifty years in the ministry in November. It was to be presented to him at a Vestry dinner on November seventeenth.

The Rector noted, at this meeting, that there would be \$12,000.00 in the Twenty-Fifth Anniversary fund by the following year. He then read a letter from the Rev. W. C. Frey in Central America. This letter stated he preferred to accept a loan from All Souls' rather than a gift in establishing a Conference Center in his diocese. He suggested \$1,200.00 to \$2,000.00 a year for ten years with no interest, to finance it.

The Vestry discussed this project and thought of the fund as a perpetual revolving fund for similar loans in the future. They voted to loan \$2,000.00 from this thanksgiving fund to the Diocese of Central America for a ten year term.

Dr. Alton Brown volunteered to donate a sidewalk from the South door of the church to the parking area, and Mr. Russell

Brown volunteered to donate a railing to go beside this walkway. The Vestry accepted these generous offers.

Mr. Donald S. Kennedy presented the proposed budget for \$168,490.00 for 1966. The Vestry eliminated the portion to support the National Council of Churches because it was believed that the Council was functioning as a political organization rather than a religious one.

Other business included, granting a severance pay of \$1,600.00 to Raymond Stone, a longtime employee who had become disabled. This was given to him to pay off the mortgage on his home. Mr. Lichtenheld was commended for his work and the excellent financial condition of the church. The Rector then presented the retiring Senior Warden an embossed prayer book as a token for his devoted service.

At the December meeting the women voted to help the Edmond Church with their festival tables. They discussed the possibility of setting up a craft shop in the church, and decided to send out questionnaires to see what the women's interests were.

Betty Neilson reported that she was collecting and delivering cookies to shut-ins. She stated that clothes and toys had been gathered and sent to the mission at Watonga.

The Bell Ringers from Wesley Methodist Church had to cancel their performance for December, but promised to come at a later date. Charlotte Hamilton asked for ideas for programs for the coming year.

1966

The Annual Parish Meeting was held in the Parish Hall on January 9, 1966. The Rector, who presided, pointed out that All Souls' had achieved two goals set for 1965. It had grown spiritually and had lifted its vision to those beyond the Parish boundaries, helping their fellowmen. The missionary field had received \$30,000.00 from the church that year.

The church had also adopted the new St. Matthias Mission at 90th and North Western. It sent financial help to Damaraland in Africa, and sent a monthly check to St. Crispin's Conference Center in Seminole. It was helping to build a conference Center in Costa Rica in the Central American Diocese.

A report on the church school showed it had grown to 600 students, and had one of the most complete visual aid departments possible.

The congregation of St. Matthias, under the leadership of the Rev. Keith Mathers, was reported meeting in the WKY-TV Studio C, temporarily. Bill Robins was canvassing the area for a still larger congregation. When this church grew, (a little later), the Vestry of All Souls aided them in renting a two-room block building at 1015 N.W. 90th Street. The garage to this building was converted into a chapel where 25 adults and 14 children attended services. The Fleur de Lis from All Souls' conducted their Sunday School.

Myles Criss thanked those who helped with church music on

Good Friday, and in Advent, when he presented the "Requiem", and "Cantata No. 140". Both had soloists and orchestra accompanying them. He mentioned the Women's Ensemble which performed for the McDowell Club, as well as, the Girls and Boys Choirs which sang for Oklahoma City University, and the Grey-stone Presbyterian Church. His year's work ended with a "Festival of Nine Lessons and Carols."

Reports showed the Library held 575 books at the year's end. The Boy Scout Troop had 38 members; St. Vincent's had 50 boys who assisted the priests in church services; Jean Hurst was President of the Senior Youth group; and Craig Fezler was President of the Junior Youth group. These two latter groups reported a trip to St. Crispin's Youth Center, and having outstanding programs for the year. Mr. and Mrs. John Drew were their sponsors.

A new Bible Study Group was reported to meet every Thursday under the leadership of Mrs. Jay T. Shirley. The 17 members of the Cambridge Club were also a study group led by Dr. and Mrs. L. C. Midkiff. Ronni Crewdson, Queen of the Fleur de Lis, reported the club made \$196.35 on their pancake supper. They had helped with Unicef, sent \$25.00 to Costa Rica to help a child care center, made Thanksgiving decorations for Rest Manor Nursing Home, and sang Christmas Carols at the Sunbeam Home, the Baptist Hospital, and Rest Manor in December.

The Building debt was reported to be \$162,048.01 at the end of 1965.

Dr. Leonard Eliel was elected Senior Warden at the meeting; Mr. Donald S. Kennedy, Junior Warden; Messrs. William Brook, Donald Hamilton, Norman Reynolds, Edward Warren, and Dr. James Lea, were elected to the Vestry.

In February the Vestry voted to study the National Council of Churches again, and to restore its support for 1966. They also discussed the traffic flow around the church and its problems. The Rector used this meeting to appoint his committees for the year.

The women started their year's work with a balance of \$2,161.83 in the treasurer's funds. At this meeting Nancy Midkiff appealed for toys for the Speech and Hearing Clinics. There was also a call for volunteers to help with book carts at the University Hospital.

Father Shaw told of plans for a year of Evangelism, which would include all churches in the Oklahoma City area.

In February it was reported that the Personnel File in the office was completed and when workers were needed the file would show which women were available.

Betty Neilson said her committee was planning something special for shut-ins for the Easter season. Mrs. Mex Frates noted the special service opportunities for the youth the coming summer. It was announced the next Newcomers Luncheon would be at Dorothy Miller's, February fifteenth.

The Vestry was reminded to attend the EYE meeting at Oklahoma City University, March 30: Mr. Russell Brown, Keyman, reported \$423.94 left from the Re-Convened EYE Convention fund. The Vestry voted this was to be used for any deficit in the 1966 convention.

A discussion followed on having quarterly dinner meetings with outside preachers as guest speakers. Dr. Eliel and Mr. Reynolds were appointed to investigate this.

Several gifts were reported to the Vestry in April. Three shields were given by the Taliaferro Family for the library; two bells were added to the Bell Tower, a gift from Dr. Don O'Donoghue, in memory of his beloved wife, Chris; and a newly planted landscaping project which was to be dedicated Rogation Sunday.

The Vestry discussed the church grounds and yard care. Mr. Teague reported that a contractor had offered to mow, trim, water, and fertilize the church grounds for \$240.00 a month. He also offered to buy all the used equipment belonging to the church for \$350.00 which could be applied to his bill. The Vestry voted to accept this bid.

Other business included a report on the patchwork in the parking area which Mr. Myracle said would be done without cost. A discussion followed on seating the congregation. Mr. Reynolds asked for better cooperation with ushers. He noted that people should take seats recommended to them. Jack L. Hays was appointed liaison man for St. Matthias Mission.

The Vestry voted to write a letter to the Right Reverend William S. Thomas, D.D., Suffragan Bishop of the Diocese of Pittsburgh, commending him on his excellent sermon on March 30, at Oklahoma City University.

It was recommended that Mr. Criss consider ringing the church bells at the start of evening services; and that a committee be appointed to study the National Council of Churches.

The women were very busy in April. They filled a pick-up truck and station wagon with used clothing and canned food, sending it to Watonga in response to a plea from Father Vern Jones. This was to help an Indian family who had lost their possessions in a fire. Marion Hoffman had charge of this work.

When the women helping returned, they suggested that the Guilds consider adopting a mental patient at the Western State Hospital at Fort Supply. It was reported that many of the patients were abandoned by their families, there, and needed to know someone cared for them. It was suggested gifts or cards be sent on birthdays and at Christmas or other occasions.

Carolyn Mee reported that Helen Putnam, Pat Mackay, and Alice Leather were giving their time and talents to Walnut Grove Community House, teaching the women how to sew. She reported they had need of materials, pins, buttons, and other sewing equipment.

The meeting ended with Father Shaw reporting that 1500 persons attended the Easter services, being 200 more than attended the previous year.

During May the Rev. Dan Treece spoke to the women on his work in the Walnut Grove Church. This was followed by a discussion on the study book to be used in the Guilds the following year, and the possibility of forming interests groups such as Choir Mothers, Craft workers, Gardeners, etc.

There was a call for volunteers to chaperone Junior Assembly parties which were being moved from St. Paul's Cathedral to All Souls' Church the coming year.

It was noted the Fleur de Lis had donated \$25.00 to St. Crispin's and \$25.00 to Father Frey, in Central America, for a scholarship for under privileged children.

At the July Vestry meeting a letter from Bishop Powell was read. He suggested that Mr. William K. Herod be hired as Deacon of the Church with expenses to be shared equally with the Diocese for his pay. His qualifications were read and discussed and the Vestry voted to accept this proposal. (It was pointed out that Mr. Herod was leaving his ministry in the Christian Church, in Stillwater, and was entering the Episcopal Church as a prospective minister). The Vestry voted to accept this suggestion.

At the September Vestry meeting it was announced that Mr. Herod would soon arrive to assume his duties. The Vestry also heard a report from the investigating committee on the National Council of Churches. They asked to delay the full report to the end of the year.

The Vestry discussed the Lenten Program, and concluded that it was a weak project. The Evangelism committee, Messrs. Clements, Brooks, Reynolds, and Dr. Eliel were asked to remedy this for the coming year.

In answer to a request from the Bishop on evaluation, Mr. Teague gave a report on M.R.I. which suggested a permanent committee be set up. That they stay out of government and social work, and stay with religion. The theme to be "Do Unto Others". It was suggested to set aims to work towards, and assign responsibilities to everyone in the Parish, not just the ministers. It was further pointed out that there seemed to be two classes of people in the Parish . . . those who did nothing about Mutual Responsibility and Interdependence in the Body of Christ, and those who wanted to ignore their own Parish and do work in foreign countries. It was recommended that the Vestry study Installments #2 of M.R.I., on self-evaluation and planning in the Parish. It was pointed out explicitly that the Episcopal Church seemed to flounder in helping their Youth Groups, and keeping them interested.

The report stated that All Souls' needed a vital Youth Program; and a program to assist in Mental Health problems, Alcoholism, work with the Indians, and the under-privileged.

It was announced that the Rev. Mr. Gary Williams was turning his job as Lay Vicar of St. Matthias Mission to Mr. Jack Sherry, Lay Reader.

At the Women's meeting in September the new officers had

been installed. (These minutes are missing). They were Mrs. James B. Diggs, President; Mrs. Chilton Hill, Vice-President; Mrs. W. C. Patzack, Treasurer; and Mrs. C. H. Mee, Secretary. Mrs. William Sutton was Altar Guild Directress for that year.

Reports showed, that the women were studying "The Holy Scriptures, A Survey". Mex Frates who had attended a conference in Norman on Christian Ministry, noted the women should be dealing more with the elderly in their work, and that the Guilds should take turns in helping.

It was announced that the church directory, which Cornelia Weisiger had charge of, would be ready in a week. Nell Miskovsky, Hospitality Chairman, reported she had helped the Choir Mothers put on a pot luck supper, and needed more helpers for her work. Liz Chenault and Libby Elder had inventoried the kitchen, reporting it now could serve 350 people. They noted amazing changes had been made. (It should be noted here that the women still did not know how to use the large commercial roasting oven. This oven had been filled with an assortment of oven racks from smaller kitchen stoves, propped up with fire brick to make a shelf. This was done in an attempt to keep food, still prepared at home in casseroles, from burning in this huge oven. Too, the women were still dismayed at the huge icebox which would only keep salads cool, and keep nothing from spoiling. They longed for something to refrigerate milk and cream and other foods left from meals in. A small freezer was added to the kitchen to hold ice cream and left over cookies so that they could be used at a later meeting.)

In October the Rev. Jack Leather resigned his ministry at All Souls' to take a Rectorship at Holy Trinity Parish in Midland, Texas, as of November 1, 1966. With regret the Vestry voted to accept his resignation. They voted to send him a Resolution of Appreciation for his ministry in the church. They then voted to employ the Rev. William Herod to take over his work as assistant Rector. Loyalty Sunday was set for October ninth.

A request was read from St. Francis Mission in Walnut Grove asking the Brotherhood of St. Andrews to supply a Monitor for their study hall one night a week. The men were to take turns doing this work helping the children.

The Vestry voted to secure a loan of \$5,968.00 from Dr. Don O'Donoghue to purchase additional new bells for the church tower. This note was to be paid January 2, 1967. They also voted to set aside \$12,000.00, in the 1966 budget, for the Anniversary Fund. Seven percent of the 1967 budget was to be placed into this fund.

Mr. Warren reported a need for Lay Readers, Cassocks, and Surplices. Mr. Brown announced plans for a November Dinner to celebrate the Fifteenth Anniversary of Bishop Powell coming to the Oklahoma Diocese, to be given by the Oklahoma City Episcopal Churches.

At the Women's Auxiliary in October Rosalie Patzack noted a balance of \$2,374.28 in the women's funds. She stated that the

women were asking for \$3,754.00 for the coming year, \$1,410.00 to be used inside the parish and \$2,319.00 to be used outside the parish.

The women voted to send \$25.00 to Father Treece for the milk fund at St. Francis Mission. They reported that magazines had been delivered to the Y.M.C.A., and the Senior Citizen's Home, and called for more books and magazines for hospitals. It was reported the Choir Mothers had given bibles to the children who had served in the choir a year. Everyone was urged to contribute to and help St. Francis with their needs.

The Fleur de Lis girls reported making \$55.00 at a bake sale at Corsins and Crescent groceries. They pledged 15 new girls.

The Rector reminded the Vestry in November that he had set his Annual Dinner for the Vestry, Clergy and Deacons, for November 17. He reported the Canvass progressing well.

Discussions included the Scout program, which needed adult men to help supervise the work; safety stops about the church to improve the traffic problems; Lenten suppers; and the need of the congregation moving at a faster pace to the Altar rail during Communion, with the ushers and Deacons helping to speed up the service.

Dr. Eliel reported that the M.R.I. Committee had thought of attempting to get all Episcopal Churches in Oklahoma City to cooperate in considering . . . Hospital Chaplains, needed especially at O.C.U., and the Medical School; to stimulate Youth activities; to support St. Crispin's; and to put greater emphasis on adult education in a Sunday School type activity.

The meeting closed with the Rector reminding the Vestry that the first Sunday in Advent would be celebrated with a Men and Boys' Communion Breakfast and that Father Dan Treece would be the speaker.

At the Women's Board meeting in November Rosalie Patzack reported that B. C. Clark had sent another check for \$64.30. Her balance showed \$1,877.37.

The women discussed a Jones Jerusalem Bible for the library; the 180 pounds of clothing sent to the World Church Service depot in St. Louis; five large boxes of clothing sent the neighborhood center at Walnut Grove; the need for light weight clothes and bedding for St. Marks Mission in Nicaragua; and the need for kits with medical supplies and school articles. The women voted to send \$10.00 to Inter-Church Medical Assistance.

Bishop Powell was speaker at the Auxiliary that month. After the program Nan Kampf told of the Fleur de Lis girls serving at Walnut Grove on Saturdays. It was reported that these girls were also eager to learn how to serve on the Altar in some way. Mrs. Florence Sutton announced that the Altar Guild would soon have a training session for new members.

During December the Guilds worked on projects for St. Francis Mission, the Neighborhood Centers, and for Father Vern Jones at Woodward. Father Jones had asked for cash donations, which the women were to send through Jean Walters. The

Auxiliary voted to send \$10.00 from the Supply and Share fund for this project.

Other business included, a report from Dorothy Miller and Mex Frates who had represented the Diocese of Oklahoma at a meeting in Topeka; a report from Muriel Howard who noted that only 136 women had participated in the U.T.O. ingathering, and urged the women to be more thankful for their blessings; voting to give a donation to Bishop Powell for Christmas; and giving \$25.00 to Child Welfare. It was announced that the Bell Ringers from the Wesley Methodist Church would present the Christmas program.

The Fleur de Lis announced they had adopted a family for Christmas and were giving them a tree with presents. They were to go Caroling with the Youth Group on the following Sunday, and had set their pancake supper for February 7, 1967.

At the December meeting of the Vestry the National Council of Churches was discussed. Mr. Edward C. Warren took the favorable side of this subject and Mr. Russell Brown presented the unfavorable aspects. A general discussion followed but no action was taken. It was suggested that the Vestry continue to examine their activities with the possibility of calling a Parish Meeting for further discussion on the matter at a later date.

1967

The 20th Annual Parish Meeting was held January 15, 1967 at 7:30 P.M. in the Parish Hall. Mr. Donald S. Kennedy was elected Senior Warden; Lee O. Teague, Junior Warden; Messrs. Larry Curtis, William Cheek, Frank Grass, Rolland Kerns, and Lafe C. Midkiff, D.S.C., to a three year term on the Vestry, and H. Clay Miller to an unexpired one year term.

The Rector presented Dr. Leonard Eliel, retiring Senior Warden, an embossed Prayer Book in appreciation for his devoted Service. Dr. Eliel noted a group of 25 people were working on a greater outreach for the Episcopal Church. They had two projects. First to develop progress with youth; identify youth leadership; and counseling with them to determine their needs. A conference at St. Crispin's was set where these things might be worked out. Second, a Chaplain Training program, needed at the Medical Center, was being considered. This was to fill the needs for Ministry to Medical students at Oklahoma University School of Medicine, and at Oklahoma City University.

Mr. Lichtenheld, treasurer, reported the church spent more money than they took in that year due to the building having reached the age where repairs were needed.

The Rev. William K. Herod thanked the congregation for the warm welcome given him and his family. Father Curtis also thanked the congregation for his happy five years spent at All Souls'.

The Rector reported changes in personnel during the year, and complimented "Operation Landscape". He stated the membership continued to grow and the interest and enthusiasm in the congregation was wonderful. He hoped that the members would continue to grow spiritually.

The written reports of the church organizations were handed out to save time at the meeting. During this the Rector noted that the first goal was to increase knowledge and understanding of the Christian Faith. This had been accomplished through many study groups within the church that year.

He stated the church had helped outside the Parish with a gift of \$2,000.00 for land for a Conference Center in Costa Rica, part of our Companion Diocese in Central America. The church had also provided lay leadership and clergy to St. Matthais Mission. Mr. Blanton Hoover, from All Souls', had worked as Treasurer to St. Francis Mission in Walnut Grove. Men had manned a study hall there, one evening a week; and the women of the church had helped with sewing classes and supplying gifts, clothing, and food. The church had included in its 1967 budget, \$1,200.00 for Walnut Grove and the same amount for St. Crispin's Conference Center.

Reports showed that Larry Curtis was director of the Brotherhood of St. Andrew; Rolland Kerns was chairman of the Annual Canvass, and had reported \$160,000.00 pledged; that Dr. and Mrs. L. C. Midkiff were sponsors of the Cambridge Club; Jack Sherry was Lay Vicar for St. Matthais Mission; Carol Williams was President of the Junior EYO, with Mr. and Mrs. Tom Hollingsworth acting as sponsors; Jim Jackson was president of the Senior EYO, with Dr. and Mrs. Robert MacKay as Sponsors; Miss Sally Berger was President of Region 1 of EYC; Meridith Upsher was Queen of Fleur de Lis; Pat J. Patterson was Director of the Lay Readers; Willard Tice was Acolyte Master; Mrs. Estelle Berger was Superintendent of the Sunday School, assisted by Edward C. Warren; and Dr. David L. McBride and Willard P. Tice were Scoutmasters.

The total indebtedness was \$99,219.79 on the church, and \$49,854.65 on the rectories.

In January the Auxiliary Treasurer reported a balance of \$2,178.03. Theo Kerns gave the board of women the lesson they were to study for the next Guild meeting. She announced the United Church Women were attempting to buy a car for the Rev. Tom Arney with Green Stamp books, so he could hold services at various places around Lake Texoma for vacationers. It was hoped that the women of All Souls' would donate to this cause.

Other announcements included, a report from Charlotte Hamilton on gifts given to shutins at Christmas time; that the Fleur de Lis girls had raised the price of the Pancake Supper due to inflation, to \$1.25 for adults and 50c for children . . . the supper being set for February 7; and it was noted the women had made homemade cookies for the Annual Parish Meeting.

It was reported Dr. Lela Roja Ram, who lived in Punjab after leaving America, had had her home, school, and hospital looted and destroyed. Dorothy Miller was assigned to write to her to see how the women of the church could help out.

The Vestry meeting was held in the Library of All Souls' that

month. Pat J. Patterson was elected Clerk for the year; Mr. Lichenheld, Treasurer; and H. L. Douglass, Chancellor.

Dr. Leonard Eliel presented a report on the Out-Reach of the Lay Ministry in the Youth Program, and the Chaplaincy at the Medical Center.

Hospitalization and Life Insurance for Sextons was discussed, which was later approved. It was reported the Diocese of Oklahoma had submitted a Quota of \$24,422.00 for 1967 for the Vestry's approval. This was an increase of over 6% from 1966. The Vestry discussed and voted to raise the church's budget for 1968 by 10.0%.

It was announced that Will Rogers World Airport had set aside a room for a chapel in the airport complex, and that the churches of Oklahoma City were being asked to help furnish it. The Vestry voted to donate \$65.00 for a Prayer Desk in honor of William O. Coleman.

The Vestry discussed, then voted to make the Rev. Mr. William K. Herod an Associate-Rector of the church. They discussed the Lenten Dinners for Wednesday evenings, and it was noted there would be Guest speakers at them.

The Vestry also voted to supply a Priest for two Sundays a month at St. Matthais Mission at a cost of \$25.00 a service. They appointed Bill Cheek, Frank Grass, Larry Curtis and Dale Chegwin to determine the advisability of buying land for the Mission.

At the Auxiliary Board Meeting in February it was reported that 15 newcomers attended the luncheon for them at Virginia Diggs'. Mex Frates reported on some technical changes to the constitution, that month, which were to be made next year.

Dorothy Miller read a letter from Dr. Lela Raja Ram thanking the women for their offer to help her. She suggested the biggest help would be contacts for jobs in Canada.

It was announced that Father Conley would hold the next Quiet Day at All Souls'.

In March Mrs. Chilton Hill was elected President of the Auxiliary for the following year; Mrs. Boylston B. Bass, Vice-President; Mrs. L. C. Midkiff, Secretary; and Mrs. G. Rainey Williams, Treasurer. Mrs. W. M. Parker was Directress of the Altar Guild for the year.

There was a call for old clothes and bed linens for St. Francis Mission.

It was announced 75 Clergymen would meet at All Souls' on Palm Sunday afternoon, and all board members were asked to bring 10 sandwiches each to serve them. Helene Rogers was to take charge of the affair.

At the March Vestry meeting St. Matthias was discussed by Mr. Jack Sherry, the Lay Vicar. He requested the Vestry to visit the Mission to acquaint themselves with their needs stating they would like to acquire a loan for a church site.

Mr. Norman Reynolds reported a good attendance at Lenten Services on Wednesdays.

In April the Vestry discussed the advisability of assisting

St. Matthais in their land purchase, pointing out individual members of All Souls' Church had offered to help All Souls to the amount of \$15,000.00 but the Vestry questioned whether or not the project should be undertaken. They later voted to loan the money for the purchase of the land for five years. After five years the loan, if still used, was to draw 6% interest. All Souls' was not to be responsible for payments of the loan.

Dr. Eliel reported the Youth Program, under Jack Coleman, would hold a conference at St. Crispin's in May. It was expected 50 young people would attend. It was announced by Lee Teague who had charge of the Chaplaincy at the Medical Center that all churches in the area had become interested in this work and that the Oklahoma Legislature had provided \$40,000.00 for the Biennium help for the program. It was recommended that the Supervisor Chaplain be a staff member of the Medical Center.

At the Auxiliary that month the Treasurer reported a balance of \$643.35. The women discussed the conference at Stillwater, and the reshuffling of the Guilds. Carole Soule, librarian, presented a new gift, "The Splendor of Christendom".

There was another call for good bedding for St. Francis Mission, along with the need of household goods and children's clothing.

It was announced that the Fleur de Lis were giving a \$100.00 scholarship to St. Crispin's summer camp session, and that the Altar Guild would soon have a two weeks training session. Mary Price noted that the Junior Assembly had made a little under \$2,000.00 on their enrollment.

In May, Muriel Howard reported that 114 women participated in U.T.O. and had turned in \$316.71. It was noted that Phyllis Hays had been asked to be representative to the Tri-Annual Meeting of the Episcopal Church in Seattle, and that Mex Frates was to be chairman of the State Conference for women at Stillwater in 1968.

St. Elizabeth's Guild reported that they sent a gift of money to the Rev. Mr. Vern Jones in Watonga for a summer youth scholarship.

When the Vestry met in May they were told that the property being considered for St. Matthais had been sold and that a new search for land was underway. The Vestry discussed the possibility of renting lots across Pennsylvania Avenue, owned by the City of Nichols Hills, to make another parking area. This discussion was followed by a discussion on the Liability Insurance on the church. It was noted that, "Voluntary Medical payments Insurance is to reimburse a communicant or visitor who is injured on the church grounds and pays all medical bills attendant to any injury up to the limits of the policy without proof of negligence. If the injured party chooses to claim damages beyond the medical costs, then the church's insurance company will defend under the terms of the policy. The church is protected by the Liability Policy to its limits".

It was announced that the Rev. Martin Goller would supply at St. Matthias as a Priest two Sundays a month plus one-half of

each week. It had been requested that All Souls' pay him \$150.00 per month for this service and the Vestry voted to increase their support to this amount.

The Vestry also voted to allow \$145.00 for a bus, etc., for an outing to Roman Nose Park for the vacation Choir School group.

A call for a new Scout Master was made, followed by a report from Lee Teague, reporting on repairs. He estimated the North Parking lot to need \$2,500.00 for repairs to put it in good shape.

It was announced the new Lay Readers would be installed at the 9:15 Service May 21, 1967.

At the June Vestry meeting Mr. Teague reported that rails to the stairs at the north entrance, and an awning at the west entrance had been installed. Other reports included a scholarship won by Mr. Criss to the Washington Cathedral for a year's study, starting September 1967. The Vestry voted to allow him to employ an assistant, and that his salary would be reduced to compensate for the assistant's pay during his absence.

It was announced that St. Matthias had decided on a two and a half acre tract on North Western costing \$6,000.00. The Vestry voted to purchase this land for the future use of this mission, the price to be considered a loan to St. Matthias Church.

Mr. Brook led a discussion on a pamphlet, "Isn't it Hell". This was followed by a report from Mr. Miller that Father Dan Treece had requested scholarships to St. Crispin's for his church. The Vestry decided to ask individuals to contribute to this need.

Warden Donald S. Kennedy reported on the statement by Bishop Meyers of California, urging all Christians to accept the Pope of the Roman Catholic Church as the spokesman for all Christianity. The Vestry discussed this indicating that Episcopalians almost unanimously disagreed with Bishop Meyers.

Dr. Eliel showed slides of the youth conference at St. Crispin's Center, discussing what the youth expected of the church.

The Vestry took a summer vacation during July and August and in September they were still looking for a Scoutmaster.

At this meeting the Rector read a letter from Bishop Powell commending All Souls' on acquiring the property on North Western for St. Matthias church. It was announced that St. Matthias had over a 200% increase in attendance during the summer and that a Sunday School was being started.

Mr. Reynolds reported a poor response to a drive for funds for St. Crispin's Conference Center. He suggested chartering a bus for a picnic down there, so that members could acquaint themselves with this work. Dr. Eliel reported that candidates for the Chaplaincy for the Medical Center would soon be interviewed.

The Vestry discussed the use of the church, voting that no outside groups should be allowed to hold meeting in the church without the Vestry's approval. If groups were given approval, then a member of the church was to monitor the meeting to make sure the program was not conflicting with Christianity.

At the Auxiliary meeting in September, Rosalie Patzack reported a balance of \$1,724.46. At this meeting Mex Frates

appointed her assistants for the Stillwater Conference. They were, Mrs. Briscoe Hoffman, Registration; Mrs. Kermit Schafer Jr., Hostess; Mrs. Ted Schmitt, Information and Greetings; and Mrs. James Chenault, Meals.

The program that month was presented by Mr. George Verity, who survived the Bataan death march, and spent three and a half years in a Japanese prison camp.

At the end of the program there was a call for clothing for Church World Service, and a request for 12 new table cloths, and a long banquet cloth for the church's use.

In October Irene Buck reported 105 pounds of clothing had been sent to the clothing bank in St. Louis. Clothing has also been donated to the Church of the Resurrection, the Salvation Army, and Walnut Grove.

St. Elizabeth's Guild noted the need for books and volunteered to collect and deliver them to Nursing Homes for patients to read.

Other reports included, a plea for two volunteers to help with the Cheer Cart at the Medical Center; and Nan Kampf noting that 15 Fleur de Lis girls were training for Junior Altar Guild work, while others were assisting in the Choir, and some were visiting in Nursing Homes.

This meeting came to an abrupt end when a late comer noted that no one was in the kitchen preparing food for the luncheon that was to follow the board meeting. A quick check by President Connie Hill made it clear that no Guild had been assigned this responsibility. The Board members were each assigned to go buy ready prepared food. They scattered on what was later entitled, Operation of the Loaves and the Fishes. Indeed it was a miracle for the women, coming in one hour later, found the tables set and decorated by Liz Chenault, and a buffet ready with meat salad, pickles, potato chips, rolls, cup cakes, and coffee.

At the October Vestry meeting it was concluded that since no Scoutmaster was available that the troop would have to become inactive that year. They turned their attention to fire extinguishers voting to buy 4 new Carbon Dioxide Extinguishers at \$133.00 for emergencies; then discussed the lack of attendance at Evening Prayer services on week days.

It was reported that the Missions of the Diocese needed more help rather than expanding the number of new missions. The Vestry discussed St. Matthias Mission and voted to place a sign on their building site.

Other business included a report from the Rev. Mr. Herod, noting that the Youth Program was progressing satisfactorily, and that the young people had requested the Holy Eucharist service for one Sunday night in October. The Vestry set the Annual Canvass for October 1, and made a request to lease lots for parking from the City of Nichols Hills.

Mr. James Sullivan, director of the "Young Life Movement", was introduced to the Vestry at the November meeting. He

discussed their activities hoping the Vestry would consider supporting this project. The Vestry discussed it and considered visiting one of the meetings.

It was announced, that Mr. Grass, Mr. Hamilton and Mr. Reynolds would serve as a Lenten Program Committee for 1968; that a Pre-Advent Party would be held at the church; that the Men and Boys Breakfast would be held December third with Mr. George Verity to be the speaker; and that noise from classroom was disturbing the congregation during services and needed to be investigated.

The Rector commented on problems faced by the church as relating to young people and particularly teenagers.

Mr. Patterson requested the Vestry read the November issue of "The Episcopalian Magazine", especially the article "What Did We Actually Do?". He stated it summarized the General Convention. He requested the Vestry to read again the thirty-nine articles of Religion in the back of the Prayer Book, since the convention urged the Lambeth Conference to abolish these articles.

Reports at the Auxiliary in November reveal an appeal was made to help out Missionaries in Alaska. The women voted to send the Galleghers \$100.00 for their personal needs and to find out what other assistance would be helpful to them, in that area. It was also reported that there was need of an emergency blood bank for All Souls' Church and it was hoped that members would donate to this cause.

Jan Thompson reported the Choir was working on a skit for a Spaghetti Supper for the church, to raise funds. It was hoped everyone would attend.

The December program was given by Mrs. Ray C. Heisel who talked on the "Symbolism of Madonnas". Other announcements included the Fleur de Lis adopting a family for Thanksgiving, and that the U.T.O. ingathering amounted to \$368.42 with 133 women contributing.

At the December meeting Alice Hurst urged the women to help St. Francis Mission. She asked that baskets of canned goods with meat in them, be given. The women voted to give \$50.00 of their funds for this work. Marion Hoffman reported visiting shutins at Thanksgiving and a committee was appointed to remember them at Christmas. It was reported the Fleur de Lis girls had decorated boxes, filling them with busy work for the children at the University Hospital.

The Choir Mothers reported they had made \$240.00 on their Spaghetti Supper, and that it proved to be a grand family night party for the church.

At the final Vestry meeting that year Mr. Teague presented the proposed church budget for 1968. It amounted to \$184,290.00. There was considerable discussion on work inside and outside the Parish, before it was unanimously approved. Then the Rector thanked the retiring Vestrymen for their faithful work.

Mr. Curtis reported St. Matthias averaged 30 to 40 people

Christmas
Auxiliary Luncheon

The Kitchen

Auxiliary Meeting

present each Sunday. It was noted that All Souls' might have an overflow crowd on Christmas Eve and it was suggested that the Parish Hall should be made ready with speakers installed in it.

Mr. Grass, Chairman of the Lenten Programs, requested names of suggested speakers for programs.

The meeting closed with Dr. **Eliei** announcing that the **money** for the Chaplaincy at the University Hospital was then **before** the State Legislature, and if it failed to pass then other steps would have to be taken to provide funds.

1968

The Twenty-First Annual Parish Meeting was held January 14 1968 at 7:30 P.M. in All Souls' Parish Hall. Lee O. Teague was elected Senior Warden that night; Pat. J. Patterson, Junior Warden; and Messrs. William F. Collins, Jr., John Drew, G. Ted Schmitt, Ronald Murray, and John B. Elder were elected to the Vestry.

Mr. Lichtenheld reported one-fourth increase in **spending** outside the Parish. He **said** at the end of the year **that we were** "flat broke". But he noted that we were able to increase the Anniversary Fund. The balance sheet showed a debt of \$135,336.36 on the church and rectories.

The retiring Senior Warden, Mr. Donald S. Kennedy, was presented an embossed Prayer Book in appreciation for his work. He noted his travels over the world made him appreciate All Souls' even more. He thanked the Vestry for their cooperation.

The Rector introduced the Perpetual Deacons, the Rev. Mr. James Harris, and the Rev. Mr. Gary Williams, along with the Associate-Rector, the Rev. Mr. William K. Herod, who commented on their work. The Rector said all former clergy were being invited back to speak to the congregation in 1969, and that Bishop Powell would observe the Twenty-Fifth Anniversary of the Consecration of the Church.

In the written reports the Rev. Mr. Shaw reported that the church had sought to increase knowledge and understanding of the Christian Faith during the year. He stated that the Sunday School teachers had worked hard on lessons but that they couldn't teach children who were not in the classrooms. He noted the Guilds were studying the New Testament, and the Brotherhood of St. Andrew was studying the Collects, Epistles, and Gospels. Everyone truly interested in learning more about Christian Faith could easily do so at All Souls' Church.

He further stated that in the community the church had supported work at St. Francis Mission in Walnut Grove and St. Matthias Mission, which was then meeting at the Casady School Chapel. The church had supported the Diocese with a special fund raising for St. Crispin's Conference Center which was not as successful as was hoped for. The church had also donated to Voom. All of these donations had totaled about 23% of the total budget of the church.

Thirdly, the church had had more requested fellowship meetings and it was planned they would continue.

The Associate Rector reported on calls to the ill in hospitals and homes, along with his regular duties in calling on new members, and assisting with services.

The Brotherhood of St. Andrew's reported they cooked their own breakfasts the first Saturday in each month prior to prayer, scripture study, and plans for service in the Parish.

The Senior Warden, Donald S. Kennedy, reported the church had grown in spiritual depth that year, and in membership.

Other reports showed that \$165,000.00 was pledged during the Annual Canvass, led by Ted Schmitt; that Dr. and Mrs. L. C. Midkiff still directed the Cambridge Club; that there were 14 licensed Lay Readers in the Parish and two trainees; that Jack Sherry was a Lay Vicar, and Bob Bell assisted him, serving almost full time at St. Matthias Mission. Some of the Lay Readers had helped at St. Raphael's Mission in Yukon.

Stevvi MacKay was President of the Senior High EYC, sponsored by Dr. and Mrs. Robert MacKay and the Rev. and Mrs. Gary Williams; and Helen Warren was President of the Junior High EYC, sponsored by Mr. and Mrs. William Deupree and the Rev. Mr. Herod.

The Library report showed it held 800 volumes of books and was sponsored by Mrs. F. W. Putnam, Mrs. Geo. Rowland, Mrs. E. E. Soule, and Mrs. L. R. Vesely.

A report on St. Matthias Mission by Jack Sherry, Vicar, stated their most exciting single event during the year was acquiring the five acre tract of ground to locate a permanent church on at 117 Street and Western Avenue. They were grateful to All Souls' Church for assistance and encouragement.

Myles Criss wrote his report from National Cathedral in Washington, D. C. He pointed out how faithful the choir members had been, and the helpfulness of St. Cecelia's Guild, under the direction of Mrs. L. C. Midkiff. He stated that 60 children attended the vacation Choir School, and that it should be maintained each year. He was grateful to All Souls' Parish for the grant of leave to study at the College of Church Musicians at the Cathedral, and for the help of Mr. Edwin E. Flath, interim Choirmaster in his absence. Mr. Flath noted his joy in working in the church during the absence of Mr. Criss.

St. Vincent's reported 50 boys were assisting as Acolytes under the leadership of Willard Tice.

Mrs. Estelle Berger, Sunday School Superintendent, stated her main problem dealt with the poor attendance at Sunday School. She reported the teachers were now attending training school and the lessons had improved. She further stated that 1 person out of 10 had mental illness during his lifetime; 3 out of 10 became alcoholics; 2 out of 4 had marriage problems that would end in divorce; and that it was evident that all children needed religious education to prepare them for life, yet statistics showed Episcopalians knew less about their own religion than other

denominations. The parents should be concerned about this.

At the January meeting of the Auxiliary the Treasurer reported a balance of \$2,053.88. It was noted that January 21 was to be "Blanket Sunday", and if people could not bring blankets that they could give \$3.00 to buy one in their name.

Father Luce sent a letter of appreciation for the \$50.00 sent to buy Christmas baskets at Walnut Grove. The money was used to buy turkeys for the baskets. It was reported that about 100 toys were also sent with the canned food and staples.

Father Jones, also sent a letter asking that the Guilds adopt patients in the Mental Hospital in his area, to send greetings and presents on special occasions, letting them know the women still cared for them.

Mr. George Verity gave a gift of \$100.00 to the Auxiliary to spend where it was most needed. The women voted to use it to help a family within the Parish who needed aid.

In February, Mrs. Buck reported that 39 blankets were sent to Church World Service from All Souls' ingathering. It was also reported that Alice Hurst was serving on the Board of the Church Women United.

Marion Hoffman announced that two names had been given each Guild from the "Family of the Good Shepherd", at Fort Supply. These patients would be remembered at all special occasions. Other announcements included, that the Fleur de Lis had set their Pancake Supper for February 29, and that there would be three Family night dinners during Lent.

At the Vestry Meetings in February, Donald A. Hamilton was elected Clerk; Mr. Lichtenheld, Treasurer; and Mr. H. L. Douglass, Chancellor. It was reported Mr. Kerns had audited the books of the Treasurer and found them in good order.

Mr. Frank Grass, Chairman of the Lenten program reported the three speakers for the Dinners were to be Dr. Peters, Head of World Neighbors; Dr. Hough, Local Ear Surgeon; and Dr. Holloman, President-Elect of Oklahoma University. He also stated a Folk Mass was being planned for an evening service during Lent.

After appointing his committees for the year, the Rev. Mr. Shaw announced the Keyman for the year was Mr. Edward C. Warren, and that Mr. John Hassler was to be Chairman of the Twenty-Fifth Anniversary celebration for 1969. This celebration was to end on All Souls' Day with a banquet, that year.

Mr. Herod reported that 150 young people had attended a recent dance in the Parish Hall and had had a good time.

Mr. Patterson objected to, then discussed the experimental Liturgy being used at Communion Services. He stated that he definitely was in favor of the old form. Mr. Shaw noted that members would be given a chance to give an opinion on this when the trial period was over.

Mr. Teague reported good cooperation and a strong feeling of stability in the church, as well as, the community. He advised that though the State Legislature did not appropriate funds for

the Chaplaincy Program at the University Hospital some money would be available through Medical Research. He stated applicants for the job were being interviewed. He was gratified the budget for youth work was increased and hoped the Boy Scout Program would be resumed. He commended both Mr. Shaw and Mr. Herod for fine sermons.

Father Shaw called attention to Mr. Kern's letter that 27% of All Souls' budget, of \$48,400.00 had been spent outside the Parish last year.

In April Mr. Lichtenheld reported the income was running behind expenses, and it was necessary to use pre-paid pledges to meet expenses. To realize slightly more income it was suggested the pre-paid pledge money be invested in 30 day notes which paid interest.

Father Shaw announced that on Sunday, April 21, 1968, a number of churches were planning an exchange of Parishioners. He said All Souls' would probably have eight visitors that day. He asked Vestrymen to volunteer to go to other churches that day. Men volunteered to go to the Presbyterian, Methodist, and Christian churches.

Mr. Reynolds reported that Bishop Powell was in favor of building a swimming pool at St. Crispin's. Since only \$3,000.00 was available and it would cost \$19,000.00 it was suggested that a committee be formed to see what could be done about raising these funds.

Mr. Warren stated the Church School needed a new cross and it was suggested he contact Mr. Nuckoll of St. Raphael's, an excellent woodworker.

Other announcements included, a call for donors of blood for a Blood Bank sponsored by the Brotherhood of St. Andrew's; the appreciation of Lee Teague for prayers in behalf of his son injured in Vietnam; and a report by the Rev. Mr. Paul Kendall, of the Church of the Resurrection, concerning the ideas of the long-range needs of the Episcopal Church on the national level.

At the March Auxiliary meeting the budget for the Women of the Episcopal Diocese of Oklahoma was read, totaling \$10,600.00. The Treasurer of All Souls' Board reported a balance of \$307.21 in her funds.

It was voted that May Third be set aside as Fellowship Day for Church Women United, at which All Souls' Church was to be host.

Carol Soule reported on books gathered for St. James Mission in Alaska, asking that postage be allowed for shipping the books.

The women voted to join the Episcopal Book Club of the Month for 1968.

The women held a Quiet Day in April, and in May they elected their officers for the year. Mrs. Boylston Bass was elected President; Mrs. L. C. Midkiff, Vice-President; Mrs. R. E. Johnston, Secretary; and Mrs. G. Rainey Williams, Treasurer. Mrs. Russell L. Brown was directress of the Altar Guild that year.

Alice Hurst reported to this meeting that St. Francis Mission

had asked for camping scholarships to St. Crispin's. The women voted to send \$105.00 to pay for three scholarships.

Mex Frates thanked the workers who had helped with the Stillwater Conference, which was reported to be a huge success.

A call was made for homemade cookies for Junior Assembly dance classes, which met twice a month. It was noted these children were in the fourth, fifth, and sixth grades, and that the classes brought in about \$1,000.00 each year.

The meeting ended with Carol Soule reading a letter from Father Gallagher, in Tanana, Alaska, thanking the women for more than 200 books sent to them from All Souls'.

At the May Vestry meeting Mr. Lee Teague presented the financial report due to the absence of the Treasurer. He stated the income exceeded expenses which permitted the first three months to be operated in the black.

The Rector announced, with regret, that Bill Brook was moving to San Antonio. He noted he would be greatly missed as he had conducted the children's services for several years.

Warden Teague suggested there be a Junior Vestry, composed of Junior and Senior High School students, who could make suggestions and feel the youth had a greater part in the church. There was considerable discussion, and it was recommended that this be brought up again in the fall.

Mr. Teague and Mr. Roy Lytle were elected delegates to the National Convention.

Announcements included the purchase of a new addressograph for the office; improvements and plans for the North parking lot to make it more attractive with trees and plants; and Mr. Reynolds discussing that the Bishop favored a Sherry party, similar to one in Tulsa, at which Jim Mara discussed St. Crispin's, giving the women an opportunity to contribute to its operation.

Reports revealed that the Junior and Senior High School Youth Groups had had an excellent inspirational Christian talk from an injured veteran from Vietnam; the parishioners would be mailed forms to write comments on about their ideas on the experimental liturgy; and that the coffee served after church services in the Parish Hall tasted terrible. It was suggested this did not promote fellowship or cause people to linger for a visit. It urged that the custodian be advised how to make better coffee.

Mr. Lichtenheld explained to the Vestry in June how approximately \$13,000.00 in pledges was needed each month to pay expenses. He stated he had bought 90 day certificates of Deposit at Penn Square Bank with \$32,000.00 which paid five percent interest. This money was from the Anniversary Fund, the Pre-paid Pledge account, and Investment Gains. He also stated he had consulted contractors about the water seepage problems in the east parking lot.

It was reported the coffee had improved that month; that the Trial Liturgy questionnaires mailed out had not been returned; and that the Rector, Junior and Senior Wardens, Clerk, Trea-

surer, and Chancellor would act for the Vestry during June, July, and August.

The Vestry elected Jack Vandever to fill the unexpired term of Bill Brook, on the Vestry.

The Rev. Mr. Herod announced he was pleased with the progress of the Junior and Senior Youth Groups. The young people's confirmation class had all been confirmed but one. It was noted 59 were confirmed, which was the largest group presented to the Bishop of Oklahoma this year.

Mr. John Drew made a plea for donors for All Souls' Church blood bank.

The Senior Warden advised the Vestry the Bishop requested All Souls' share the monthly advertising costs of the Episcopal Church in greater Oklahoma City. The Vestry agreed to pay \$35.00 a month for four Sunday months, and \$45.00 on five Sunday months.

It was noted that the Urban Center and Planning Office in Managua, Nicaragua was actually a Diocesan office for the Episcopal Church of Nicaragua from which church activities and personnel could be channeled into needed areas, and had nothing to do with political activities in that country, as some Diocesan delegates had thought.

Mr. Pat Patterson reported on the convention, held in Muskogee. He stated All Souls' 10 delegates were present and voted on the crucial issues. He thought the proposed budget of \$350,000.00 for 1968 which had a \$15,000.00 deficit should have included a larger amount for work in the Armed Forces. He was disturbed, as were others at the Convention, on the emphasis on the social needs of man, and the little said about his spiritual needs.

When the Women's Board met in September the Treasurer noted that B. C. Clark Company had sent a check for \$148.95. She reminded the women that the church received 3% on any purchase by the purchaser signing a form in favor of the church. Her balance was \$679.08.

Patty Elder reported the Junior Assembly still had openings for boys. She requested cookies to be served the children after dancing lessons.

Lynn Elam reported Supply and Share had shipped six large boxes of clothing to Church World Service. She reported a continuing need for clothing and that blankets would be needed by Christmastime.

Other announcements included, the need of Coffee Hostesses on Sundays, and the suggestion by Jeannie York that any available woman should help out when she saw a vacancy at the tables; that the flowers during the summer had been taken to nursing homes where they were gratefully received; that the first fall Newcomers Luncheon would be held at Marion Hoffman's on September 17; and that the Fleur de Lis girls had had a Mother-Daughter Tea which 60 people had attended.

When Mr. Lichtenheld submitted his financial report to the Vestry in September he called attention to the increase in dis-

bursements making it necessary to use pre-paid pledge money. He noted this had steadily increased since 1966, and suggested the budget for 1969 be increased to take care of this. It was suggested he prepare reports that were comparative to the previous year in order for this to be better seen by the Vestry.

The Rector announced the Twenty-Fifth Anniversary Committee consisted of all former Senior Wardens of the Church. He stated plans were under way to make 1969 a memorable year for the church . . . that former ministers would return to preach, that a church history would be published, that the Directory for the year would carry a silver cover, and that the final event would be a congregational dinner on All Souls' Day, November 2, 1969 with a guest speaker.

Reports revealed that the Sunday School had opened with a good attendance; that the Brotherhood of St. Andrew's was meeting on the first and third Saturdays; that lighting and parking lot repairs had been made; that five Lay Readers were transferred out of the city during the summer, and the Lay Readers Guild would welcome anyone interested in this work.

It was noted by the Rev. Mr. Herod that 17 Senior High School students and 25 Junior High School students attended the opening Sunday services for Young People.

Warden Teague spoke briefly on his new duties as Director of Development for the University of Oklahoma Medical Center. He also complimented Mr. Herod on his fine sermons during the Rector's absence.

It was announced at the Women's Board Meeting in October that St. Francis Mission was starting a tutorial program, and other projects, which they needed volunteers to help with.

Marion Hoffman, chairman of Christian Service, discussed the college students in the area, wanting suggestions on how to reach them. She read a letter from the director of "Half-Way" House for women alcoholics, in Tulsa, who needed help. The Board then adjourned for the Auxiliary luncheon and meeting where the Oklahoma City Council on Alcoholism presented a play, "Lady on the Rocks".

At the Vestry meeting that month the men discussed the insurance on the church; the pledges; St. Matthias Mission, which did not appear to be growing as it should; and the Church School which had a fine attendance and had a collection the previous Sunday, which was the largest one to date.

Mr. Vandever reported on Evangelism, passing out a form on a Seven Point Program. It was suggested ushers were to ask guests to join the fellowship coffee after services in the Parish Hall, to promote some of these points.

The Rector announced that Gene York would assist Pete Remmers as Scoutmaster. Troop 102 was to be reactivated in November. There was also a request from Troop 40 to meet in the church. They had been meeting in Nichols Hills Plaza, but requested permission to use the church and wanted permission to leave their trailer, with equipment, stored on church property.

It was reported that 45 Junior and Senior High School students with chaperones had visited St. Crispin's Center.

Warden Lee Teague suggested the Vestry act as substitute Sunday School teachers, when needed.

The Auxiliary Treasurer reported \$1,164.52 in November. Theo Kerns reported the UTO ingathering amounted to \$251.26, with 101 envelopes turned in.

Alice Hurst announced a program had been set up at St. Francis Mission to aid young people in speed reading, typing, public speaking, and personal care. They requested a gift of \$50.00 from All Souls' to promote this program. The women voted not only to give them this fund but to add \$50.00 to it to buy Thanksgiving turkey for their needs. It was noted that the women were to collect cookies and candy for the shut-ins at their December meeting.

A call was made for used blankets or a gift of \$3.00 for a new one to help Church World Supply. A gift certificate for this work was available at the Church Office.

It was noted a home for male alcoholics had been established on N.E. Twenty-Third Street, called "Main Artery". They needed curtains and funds. They cooked and served breakfasts, and sold baked goods in an attempt to support themselves, which the public could call about. The women voted to send them \$100.00.

The women discussed the two Sopranos who were to be hired for the choir and a piano that was needed for St. Crispin's which the choir would have a project to promote.

At the November Vestry meeting, Mr. Lichtenheld noted, in reviewing his work as Treasurer, that his summer receipts were down due to the vacation period, but he expected them to pick up in November and December. He stated many members had paid their pledges in full but some waited until the end of the year to pay theirs. He said the annual turnover of members was about 100 and the incoming pledges usually offset the unpaid pledges of those leaving.

Mr. Teague urged all Vestrymen to attend at least one service at St. Matthias prior to the December meeting.

Mr. Grass submitted a request from Myles Criss for four professional singers for the choir to give it stability. He noted that during the previous six years 160 members of the church had sung in the choir which had a normal membership of 30 persons. The Vestry commented favorably on the Choir and referred this to the Budget Committee. It was suggested the adult choir sing more at the 9:15 service on Sunday.

Mr. Reynolds noted the need of contributions to St. Crispin's Center before the end of the year. He stated that All Souls' Choir had spent a pleasant evening there in November.

Mr. Patterson displayed samples of new signs for the Parish Hall suggesting some of them be installed on a trial basis.

Dr. Midkiff reported on 14 active Lay Readers who were doing an excellent job. The meeting closed with a report from Mr. Teague on VOOM. He stated that he attended a meeting at the

Cathedral where Father Haynesworth, from Nicaragua, spoke on the needs of a Planning Center. He said that All Souls' was contributing \$100.00 per month to this project.

In December the women gathered staples and canned goods for St. Francis Mission. The speaker for the program that year was Father Karim of St. Elijah's Eastern Orthodox Church, who talked on Icons.

It was announced there would be a Quiet Day in March, and that a Lenten series of talks had been planned. They were entitled "The Christian Home, a Woman's View", to be given by Mrs. Jody Hough, each Monday during Lent. The final report on the U.T.O. ingathering revealed that 125 women gave \$358.24.

At the Vestry meeting that month the Rector and Senior Warden thanked the retiring Vestrymen for their faithful work. Mr. Hamilton presented a budget of \$194,790.00 for 1969. He noted that \$175,500.00 was expected from pledges and the rest was anticipated to come from loose collections, special offerings, Casady School, etc. The Rector announced that \$172,000.00 had already been pledged.

It was proposed that four professional singers for the choir be hired at a cost of \$2,236.00 a year, and that the contributions to St. Matthias Mission be reduced \$600.00. The Vestry voted to do this.

The Church history was discussed, and the Vestry voted to proceed with the printing, allowing \$3,500.00 to complete this work. It was estimated that most of the cost would be obtained the first year due to the sale of the books. The Vestry voted to sell the books at \$5.00 per book.

Historical china plates with a picture of All Souls' was also discussed. The Vestry voted to spend \$440.00 for 250 plates which they hoped to recover by the end of the year when the plates were sold.

The year's work ended with the announcement of the Anniversary Program by Henry Kraft, Jr., General Chairman. Some of the events listed were:
